Online Broadcast & Bidding Provided By:

DVAuction
Broadcasting Real-Time Auctions

Real Time bidding and Proxy Bidding Available

Online bidding will be available through the DV Auction platform. **Bidders will need to register to bid specifically for this sale as a Blue Grass Stockyards event.** We will approve bidders at the discretion of the sale management up until 1 hour prior to the sale. If you have issues getting registered please call the sale office at 859-255-7701. **Even if you have a general DV Auction account that allows you to bid on the online sales that they conduct themselves you will still need to register to bid on this event.**

Terms and Conditions: Terms of the sale are cash or check. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids.

Announcements: Announcements made from the auction block take precedence over the printed matter in the catalog.

Herd Health: All cattle will have health certificates that will enable them to be shipped to any state.

Certificates and Transfers:

The certificates will be transferred to the buyer at the seller's expense. All calves born after the sale are to be registered by the purchaser. No AI certificates are furnished.

Purchase: Each animal will be at the purchaser's risk as soon as sold and can be moved after settlement has been made.

Other: The sale management and the Kentucky Hereford Association are only agents for the seller and have no responsibilities other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Sale management, the owners of the consigned cattle, nor the Kentucky Hereford Association assume liability, legal or otherwise, for any accidents which may occur.

Special Guests:

Steven Green – President, KHA
Melinda Watson, Secretary/Treasurer,
Kentucky Hereford Association
Emma Ballinger, Director, NJHA

• Here is a big, stout powerhouse of a bull that can handle a set of cows anywhere in America. Sound on his feet and legs and strides freely when he's on the move. He is the kind of herd sire that is sure to improve any cattleman's calf crop and produce a set of daughters that will carry maternal traits and characteristics for generations to come.

• Genomic tested approved.

- Straight Topp bred female that we think has a bright future. This donor cow in the making is short-marked, well-balanced and is out of a phenomenal young donor cow. We think this heifer could follow in her mother's footsteps.
- She is bred to Stelplflug Next Step (44594597), due on 1/25/27. We think that calf could be a home run.
