## HEREFORD SALE

### WELCOME

Welcome to the 5th annual Cattlemen's Delight Female Focus Sale. The Jackson County Fairgrounds location and facility work well for our group, and the consignor families have put together an even better offering this year. The sale will feature top female prospects from the heart of each breeding program. Our herds vary in size, but all 5 of the consigning families set out to bring you their best. There are many high quality spring born heifer calves, including several show heifer prospects. We also dug deep in our replacement heifer pens, to bring you high quality females that represent the heart of our breeding programs. Many of the bred females will be confirmed bred to AI dates, to industry leading sires. Several heifers will carry natural service, to high caliber herd sires. We are offering a variety of calving due dates on the bred heifers, to help fit your desired calving windows. This year's sale also features a few handpicked show steer prospects.

As cattlemen, we have seen prices of feeder cattle, fed cattle, and even market cows, reach new highs in 2025, and the next several years look very bright for cattle producers. Little evidence of national cow herd expansion, provides tremendous opportunity to those who own the cow factory over the next few years. If you want to capitalize, it's time to own the cows, and build herds. The Hereford breed continues to see tremendous demand for top end females, and Herefords are being shown by young cattlemen and women at unprecedented levels! Lots of families love raising and showing Hereford cattle! The Hereford Jr. Nationals, will once again be back in Madison, WI in July of 2026!

Today's Hereford cattle are also doing well in the pasture, in the feed yard, and on the rail. Hereford females are fertile, maternal in every way, with built in longevity and feed efficiency. Hereford breeders have paid attention to genomic data, and have made decisions to improve the final product immensely. If you are raising cattle for commercial use, use Hereford genetics with confidence.

You will observe diversity in the pedigrees offered, as each herd operates with different goals and resources. We believe this is an advantage for the prospective buyers, and we look forward to helping you find the cattle in the offering that will help move your herd forward. Feel free to call on any of the Cattlemen's Delight consignors with questions. More information, including individual animal videos, will be made available prior to the sale on Facebook and Instagram. Some additional genomic profiles and pregnancy check information will also be made available during late September.

We invite you to an informal social and viewing on Friday, October 3rd from 5-8 P.M. If you would like to view particular lots prior to October 3rd please arrange that with the owner. Each consignor would be happy to show you the cattle ahead of the sale, upon appointment. Obviously, we want you to be able to bid and buy with confidence, so please feel free to reach out with any requests.

Thank you for your interest in our breeding programs and we look forward to seeing you at the 5th annual Cattlemen's Delight sale.

*The Cattlemen's Delight Group, including the Boettcher, Starck, Steinhoff, Freidrich, and Reed families*

#### TERMS and CONDITIONS:

**TERMS:** Cash or check. Each animal sold to the highest bidder. The auctioneer shall settle any disputes as to bids. All cattle are to be paid for by purchasers during or immediately after the sale and will not be released until settlement has been made, unless other arrangements have been made in advance. No cattle will be transferred until paid for in full.

**GUARANTEE:** All cattle will sell under the terms and guarantees recommended by the American Hereford Association.

**LIABILITY:** Each animal will be at the purchaser's risk immediately after the animal is sold. They will be cared for, free of charge, for a reasonable length of time after the sale, but at the purchaser's risk.

**ANNOUNCEMENTS:** Sale day announcements take precedence over printed matter in the book. The consignors reserve the right to withdraw any sale lot not meeting our specifications prior to sale time. EPDs in the book were current at press time.

**REGISTRATION CERTIFICATES:** Registration Certificates will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the clerk his proper name and address for making transfers. All calves born before the sale will be registered by the sellers. Information will be provided by the seller for the buyer to register unborn calves. Certificates for calves born to bred cattle purchased are the responsibility of the buyer.

### Accident/Illness:

The sale management, the consignors and the owner of the grounds will not be responsible in any case for the condition of the grounds, the behavior of the animals or illness and disclaim any liability in the event of personal accident, sickness, or property loss.

