# BEST OF THE MIDWEST Sale

Welcome to the inaugural “Best of the Midwest” Hereford Sale. What started as a brainstorming idea has quickly become a reality—one that I truly believe will make a lasting impact on the Hereford breed for years to come.

The foundation of this sale is simple: a “back to grass” event that both Midwestern and nationwide cattlemen can capitalize on, with quality as the number-one selection factor. One of the greatest strengths of the Hereford breed today is that single-trait selection has largely disappeared from the conversation. Progressive operations across the country are finding value in different performance indicators—maternal merit, elite EPD profiles, and show-ring phenotype.

The Best of the Midwest Sale brings together producers offering cattle that not only excel in these areas individually, but combine them—while remaining grounded in functionality and real-world fundamentals. These are cattle built to work, and cattle that will generate profit.

As you study this catalog, I encourage you to look closely and identify the animals that will not only fit your program, but elevate it. The consignors in this sale have stepped up in a big way. During my visits to each operation, it was clear that every breeder targeted their very best offerings and shares the same passion I do for putting the strongest Hereford genetics possible into the marketplace.

There is genuine excitement from both the consignors and myself as we kick off this event. We invite you to come evaluate the cattle, take part in the auction, and enjoy a great evening of camaraderie following the sale. If you have any questions, please don't hesitate to reach out. I look forward to seeing everyone in Rockford on May 23rd.

All the best,

Noah Benedict

**TERMS:** Terms of the sale are cash or check unless prior arrangements have been made. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids.

Unless otherwise noted, the consignors of each female are reserving the right to one successful flush of every female in the sale, at the buyer's convenience, and the seller's expense.

**PURCHASE:** Each animal will be at the purchaser's risk as soon as sold and can be moved after settlement has been made.

**ANNOUNCEMENTS:** There will be a supplement sheet available sale day. Announcements at the sale ring by the manager or auctioneer shall take precedence over statements in the sale catalog. The owner is responsible for any statements or announcements regarding his consignments in the sale.

**HEALTH:** All cattle will have health certificates that will enable them to be shipped to any state. All bulls will sell with a Breeding Soundness Exam that was completed within 30 days of the sale. All females selling as "bred" will be checked and confirmed "pregnant" on their health papers.

**CONSIGNOR'S RESPONSIBILITY:** The seller is the responsible party for all representations made about their cattle. The management, auctioneer and sales staff of the sale assume no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and the seller.

**PAPERS:** The certificates will be transferred to the buyer at the seller's expense. All calves born after the sale are to be registered by the purchaser. No AI certificates are furnished.

**NOTE:** As the sale manager, Benedict Marketing and Consulting is only an agent for the seller and has no responsibilities other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the owners of the consigned cattle nor the Sale Manager or Host Ranch assume liability, legal or otherwise, for any accidents which may occur.

**WILL BE BRED AI PRIOR TO SALE DAY TO BAR JZ ON DEMAND.**

A 3 in 1 selling in today's market is worth the extra cash, especially this one. We believe this opportunity lays the foundation to be a staple cow family in anyone's pastures. Dark red, pigmented, flawless structure, with all kinds of body and proven power cow pieces. Even better, the flashy Ghostwood heifer calf at side is going to be just as productive. May 23rd you can have the oven, the cookie that just came out, and the one baking inside!

The first box any animal should check is the one when you're looking at them in the pen and this one certainly does that. Good about her angles, bold centered, and balanced from the side, she's easy to get attached to. Strong maternal bloodlines from the bottom side is what makes her a moderate, easy doing, and durable built one that will never lose trendiness. Still big carcass incentives with a big ribeye figure!

Try to find a hole in this one I bet you can't! Nothing can go wrong when you lay a fault free structure into your calf crop. I can see the soft center body and proportionate build siring an impeccable set of females and read his numbers, they say his progeny will have the carcass merit everyone is chasing.

