WMC Cattle Co.

As I sit down to write this and reflect on the past, it is difficult to put into words what this sale means to my family and I. This will be the final sale for WMC Cattle Company, and with it comes the bittersweet closing of a chapter that has shaped most of my life.

Our Hereford program traces back to cattle my family began raising in the 1920's. What started as a commercial Hereford herd transformed into a small Trojan-influenced registered herd that grew into a lifelong commitment to producing practical, honest cattle. We've always focused on cattle that work for real-world producers — easy fleshing, maternally strong, sound structured, and backed by dependable genetics. If it didn't make sense or work in our environment and pastures, it didn't stay here.

Every cow in this offering represents years of careful selection and hard decisions. These cattle weren't built overnight. They were developed through droughts, tough markets, long nights calving, and a deep belief that good cattle still matter. I'm proud of the consistency and predictability they've brought to our customers over the years.

To everyone who has bought a bull, a female, or simply stopped by to talk cattle — thank you. Your trust and friendships have meant more than you know. I encourage all young breeders to get out and see cattle from all environments, talk to breeders from coast to coast, and never be afraid to learn something new. This is an ever-changing business and we as progressive cattlemen and women need to be open to embrace change and use it for the good of our programs and the breed.

As you study this catalog, know that we are offering our very best — the heart of the WMC Cattle Co. program. We have poured ourselves into making the best Hereford cattle we can for our environment. I encourage you to find an individual that will allow you to take the next step in taking your program to the next level. It's bittersweet, but I'm grateful these cattle will go on to build strong herds for the next generation.

*Sincerely,
Travis McConnaughy*

WMC Cattle Co.

RAISING HEREFORDS IN OZARK COUNTY, MO SINCE 1926

WMC Cattle Co.

The history of WMC Cattle Company is built on generations of hard work, perseverance, and a passion for raising quality Hereford cattle. What began with a young family building a farm from the ground up eventually grew into a respected program focused on practical, productive cattle. Through decades of dedication, Calvin and Jean Watson laid the foundation for a herd built on maternal strength, soundness, and performance. Today that legacy continues through Travis and his family, carrying forward the same principles that started it all.

OUR HISTORY

1923 Calvin Watson was born in Healy, Kansas.

1926 Oscar and Beulah, along with their six children, moved back to Romance, Mo., after surviving a life-threatening blizzard. Oscar worked on a ranch and sent money home to his parents so they could purchase land. When the family returned home, Oscar bought several commercial Hereford cattle and began building a farm on the land he had acquired.

Oscar & Beulah

1942–1944 Calvin was drafted into the Army and first landed in North Africa. Over the next two and a half years, he served across Italy, France, Germany, and Austria. Calvin held the rank of Corporal and received the Purple Heart after suffering a head wound in France. Calvin later joked that it proved he was hard-headed — otherwise he wouldn't still be alive.

1952 Calvin married Ella Jean Hawkins. The couple built their home on the family farm where Travis and Aubrey live today. Calvin worked alongside his father as partners in the farming operation, gradually adding land as it became available. Calvin and Jean also built a milk barn and milked cows by hand, using the dairy income to help grow the farm.

Calvin & Jean

1959 Calvin and Jean welcomed their only child, Marsha, who is Travis's mother. Calvin and Jean began traveling to various Hereford herds and developed a growing interest in the breed.

1967 Calvin traveled to Kansas to visit Delbert Johnson of Johnson Bros. Polled Herefords. During that trip he took an important step toward the registered Hereford business by purchasing a yearling bull, JB Polled Trojan. Soon the bull was being used through AI in several Hereford operations, giving Calvin and Jean growing recognition within the Hereford breed.

JB POLLED TROJAN

1970 As the registered side of the operation gained momentum, Calvin and Jean rapidly expanded their herd and began selling commercial bulls across a wide area. The Trojan cattle were known for being big, stout, with exceptional maternal traits the cattle industry was demanding at the time.

Marsha & JB DOUGHBOY

Oscar & JB DOUGHBOY

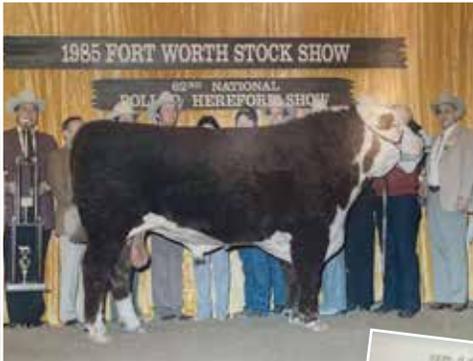

WMC Cattle Co.

