

VOLUME III
GKB CATTLE & BARBER RANCH

The FEMALE EVENT

SATURDAY • 1 P.M. CST **DECEMBER 13, 2025**
DESDEMONA, TEXAS

DEAR *Friends,*

It is with great pleasure that we welcome you to our third annual Hereford Female Event with Barber Ranch. GKB Cattle and the Barber Family have worked together diligently to create an offering that we are both proud of. We have enjoyed our friendship and partnership with the Barbers over the past years and are excited to have the opportunity to team together and offer these Hereford females to customers.

The foundation of our herd is built upon more than 17 years of proven cow families. We strive to further these genetics with functionality, soundness, and maternal strengths being at the forefront of every breeding decision. We are very proud of the females that make up this offering, as the quality runs deep.

Our program is geared toward producing cattle that are profitable for the entire industry. We have an extensive ET and AI program that gives us the ability to be very selective with our matings, enabling us to continue to produce superior genetics. We also utilize individual performance records, ultrasound data, and Genomic Enhanced EPDs (GE-EPDs) on our cattle to ensure what we offer is something we can stand behind. We put a large emphasis on producing females with exceptional EPDs.

Come early and view what we have to offer your program. Videos of the females are available at liveauctions.tv and at live-ag.com. We truly believe that the individuals in this December 2025 offering have a ton of potential to have a true impact and influence within the beef business. Your success is our success! We want to also thank all of our customers for their continued support, as we wouldn't be able to do this without them.

We can't wait to see you in Desdemona!

Gary and Kathy Buchholz

Thank YOU

We want to give a heartfelt thank you to ALL of our employees for giving their support and dedication to our entire operation. Without the GKB Cattle employees we could not do what we do in the cattle industry. We want to say a BIG THANK YOU!

– Gary & Kathy

Desdemona

GKB CATTLE AND BARBER RANCH RETAIN THE RIGHT TO
1 SUCCESSFUL FLUSH, CONSISTING OF 6 TRANSFERABLE
EMBRYOS ON THE LIVE FEMALES SELLING.

AIR TRANSPORTATION

The Dallas/Fort Worth International Airport, Irving, TX, is approximately two hours from the GKB Sale Headquarters. Love Field, Dallas, TX, is approximately two hours from the GKB Sale Headquarters.

Private Airports Stephenville Clark Regional is approximately 30 minutes from the GKB Sale Headquarters.

Eastland Municipal Airport is approximately 25 minutes from the GKB Sale Headquarters.

INSURANCE

Livestock mortality insurance will be available on sale day.

TERMS & CONDITIONS

Cash or check. Cattle will be sold to the highest bidder. The auctioneer shall settle any disputes as to bids. All cattle are to be paid for by the purchaser during or immediately following the sale and will not be released until after settlement has been made. Each animal will be at the purchaser's risk immediately after it is sold. All cattle will sell under the Suggested Terms and Conditions of the American Hereford Association.

HEALTH

The health of the cattle selling is excellent. Each animal will be accompanied by an individual health certificate for immediate interstate shipment.

ANNOUNCEMENTS

Announcements made sale day from the auction block will take precedence over statements in the catalog or other advertising. We reserve the right to withdraw any sale lot not meeting our specifications prior to sale time.

LIABILITY

All persons who attend the sale do so at their own risk. Neither the owners nor any other persons connected with the sale assume liability, legal, or otherwise for accidents or loss of property.

TRUCKING

Trucks believed to be reliable will be available to assist you with your purchases. GKB and the sale management will work with you to get your cattle to you as quickly and as efficiently as possible.

DISTANT VIEWING + BIDDING

If you are unable to attend the sale, please log on to liveauctions.tv or live-ag.com for online bidding, or give us a call and we can assist you with your purchases.

LiveAuctions.TV

LiveAg

1 CREATE AN ACCOUNT
Click "Register to Bid" on the top right corner of LiveAuctions.tv. Fill out the required information to bid online. Agree to the terms of service and finish with the "register" button.

2 REGISTER FOR A BUYER NUMBER
From the home page or the "all auctions" page, choose the sale you're interested in. Once selected, click the "request a buyer number" button. Verify your email address with the email verification link. To verify your mobile number, click "send token". Follow the steps to authorize your mobile device and click "submit".