Being invited to the Best of the Midwest Sale was an honor — and when deciding what to bring Tag 4208 was the no-brainer. Her pedigree sets the stage: one of the most impressive Distinct daughters we've ever seen, backed by the timeless influence of Zoey 3Z, a cow that needs no introduction in any serious conversation. She's the kind that stops you in your tracks — long-necked, feminine, and bold in her rib shape, yet still massive at the ground with a big foot, deep heel, and the kind of build that holds up year after year. She holds 15 traits in the top 25% of the breed. Everything about her reads donor quality. An impressive Final Print heifer calf at side.

A complete Masterplan daughter whose angles and structural integrity read longevity from the start. Flat-shouldered, long-bodied, and level-hipped, she's the kind built to stay sound and productive for a long time. We've really enjoyed how Masterplan has worked on our cows, and this female is no exception – balanced, correct, and easy to appreciate. She carries a beautiful udder with ideal teat size, adding even more value to an already functional, long-term kind of cow. With a standout Gold Rush heifer calf at side.

Feminine, long-necked, and flat-shouldered, this heifer reads maternal from every angle. She's incredibly deep-bodied and set back in her angles, giving her the flexibility and comfort that make cows last. Her profile is clean, attractive, and genuinely intriguing — the kind that stays consistent day after day. Her dam is a stout, easy-keeping favorite around the ranch, and this daughter follows that mold with even more look, balance, and brood-cow potential.

If there's one that represents Bentley to a T, it's this female. She's the kind that makes you excited about where his daughters are headed — quick to grab your attention with that next-level presence and the unmistakable build he stamps so consistently. Depth of body, feature, and genuine skeletal quality all come together here in a way that feels effortless. We've retained every female out of this cow family, and for good reason. Letting one like this leave is no easy task, but this is the Best of the Midwest — and she deserves to be here.

Brood. Cow. Power. Dark red, red-eyed, robust-ribbed, and square built – this one is the definition of mass and maternal punch. She’s wide where it matters, bold in her dimension, and carries true muscle shape from end to end. If you’re looking for a female that can raise bulls with power and presence, this is the kind that makes you believe in that future. On paper she brings the heat too, with big-time growth and carcass predictions that match her physical build. And here’s the kicker – her dam is the maternal sister to Distinct, stacking even more proven cow power behind her.

We think this cow is a gem! This cow/calf pair is what we strive to produce. When it comes to eye appeal, balance, udder development, and fleshing ability, this cow excels and she has certainly passed this on to the heifer calf selling at her side. Unlimited potential here to generate some revenue. Be ready to bid, as it's not easy for us to let this one go. She has had a weaning ratio of 112 on 2 of her calves.

It only makes sense to have a Chuma daughter in a sale hosted at Perks Ranch!! TONS of capacity, depth of rib, plenty of eye appeal and a great udder. As an added bonus, we love her heifer calf selling at her side, one of the best of our 2026 calf crop. She's backed by an exceptional cow family in the 0104X cow. Her Houston heifer calf at side is just as impressive.

We love raising bred heifers like this one. Just an all around, good heifer! Her mother, 0104 has produced past high sellers in several of our past sales. This heifer has the depth, power, and look to be successful. Loads of performance here and will have impact wherever she goes. You choose which one you like best between lots 17A and 17B. Two females for the price of one! We loved this Logic daughter as a calf, and we love her even more as a cow! Powerful, sound, with the extra look put in a maternal, moderate package. If we didn't have 4 maternal sibs in production, she would not leave Clayton, IN. We could write a book about what A17 has done for our program, and we feel M406 is a spitting image of her dam.

**3 IVF EMBRYOS - GAURANTEE OF 1 PREGNANCY IF PUT IN BY A CERTIFIED EMBRYOLOGIST**

We strive to create cattle who can bridge the gap between the show and seed stock industry, and J02 is the epitome of just that. Elite looking, elite numbered. We felt Trademark would be a unique mating, and it has worked great. We have multiple full sibs to these embryos on the ground this spring and we are thrilled with the quality!