100 YEARS RAISING HEREFORDS

Cattle Co.

1981 Travis was born to Jim and Marsha. Around this same time, Calvin had taken an interest in the show ring to further create demand for his cattle.

1985 Calvin and Jean, along with partner Glen Klippenstein, showed the National Champion Bull at Fort Worth, WAT GK DISCOVERY. Discovery dominated everywhere he was shown.

WAT GK DISCOVERY

They later sold a one-third semen interest to JAC's Ranch, and semen was exported to five continents. Discovery went on to sire many successful progeny, including GK RACE.

1999 After growing up raising Herefords and tagging along with Calvin whenever he could, Travis graduated high school and left the farm to attend college.

2004 Calvin and Jean were inducted into the Missouri Hereford Hall of Fame.

Travis returned to the farm to help Calvin and Jean as age began slowing them down. During this time, he helped with daily chores while also working off the farm.

2011 Calvin and Jean shifted management of the farm and cow herd to Travis. He assumed responsibility for 66 cows and two herd bulls, operating under the updated name WMC Cattle Company.

2013 Travis purchased two donor cows at the Grandview CMR Dispersal. These cows became an important cornerstone bloodline for WMC. These cows were GRANDVIEW CMR MS MATERIAL 9328 and GRANDVIEW CMR MS P606 X103.

Travis's oldest son, Jett, was born on October 8th, 2013.

2014 A trip was made to NJW Polled Herefords to purchase an influential herd bull, NJW 135U 10Y HOMETOWN 63A ET. He added big time performance to the maternal WMC cowherd.

NJW 135U 10Y HOMETOWN 63A ET

WMC Cattle Company was awarded Missouri Farm Bureau Farm Family of the Year.

2015 Travis's youngest son, Watson, was born on July 28, 2015.

WMC 37E 9328 BERTHA 36C ET born 3/2/15 – She sells as lot 236. She is a calf raising machine and carries on the Polled Trojan bloodline. She combines the influential donor Grandview CMR MS MATERIAL 9328 with the WMC foundation herd sire, JB POLLED TROJAN. She is a tank and exemplifies the important traits of maternal strength, udder quality and efficiency that have made WMC Cattle Co.

WMC 37E 9328 BERTHA 36C ET

WMC Cattle Co.

RAISING HEREFORDS IN OZARK COUNTY, MO SINCE 1926

WMC Cattle Co.

Our History ... continued from page 3

2019 WMC Cattle Company held its first annual female production sale, averaging just under \$6,000 with an overwhelming crowd on sale day.

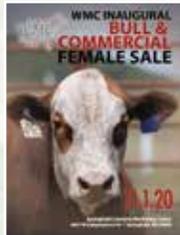

2020 WMC hosted its first bull sale at Springfield Livestock Marketing Center in Springfield, Missouri.

WMC acquired the Messi Hart cow herd from Jim and Cheryl Leibhart. The herd was built on many of the same principles WMC valued. A cornerstone female from the group was C&L Loewen Reva X51 20A, who became a very influential foundation cow for WMC. She has 10 daughters selling in this dispersal.

WMC Cattle Company was named Missouri Hereford Purebred Breeder of the Year.

2021 Travis was elected to the American Hereford Association Board of Directors. During his four-year term he served as Chairman of the Hereford Publications Committee for two years and was also Chairman of the Breed Improvement Committee for one year.

2021-2022 Travis served as the President of the Missouri Hereford Association for two years.

C&L LOEWEN REVA X51 20A

2023 Travis began dating his fiancée, Aubrey. After about a year of long-distance dating, they became engaged and Aubrey and her daughter, Addison, moved to the farm. Aubrey works for ShowMe Genetics and is involved in the daily work at WMC.

Travis & Aubrey

2024 WMC D87 2C MOONSHINE 507K ET — Jett and Watson's bred and owned bull shown by Watson McConnaughey was selected as the Grand Champion Bull in the Junior Show at the Ozark Empire Fair, and NAILE Champion Senior Bull Calf.

WMC D87 2C MOONSHINE 507K ET & Watson

GG MCF VERIFIED MERIT 323L was purchased August of 2024 with CMR Herefords. This influential herd bull was chosen for his impressive combination of Genotype and Phenotype and was turned out in the fall of 2024 breeding season. There are 72 sons and daughters being offered in the dispersal as well as his service sells.

