- Our commitment to sell our best starts here.
- Deluxe has been the most impactful sire we have used this year. Even with the limited number of calves we have had from him, it is evident of the breed improving qualities he transmits
- Unfortunately, this is the only heifer we got out of this flush. Her mother is a tank.
- N70 has the phenotype, pigment and EPD profile to be a herd builder.
- She is a full sister to Riley's Lots 55 and 56 as we co-own their donor dam.

C.B. FORREST & SON

The Store of Quality

Not only does the Forrest family have Forrest Polled Hereford Farm, but C. B. Forrest & Son has been in the family for 99 years.

The North Main street store was established in October of 1922 by Mr. Cally Forrest. His son, Earl, and Harold Forrest carried on the tradition. Earl's son, Brad Forrest, became a partner with his dad and has kept the tradition going. They prided themselves by having quality clothing for their customers and courteous service.

This tradition is still going strong.

Please visit our store while you are in town!