3 BID SUCCESSFULLY
You will only have to complete the two-step verification process one time. After that, you will be able to immediately request a buyer number on any auction without verification. If you're a winning bidder, your lots will appear in your cart on the bottom of your screen. You will be contacted by the ranch or sale manager for your payment and shipping plans.

IF YOU NEED HELP REGISTERING TO BID OR TO VIEW THE AUCTION PLEASE CONTACT TECHNICAL SUPPORT

(682) 816-4900

OR

TECHSUPPORT@LIVEAUCTIONS.TV.

- 1. VISIT LIVE-AG.COM**
Navigate to the "Purebred" tab, located in the main menu. Select the auction of choice.
 - 2. LOG IN / CREATE AN ACCOUNT**
Select the "Login or Create an Account" button. Fill out the required fields to bid online. Agree to the terms of service, and finish with the "Register" button." An account is not necessary to watch an auction.
 - 3. REGISTER TO BID**
Once logged in, find your sale of choice and click "Register to Bid". Agree to the terms and conditions, and click the "Register" button. Your request will be approved in a timely manner.
- * CALL OUR TEAM WITH ANY QUESTIONS**
We're dedicated to ensuring you have a positive bidding experience. Please call **817-533-6699** with any questions.

- What an impressive show and donor prospect to kick off the 2025 edition of "The Female Event." N105 has been a favorite of many visitors who have stopped by and for good reason. This red-eyed and bold ribbed beauty that is sired by the \$105,000 valued many-time National Champion Horned Bull, BR GKB Winchester 1314, is an absolute beast. She is elegant and angular through her front one-third, blends smoothly into her shoulder and back into her massive, sweeping rib cage with extra depth from her forerib back into her flank. She has plenty of shape down her top line and carries it down low into her stifle. Her structure is impeccable and is built to go the distance. The future is bright for this young female.
- Her donor dam, Hawk Dana 201 ET is a direct daughter of Happ Mirage 1327, who has been one of the most consistent producers of high sellers and National Champions for quite some time and sold over \$375,000 in progeny in the 2024 Female Event. Dana 201 in her first set of ET's has knocked it out of the park and looks to be following in her dam's footsteps.
- Full sisters sell as lots 2 and 3.
- Ranks in the top 11% for YW.
- Sells open.

- Powerfully built daughter of Hawk Dana 201 ET sired by BR GKB Winchester 1314, the many-time National Champion Horned Bull who sired the 2025 Reserve Grand Champion Horned Female at Cattlemen's Congress that sold in last year's sale as lot 12. N100 is stunning on the profile and sound on the move with all the extras one looks for in a great female. Long and level in her hip design, big topped, huge middled with extra depth from her flank to her forerib, and clean and extended through her head and neck. This one will be in the hunt every trip out.
- Full sisters sell as lots 1 and 3.
- Ranks in the top 1% for SC; top 2% for YW; top 5% for WW; top 12% for CHB.
- Sells open.

N100's and N102's donor dam, Dana 201 is sired by Dominate and out of the famous dam of high sellers and National Champions, Happ Mirage 1327. Dana 201 was shown successfully by Nolan Lee and was the Division 10 Champion Polled Heifer at the 2023 JNHE.

- N104 is a bold ribbed, stout made female sired by BR GKB Winchester 1314 that is dark red, fully pigmented and is the heaviest boned of the three flush sisters out of Hawk Dana 201 ET selling as lots 1-3. She is loaded with power, balance and style and could be the sleeper in the flush as she is the youngest of the group.
- Full sisters sell as lots 1 and 2.
- Ranks in the top 7% for YW; top 9% for WW and UDDR.
- Sells open.

• **HOMOZYGOUS POLLED**

• Melissa May 5192 is an eye-catching female sired by Makers Mark 229G that has all the pieces to be a show heifer deluxe. She puts all the right pieces together including a beautiful and elongated front end that blends perfectly into her shoulders, then back into a big and wide rib cage and elongated skeletal design. She has a smooth yet powerful muscle shape over her top and carries it well down low and sets down on a big foot with a solid structural design. Her style and presence are sure to catch your attention as she moves around the pen with grace and power.

• 5192 also has an impressive numerical profile which only elevates her value as she goes into production.