GG MCF VERIFIED MERIT 323L

2026 After much prayer, thought, and consideration, WMC Cattle Company made the decision to disperse all registered Hereford cattle. While this program has meant so much to our family, we feel it is important to dedicate more time to our children during these important years of their lives. Jett and Watson stay busy with baseball and basketball, and Addison is involved in gymnastics. These seasons of life pass quickly, and we want to be present for every practice, game, and moment along the way. Raising Hereford cattle has been a tremendous blessing and a passion we have cherished, but being the best parents we can be is what matters most to us.

Oct. 25, 2025 — AHA president, Austin Snedden (right) and the Association thanked retiring AHA Board members for their dedicated service: (from left) Chad Breeding, Lou Ellen Harr and Travis McConnaughey.

WMC Cattle Co.

SALE INFORMATION

Cattle Co.

Cattle are available for inspection any time before the sale. Please call in advance so we know you are coming.

SCHEDULE OF EVENTS

FRIDAY, APRIL 17

Cattle will be on display all afternoon.
Dinner will be served at 6 p.m. CST

SATURDAY, APRIL 18

Cattle will be on display until sale time.

Food and refreshments will be available throughout the day.
11 a.m. CST – WMC Cattle Co. Complete Dispersal

Cattle load-out will begin at 3 p.m. cst and we will load out until dark. Reliable truckers will be available sale day. We will work to put loads together to get your purchases to you at the lowest possible cost to you. Please contact Travis McConnaughey or Dustin Layton for assistance in making trucking arrangements.

Note that the frozen inventory that is not in the live portion of the sale will be dispersed on Friday evening, April 17 on smartauctions.co race-horse style at 7:00 p.m. cst.

- 12N is an elegantly designed Madate daughter that is a phenotype standout who is conservative in her markings and ring eyed. She is a square hipped, big-middled female with tremendous depth from her flank to her fore rib that has a beautiful head and neck extension that ties into her shoulders high, all of which is supported by an impeccable structural design that is built correct from the ground up.
- Dam sells as lot 201.
- A.I. bred on 4/3/26 to Stellpflug Next Step.

 Dam of Lot 32 sells as Lot 99

- 73M is a beautifully designed female that is built correct from the ground up on a big foot. She features a square hip design, broad top with added shape and a massive rib cage with extra depth and width throughout her center portion.
- This young Merit daughter possesses a remarkable GE-EPD profile and when you run minimum EPD sort with her combination of WW, YW, TEAT, Udder, BMI, BII and CHB, she along with her sire are the only two that surface.
- 73M offers moderate birth with rapid and superior growth, impressive maternal prowess and breed leading carcass traits that rank in the upper echelon of the breed.
- Her strong maternal qualities are bolstered by her dam, Madeline 86G, who stems from the X103 female that was a prolific donor for WMC with 59 progeny registered.
- Dam sells as lot 99. Maternal sister sells as lots 88.
- A.I. on 11/30/25 to Stellpflug Next Step 4014. Ultrasound checked safe to A.I.
- P.E. from 12/12/25 to 2/27/26 to WMC EF 18051 9G Devotion 5K.

- 103M is a big bodied, eye-appealing daughter of Merit from the highly productive 7532E donor flush that sells as lots 33 through 37. She definitely offers the most calving-ease and maternal prowess of the sisters with a striking look, yet still possesses the growth, carcass and fertility that make this group of sisters so appealing.
- Pay attention here the progressive breeders will be lining up to add these proven genetics to their programs.
- She is backed by the Dam of Distinction, /S Lady Trust 7532E ET, that is a beautifully designed donor with average progeny ratios of 9@ 92.4 for BW, 7@ 107.7 for WW, and 3@ 100.7 for YW.

lot 37

- Dam sells as lot 160. Full sisters sell as lots 33-36. Maternal sister sells as lot 174.
- P.E. from 12/12/25 to 2/27/26 to WMC EF 18051 9G Devotion 5K.
- P.E. from 2/28/26 to 4/1/26 to WMC 8G 04F Benton 63M.

