BUTTE BULL SALE 2025

Welcome to our 19th Annual Fall Bull Sale, we look forward to having you as our guests. The current cattle market is beyond outstanding and looks to stay strong well into the future. Whether you are retaining your replacements or selling them on the scale, we have the bulls you need to accomplish the results you desire. All the bulls are sound and fertile, with performance balanced EPDs along with an attractive phenotype. Our bulls are raised in the Warner Mountains of Alturas, Calif., and developed in the heat of the valley in Oroville, Calif. No matter where you run your cattle, these bulls will thrive and add value to your calf crop. Hereford, SimAngus and Angus genetics combined create the most profitable, predicable and manageable cattle that will keep you in the cattle business for generations to come.

We are excited to have entered a new phase in our program by adding in SimAngus cattle. We purchased these cattle from the highly regarded Trinity Farms in Washington. This sale will include a few of our first SimAngus bull calves. We look forward to offering even more of these high performing bulls in the future, as our herd expands.

Kerri and Steve

We are once again so pleased to have a top quality offering of Angus Bulls from Sunbright Angus and Westwind Angus. In addition to these respected breeders, we are happy to include Diamond S Angus in this year's offering as well. Our families are all extremely dedicated and work hands on in our cattle operations and take great pride in the product we produce.

If you have any questions or if you would like additional information on our sale bulls, please feel free to give us a call. We look forward to hearing from you.

Sale Terms and Conditions

Terms

Terms of the sale are cash or bankable check on sale day. When making settlement, please leave specific instructions in writing for transfer and shipping.

Sale Conditions

Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids and decisions on such matters will be final. Each animal sold becomes the property of the buyer as soon as it is sold. Cattle will be kept for a reasonable length of time and boarded free of charge at the buyer's risk. Lambert Ranch is retaining 1/3 revenue sharing semen interest in every bull selling in this sale. Full possession and full salvage value sells on all bulls.

Guarantee

All cattle are guaranteed to be breeders. You will have 100 days or 3.5 months from sale day to try the cattle. If you suspect an animal to be a non-breeder, you will be required to have a veterinarian inspect the animal to determine the problem. In case an adjustment is required, it will be made with a replacement animal of equal value to the animal in question or credit on the purchase of another animal. No adjustments will be made after 9 months following sale day on any animals.

Herd Health

All bulls have been cleared for Trichinosis, Tuberculosis, BVD and have been checked for semen quality. These bulls have been vaccinated for Anaplasmosis.

Delivery/Pickup

We highly encourage same day pickup and we have plenty of onsite trailer parking available. Due to fuel costs, a fuel surcharge may be added to deliveries exceeding 100 miles.

Absentee Bids

If anyone wishes to bid and cannot attend the sale, we will accept phone or mail bids. We realize everyone's busy schedule and the expense of travel. We will accept phone bids and guarantee the buyer's satisfaction. Please feel free to contact Steve or any of the sale representatives listed.

Announcements

All announcements made from the auction block sale day by the owner or the auctioneer will take precedence over statements in the sale catalog.

Liability Note

Everyone attending this sale does so at their own risk. Neither the owners or their employees assume liability, legal or otherwise, of any accidents which may occur.
