

GEORGIA'S BIG EVENT

THE **Mend** PROGRAM SALE

MEMORIAL DAY
MAY 25, 2026
Midville, Georgia

OT

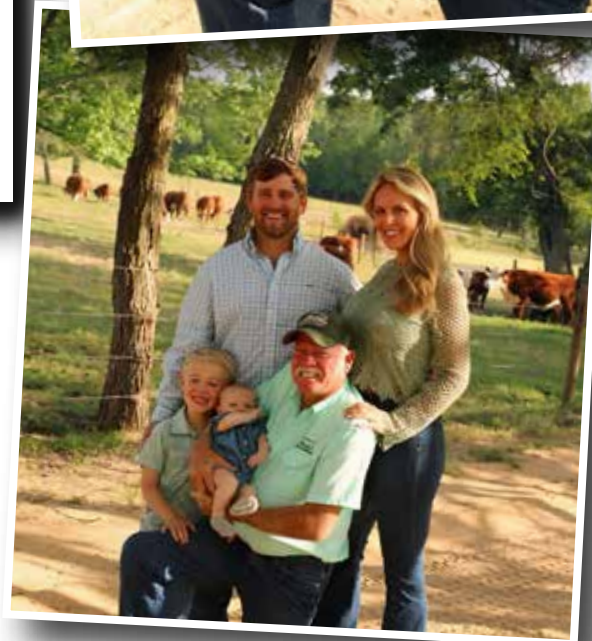

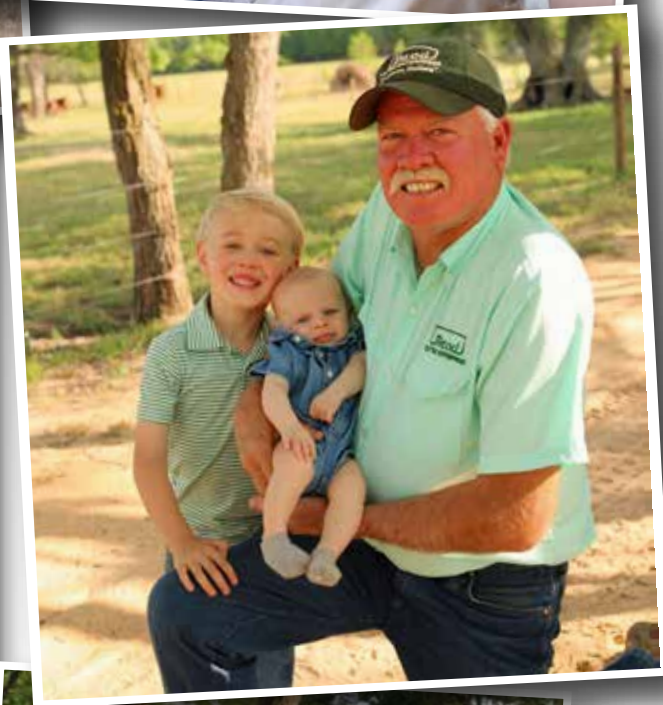

Hello fellow cattle friends,

It is with an excited heart that I welcome you and your family to Mead Cattle Enterprises on May 24th and 25th for **“Georgia’s Big Event!”** Please be sure to join us Sunday afternoon for dinner and fellowship. My family and I are excited to see you all!

Well, my friends, what a time to be in the cattle business! For almost 50 years I have been breeding and selecting cattle who will survive and thrive not only in the Southeast, but other environments as well. My view of selection for basic traits is not so basic to me, for they are essential. One of my philosophies is, “You will never change what you have learned to tolerate.” Change in the cattle business is always possible, but it begins only when we learn to not tolerate things that are problems. At Mead Cattle Enterprises, we will not tolerate bad feet, bad udders, bad attitudes, infertility, and lack of fleshing ability. These traits are basic to some, but to me they are essential for profitability.

Please join us Memorial Day weekend for **“Georgia’s Big Event!”** As always, if I can answer any questions or be of assistance in any way, please give me a call. See you soon!

Tommy Mead

Lot 5 – THM THORNTON 5009 ET

HUTH CLC WF DELUXE KO16 – Sire of Lots 4 & 5

- Full brother to Lot 4.
- Thorton comes in a bit more moderate package than his brother. He is so masculine, deep, big ribbed, and easy doing.
- Can't begin to tell you how pleased we are with our progeny of Deluxe. Combined with this cow family these two brothers should be cow herd builders.

Lot 6 – THM SILVERMAN 5092

THM 66589 DAHLIA 0237 ET – Dam of Lot 6

- We have been so pleased with how Steadfast worked in our herd. This bull is high quality, massive in his design, sound footed, and looks like a herd bull.
- His dam is a full sister to our herd sire Patron, who has several offspring in this sale.
- We believe it's all about the cow family. This one can't miss with the powerhouse females on both sides of his pedigree.
