BG 1673 Dynamic 220L - Sire of Lot 8

To be honest, this is one we debated to sell. Her mother is a first time momma that is a massive specimen of a beef cow with an awesome udder. This heifer is truly the kind we are striving to raise. Square made, wide built, super sound structured, and still good looking with more than enough size and growth. This one shows, but makes a Big Time momma cow!

# SUMMER ET HEIFER CALVES

Here's a summer born heifer that has the goods! Extra quality, foot and bone work and the looks to burn. National champions both top and bottom of her pedigree. Built and bred to a good one and she fits the bill. She will be a force in the summer division.

Here is a full sister to lot 7 and a herd bull deluxe in the making. Extremely smooth made with added length and quality. Nearly ideal cosmetically, red eyed, red necked and red to the ground. He's backed by a power cow, that generates an added punch. A versatile breeding piece that has lots of potential.

# BG LCC COMMON GROUND 13N - SEMEN PACKAGES

Homozygous Polled. As his name implies, we feel this bull covers both sides of the equation to offer some Common Ground. Appealing both phenotypically and on paper! He reads with a progressive set of genetic predictors that ranks him in the upper percentile in 12 traits. Visually he's nearly ideal, dark red, red eyed, and red to the ground. He's extremely athletic and has added substance and power for a calving ease option. Raised by our good friends at Goehring Herefords, and backed by a mouth watering mother. We strongly believe the genetic punch coupled with his visual quality makes this guy a go to sire! *Offering 10 packages of 10 units of semen and 10 certificates.*

# FALL ANGUS ET HEIFER CALF

Top Line Erica 7034 - Dam of Lot 16

Another 7034 daughter from HTF that has awesome body shape and an incredible set of feet and legs. Her full sister caused a buzz on snapchat earlier this spring and landed in a great home for this summer. Awesome show heifer, but her true calling may just be a future donor cow.

Full Sister to Lot 17

Reserve Champion Maine Angus Ring A 2026 Illinois Beef Expo Full sister to one that resides in the twins show string that has gathered many banner this winter. Striking presence, square built, and super gentle attitude. Youthful and fresh this summer, and will make a hammer senior yearling next year.

# FALL MAINTAINER HEIFER CALF

KMEM Estella 764 ET - Dam of Lot 18  
4th Overall 2024 Wisconsin State Fair

“Stella” is going to be a name you will hear around here a lot in the near future. She would have been Regan’s Maine-angus from 2024 that had a ton of success and is already looking to be a promising donor cow. This Maintainer has her mommas look with a shot of extra punch to her. First year tame, big league hairs, and loads of quality!