### HERE'S HOW IT WORKS

Go to [www.LiveAuctions.tv](http://www.LiveAuctions.tv). Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click

"Register" in the top right corner of the homepage and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

**Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.**

**If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at [TechSupport@LiveAuctions.tv](mailto:TechSupport@LiveAuctions.tv).**

# Boettcher's Brookview Acres

Lots 1-14

BOETTCHER'S BROOKVIEW ACRES

W16163 U.S. Hwy. 10  
Fairchild, WI 54741

The Boettcher Family  
Butch 715-828-7271  
Brandon 715-533-2470  
Garritt 715-586-0033

The Boettcher Family is honored to be part of the Cattlemen's Delight again this year. We bring an offering of powerful heifer calves and productive young females from the cow families that have built and sustained our breeding program. We have been breeding "Performance cattle with eye appeal" backed by balanced EPDs for 60 years. Our program emphasizes cattle that have the ability to generate profits in a wide variety of production systems and environments. We select proven AI sires and natural service pasture sires that best complement our cow families. Our breeding goals are substantiated through

performance measurements of birth, weaning, and yearling weights as well as feedlot performance and strict reproductive evaluation. We are humbled by the success stories of how our cattle have performed for our customers and the number of repeat buyers we see each year. Your evaluation of our offering is appreciated and we look forward to seeing you on October 4th in Black River Falls.

Lot 1 — BROOKVIEW 4142 MARASCHINO 03M

1

- Maraschino 03M was selected as our Lot 1 offering as she represents the focus of our program, "Performance cattle with eye appeal."
- She is a thick, big ribbed daughter of the well proven BR Duncan 4142 and out of a Dam of Distinction carrying a 110.3 average weaning ratio.
- Her dam, Honey 17H, is the ideal Hereford cow with an udder as good as you can make them.
- A maternal sister to 03M was our high selling bred heifer at the 2023 sale, with another full sister born this spring, we decided to continue to share this cow family.
- Now, to put a ribbon on this package, she is due to calve Jan. 27, 2026 with a heifer calf by one of the breed's hottest calving ease and EPD sires, KCF Bennett Monument J338.
- Halter broke. OCV. Free of all known genetic defects by pedigree.

STARCK CENTURY FARM

7501 280th St.  
Cadott, WI 54727

Rick, Jenny, Ricki,  
and Ryder Starck  
Rick's cell: 715-313-3234  
starckfarm@gmail.com

The Starck family is grateful to be part of the Cattlemen's Delight group again this year. Starck Century Farm started long ago in 1864. Jenny and I took over the farm in 1987. We realized from the beginning using top AI sires and mapping our cattle was the fastest way to improve our genetics and increase production. We continue that same practice today in our registered Hereford herd. We exclusively use 100% artificial insemination on all our animals which allows us to match specific sire phenotype and desired EPDs to individual females to build a solid, functional animal that can be bred for replacement, production, or show,

We have been part of the whole herd DNA program since 2018 and have used that technology to provide us with valuable information that assists us with our breeding decisions. It also guarantees our cattle to be free of any known genetic defects.

We are proud of our genetic program and are pleased our past customers share the same high level of satisfaction with our cattle. We are confident in our genetics and believe our cattle will work in any herd!

Thank you for considering our cattle for your next purchase in building or expanding your herd. Give us a call with any questions or stop out and view the cattle for yourself.

Rick & Jenny

- Myrtle is a deep Al pedigreed 5th generation bred heifer from our first calf purchased from Brookview.
- She comes as a complete breeding package.
- Myrtle boasts 8 EPDs in the top 25 %. Top 1% in teat and udder and a great 6.1 in calving ease! She also excels in ribeye area and carcass weight!
- Bred AI on May 22, 2025 to RV Valor 94446 ET. Due March 3, 2026 with a heifer calf.
- Genomic EPDs. Free from all known genetic defects.
- Homozygous polled. Halter broke. OCV.