- Homozygous Polled
- 101M is deep bodied female with excellent style, balance and power sired by Merit and out of the 128G female that sells as lot 141 and is a full sister to the lot 2 donor 138G who stems from the WMC matron donor Reva X51 20A.
- She offers an impressive numerical package that includes calving-ease, rapid growth, fertility, maternal strength, and value-added carcass traits.
- 101M is the only female in the AHA database with her combination of CED, WW, Teat, Udder, Marb, BMI and BII.
- Females of 101M's caliber are hard to replicate and I predict that whoever buys this female will be even more proud of her once she gets into production.
- Dam sells as lot 141. Maternal sister sells as lots 132.
- A.I. on 11/30/25 to Stellflug Next Step 4014. Ultrasound checked safe to A.I.
- P.E. from 12/12/25 to 2/27/26 to WMC EF 18051 9G Devotion 5K.

- Homozygous Polled
- This Merit daughter is a powerfully constructed female with tremendous depth and spring of rib. She is stout featured with a square hip design with added style and balance in a conservatively marked package with pigment.
- Her GE-EPD profile features calving-ease with rapid growth, maternal quality, highly sought after marbling and her CHB at +196 ranks securely in the top 1% of the breed.
- 62M is the type of female that it takes to raise herd bulls that check all the boxes.
- Full brother sells as lot 120.
- P.E. from 12/12/25 to 2/27/26 to WMC EF 18051 9G Devotion 5K. Ultrasound checked safe 4.5 months.

- Homozygous Polled
- 131M stands out as an exceptionally well-designed female, sired by Devotion 5K and out of a first calf heifer. She is possibly the best built and most visually appealing female in the offering. She is built with a square hip design and impressive thickness throughout, providing a robust shape through the center portion of her body. Her front one-third is clean and elongated, complemented by a beautiful head with goggle-eyes. 131M's phenotype is completed with an impeccable structural design that is built to stand the test of time.
- 131M is a calving-ease female with rapid growth combined with strong maternal and highly sought after marbling.
- She is sure to be one of the sale features with her exciting combination of exquisite phenotype and sensational genotype.
- Dam sells as lot 168.
- P.E. from 12/12/25 to 2/27/26 to WMC 713 138G Nevada 31M ET.
Ultrasound checked safe 4 months.

- WMC 66589 Trojan Boss 194H is a heavily constructed and moderately designed Mandate son that is backed by a Cowboss daughter whose mother, WMC Y509 Trojan Vision 74A, is a Dam of Distinction.
- Trojan Boss is a calving ease bull with strong performance that offers superior maternal traits that sires incredible females with beautiful udders.
- His name pays homage to the foundation of the WMC herd that came from Travis' grandparents, Calvin and Jean Watson. The base of the cow herd goes back to JB Polled Trojan 37E who was born in 1966 that Calvin and Jean owned and became a transformative bull in the Hereford breed in the 60s and 70s. JB Polled Trojan 37E sired cattle that excelled at maternal, performance and had great udders. JB Polled Trojan can be found in the fifth generation of Trojan Boss 194H's pedigree. "Never forget where you came from, and who helped you get there."
- Full sister sells as lot 101. Maternal sister sells as lot 222.

- GKB Guardian 4192 was the featured lot 1 bull in the 2025 GKB Cattle Fall Bull Sale that Travis selected to use as a herd bull to turn out on the younger fall calving cows.
- 4192 is a powerfully built, deep bodied son of the record-setting C GKB Guardian 1015 ET! He is a standout for phenotype with an impeccable structural design and excellent testicular development. 4192 is short marked, red to the ground, heavily pigmented and offers top notch growth combined with highly sought-after marbling.
- He is backed by a young Belle Air 8123 daughter who stems from the prolific WMC donor C&L Loewen Reva X51 20A.
- If you value growth, carcass and style, look no further than 4192, as he excels in every aspect.

- **Homozygous Polled**
- Striking first calf heifer sired by Houston that is out of the GKB Cattle and Boyd Beef donor Rita 7208 that is a flush sister to Blueprint.
- L153 is a beautifully designed female with a long and level hip design, wide topped and big ribbed with a long and extended front one third. She is a big boned, big footed female with an impeccable structural design and comes equipped with a gorgeous udder.
- Her GE-EPD profile features top tier growth with fertility, maternal strength and superior carcass traits.
- L153 stands out due to the exceptional synergy of her pedigree, numerical data, and physical attributes. Such a comprehensive profile enhances her status, demonstrating both outstanding productive capacity and high breeding value. Additionally, she is accompanied by a notably impressive bull calf, further underscoring her future income generating potential.
- **P.E. from 12/8/25 to 2/27/26 to GKB Guardian 4192. Ultrasound checked safe 4+ months.**

