Lot 1

This heifer is the only female from this cow family to ever leave our farm. Her granddam T503 is arguably the best cow ever to walk our pastures. T503 and four of her daughters make up a significant part of our herd of 13 cows. T302 is short marked, dark red, big bellied, moderate framed, and an easy keeping kind of female. A Titanium daughter and her bull calf were one of the high selling lots in last fall's J&L sale. T302 sells open. All proceeds from the sale of this heifer will be donated to the SOPHA Scholarship Fund. EPDs: BW 3.0 WW 56 YW 94 MM 30 M&G 58 REA +.44 MARB +.09 CHB\$ 120.

If you remember the Long Haul bull we sold two years ago, this is a maternal brother that is patterned much the same, just darker red with goggle eyes. His dam 11C consistently has excellent calves and has a picture perfect udder at 9 years old. A maternal sister is one of the top cows at Wilson Stock Farm in Kensington. His own performance, pedigree, and EPDs indicate he should transmit moderate birth weight, plenty of growth and milk. He ranks in the top 6% of the breed for carcass weight and ribeye area, and in the top 10% of the breed for all three performance indices. Actual BW 84 WW 638 yw 1100. On 2-17-24 he weighed 1100 and scanned .21 rib fat and a 12.0 ribeye. DNA tested clean pedigree and homozygous polled. Will be semen tested before the sale. Nadean is a nice solid 2 year old with a neat pretty udder, a big hip, and she is easy to work with. She is doing an excellent job mothering her fancy Blueprint bull calf at side. She was our pick of the heifers at the 2022 Mohican West sale. We had all intentions of keeping Nadean for many years when we purchased her, but we are buying too much hay and have too much mud and are cutting back on cows. Check out her nice EPD profile, high CE, low BW, with good growth coupled with top of the breed GE-EPDs for U,T, M, SCE, and REA. We plan to rebreed her AI before the sale. DCL Miss Atty 2342 is a feminine, smaller framed, deep red heifer with goggle eyes. She has not been on feed long and is still impressive. Her mother was a great show heifer coming from Keith Ullman. Atty's mother was competitive when shown in the Ohio BEST program and she was also Champion Hereford Heifer at our county fair in 2021. We feel as Atty matures she will follow in her mother's footsteps, not only in the showing, but also as a mother. Atty was one of our last calves in 2023 so she weaned earlier than we liked.