## STEINY'S HEREFORDS

N7908 6th Ave.  
New Lisbon, WI 53950

Dave and Laurie Steinhoff  
and Family

Dave: 608-344-0140

Liz: 608-343-9052

steiny\_48@mwt.net

Welcome to the 2025 Cattlemen's Delight Sale.

Steiny's Herefords started in 2003 with the purchase of a cow/calf pair from Warren & Isabelle Brown at the Wisconsin State Sale.

Over the last 22 years we have worked to raise sound productive breeding stock that is phenotypically attractive. We have been fortunate to sell cattle that have done great things for their new owners.

The farm is a family affair and we are blessed to see the next generations grow in rural farm life.

We look forward to seeing you at the Cattlemen's Delight Sale and thank you for considering a purchase from Steiny's Herefords. Contact Dave with questions at 608-344-0140.

- Missy is a dark red, double goggle-eyed, horned fall heifer.
- She was shown at the 2025 WI State Fair Open Beef Show and was second in her competitive class. The judge commended her on her smooth, free-flowing stride, noting that she tracks straight and true.
- She is calm demeanored and would make an excellent youth project.
- Twin to a heifer from a productive cow family.
- Free from all genetic defects. Homozygous horned. OCV.

- Macey is a dark red, single goggle-eyed, polled fall heifer.
- Like her twin from a productive cow family, she is a smooth strided and well balanced heifer.
- Would make a great youth project prospect.
- DNA results show she is free from all genetic defects. Heterozygous polled. OCV.

# Windy Hills Herefords

Lots 20-32

WINDY HILLS HEREFORDS

1454 70th Ave.  
Roberts, WI 54023

Mark and Angie Friedrich  
and Family  
715-760-2350  
mfriedrich@yahoo.com

Windy Hills Herefords was founded in 2004 in Roberts, WI, by Mark and Angie Friedrich, alongside their three daughters, Jess, Kim, and Kelley. Today, we manage a herd of 60 cows, dedicated to producing high-quality cattle that meet the diverse needs of our customers.

As our family grows, we're thrilled to have four grandchildren who are developing a love for the cattle and showing them at various events. Over the years, our children and grandchildren have proudly exhibited our cattle at county fairs, state fairs, and national shows.

We've also enjoyed hosting farm tours for our state association, college judging teams, and other various visitors. As we present our cattle in this sale, we're excited to showcase the genetics we're so proud of and are confident that you'll be just as impressed with them as we are.

# Reed Stock Farm

Reed Stock Farm started in the Polled Hereford business in 1972 with a purchased show heifer. In 1980 Jeff and Bonnie married and continued raising Polled Hereford cattle. Our three children were very active in showing cattle as they grew up. Our now married adult children, and our grandchildren are very involved in raising and showing Hereford cattle. We have shown at many local, state and national shows. We are all very involved in 4-H and in livestock related organizations. We have sold in consignment sales but most of our bulls and females have been sold private treaty at the farm. We operate 80 registered Hereford cows featuring AI and flushing to top bulls. We also own high quality natural service sires which produce the core of our cow herd and many of the sale cattle. Our herd is built on female fertility and maternal strength, with high growth and performance. We strive to produce hard working, high performance cattle that will also perform in the show ring. All of our cattle are also bred with feedlot performance potential in mind.

Lots 33-46

## REED STOCK FARM

10788 240th St. East  
Hampton, MN 55031

Jeff and Bonnie Reed  
and family  
612-819-1368

jbreedstockfarm@gmail.com

In October, we will be recognized as  
50-year Golden Breeders at the AHA  
Annual meeting in Kansas City.

Reed Stock Farm will be donating  
the heifer for the Minnesota Gopher  
the Purple sale in December to  
benefit the Minnesota Junior  
Hereford Breeders!

- Here is another Mr Blueprint 103J calf, out of a 3-year-old C Diversified 6121 cow.
- We really like the C Diversified 6121 daughters for their udder quality, maternal strength, style and look.
- Just an April 1st baby.
- Halter broke. OCV.