- Homozygous Polled
- 128G is a flush mate full sister to the impressive lot 2 donor 138G. She is an eye-appealing, short-marked and stout featured female with added length of spine and comes equipped with a nice udder.
- She is backed by the prolific WMC matron donor C&L Loewen Reva X51 20A who has left a tremendous impact on the WMC program.
- 128G's unique numerical profile offers calving ease with superior growth, sustained fertility, excellent teat and udder, top tier ribeye and excellent \$ Values.
- She is the only female in the breed with her unique combination of CE, YW, SCF, REA, BMI and BII.
- Daughters sell as lots 38 and 132.
- Full sister sells as lot 2. Maternal Sisters sell as lots 13, 92, 142, 144, 146, 210, 219 and 220.
- P.E. from 12/7/25 to 2/27/26 to GG MCF Verified Merit 323L.
 Ultrasound checked safe 4 months.

- Homozygous Polled
- Herd Bull Prospect
- Remarkable look and powerfully designed bull sired by Verified Merit 323L in a dark red and conservatively marked exterior with pigment. 131N is a square hipped, thick ended and wide topped bull with expressive muscle shape that blends seamlessly into his bold center portion with extra depth from his flank to his forerib and balances nicely with an extended front one third. 131 is a big footed, stout boned bull that is very correct with an exceptional structure.
- His numerical profile features increased calving ease, moderate birth with curve bending growth, fertility, maternal proficiency and top-notch carcass with \$ values that rank in the upper echelon of the Hereford breed.
- He is backed by a fantastic Endure daughter that stems from the prolific herd bull producer HVH Oksana 4L 33N.
- BW 85 lb.

- **Homozygous Polled**
- Leading off the spring calving females is this exhilarating two-year-old Madate daughter that is a phenotype rockstar. 33M is a powerfully constructed female with a tremendous hip and hind leg, a capacious and bold center portion with an ultra-feminine and attractive head and neck design. She comes to us in an extremely conservative marked, dark red and ring-eyed exterior.
- 33M is a calving ease female with a big spread from birth to yearling with highly sought-after marbling.
- **Sells open.**
- **Lot 175A:** Heifer calf born 2/4/26 sired by NJW 202C 173D Steadfast 156J ET.

- Homozygous Polled
- 36C is built like a tank. She is a moderate, easy-fleshing and efficient calf raiser that never misses. She is sired by the WMC foundation herd sire JB Polled Trojan out of the influential donor Grandview CMR Ms Material 9328.
- She embodies the principles that the WMC Cattle Co. cowherd was built around: functional, easy fleshing, maternal proficiency, beautiful udders, sound structured and dependable genetics that work in the real world.
- Daughter sells as lot 18. Maternal sisters sell as lots 109, 158, 166 and 230.
- **Sells open.**
- **Lot 236A:** Heifer calf born 3/5/26 sired by GG MCF Verified Merit 232L.
- BW: 83 lb. Tattoo 42P.

HOW TO PARTICIPATE ON

1

CREATE AN ACCOUNT

Click "Register to Bid" on the top right corner of LiveAuctions.tv. Fill out the required information to bid online. Agree to the terms of service and finish with the "register" button.

2

REGISTER FOR A BUYER NUMBER

From the home page or the "all auctions" page, choose the sale you're interested in. Once selected, click the "request a buyer number" button. Verify your email address with the email verification link. To verify your mobile number, click "send token". Follow the steps to authorize your mobile device and click "submit".

3

BID SUCCESSFULLY

You will only have to complete the two-step verification process one time. After that, you will be able to immediately request a buyer number on any auction without verification. If you're a winning bidder, your lots will appear in your cart on the bottom of your screen. You will be contacted by the ranch or sale manager for your payment and shipping plans.

IF YOU NEED HELP REGISTERING TO BID OR TO VIEW THE AUCTION, PLEASE CONTACT TECHNICAL SUPPORT: 682-816-4900 OR TECHSUPPORT@LIVEAUCTIONS.TV.

WMC Cattle Co.

As we close this chapter at WMC Cattle Company, we want to sincerely thank every one of you who helped make it possible. To our customers who trusted our program and invested in our cattle year after year — your support meant everything. To the friends, neighbors, sale staff, and behind-the-scenes help who showed up early, stayed late, and worked without complaint — we could not have done this without you.

Your loyalty, hard work, and friendship have blessed our family more than words can express. We are deeply grateful.

Thank You