• Ranks in the top 4% for CW and CHB; top 5% for REA; top 7% for BMI; top 8% for BII; top 9% for UDDR.

• Sells open.

- Brianne 5288 is an absolutely stunning March polled daughter of Makers Mark 229G that is long and square hipped, bold and soft through her center portion and exquisite through her head and neck. She has an impeccable structural design and travels with grace. 5288 is soft haired and has near perfect markings for the show ring. It is hard to pick a hole in this female and she is definitely one that will stand plenty of competition at any level.
- She offers added calving-ease with growth and strong maternal traits that will be beneficial as a cow in production.
- *Ranks in the top 1% for SC.*

• HOMOZYGOUS POLLED

- Brielle N108 stands out as one of the premier donor prospects available in this offering. Notably, she is the very first Legion daughter GKB has offered, adding a unique opportunity for buyers. Her pedigree is exceptional—she is sired by Legion and out of the impressive Brielle 1105 donor, a female that traces directly back to the renowned Barber Ranch matron Gabrielle 5082. The Brielle 1105 donor has consistently produced highly sought-after progeny.

- Structurally, N108 is powerful and correct, beginning at the ground with a large, solid foot that ensures she moves with ease and confidence. Her build features ideal lines, with added width and dimension through her center portion, making her attractive and is marked how everyone wants them.
- When evaluating her EPD profile, Brielle N108 offers a highly desirable combination of calving-ease, exceptional growth, value-added carcass merit, and strong maternal characteristics. These attributes elevate her to the top of the group, as she combines impressive phenotype, distinguished pedigree, and a superior numerical profile.
- Ranks in the top 8% for CW and REA; top 9% for UDDR and CHB.
- Sells open.

DEAR *Friends,*

We would like to take this opportunity to Thank You for your interest in the sale offering and in our program. All of us at Barber Ranch are thrilled to once again be partnering with our dear friends, Gary and Kathy Buchholz, of GKB Cattle, to bring you another set of exceptional females. We appreciate their friendship, vision, and first class hospitality they offer to everyone who attends "The Female Event."

At Barber Ranch, we are firm believers that the female is what delivers the "magic" to creating a successful program. We strive to place emphasis on maternal traits in our cattle and have a proven track record of producing top quality females that can win in the show ring and go on and become an integral part of any donor program. We continually work to produce females with balanced EPDs along with beautiful phenotypes. We are confident that you can find what you are looking for in our sale offering.

We are offering females that we would usually keep for the Barber juniors to show as evidenced by the seven full sibling heifers to the tremendous Marksman x Amber flush that we successfully campaigned the past two years. Also being offered are ET daughters out of some of the most outstanding donors in the breed in Anastasia and Merida who continue producing their own legacies.

Please feel free to call or stop by the ranch to visit us to discuss this year's elite group of females! We always encourage everyone to come to the sale and bid in person, but for those who are unable to attend the auction, online bidding is available as well. To view the sale lot videos or to bid online, please visit Live-Ag.com or LiveAuctions.tv. You also are welcome to call any of the sale day contacts or sale staff to bid over the phone.

Thank you for your continued support and faith in our program, and we look forward to seeing you in Desdemona at the GKB Cattle sale headquarters on December 13th!

The Barber Family

- The lots 101-107 are full sisters to the incredible flush of Marksmen x BR Amber 6089 calves that the Barber family started campaigning in the summer of 2024. Three siblings from that flush each won at least one national show, and a fourth was bred and owned Grand Champion at the Texas State show.
- Chilton N153 may be the best one from that mating yet. This May heifer is as hard to pick a hole in as they come. She has incredible presence on the profile, with extra power and width, and is flawless in her structural design. N153 is also one of the longest bodied and longest fronted heifers we've seen. She's the type that will raise big time herd bulls and show heifers after her show career is over. The Barber's very rarely offer heifers of this caliber for sale, so take advantage.
- **Sells open.**

- Cecilia N159 stands out as one of the closest resembling females in the Marksmen X BR Amber 6089 flush to Sophie L176, the polled heifer that was the Champion Bred & Owned Female show at JNHE in 2024.
- Cecilia's beautiful head and neck are identical to Sophie's and it's shocking how similar the two heifers are. You'd also be hard pressed to find a May heifer with the depth of rib this heifer has. Couple that with her extra extension up front, and great hip and hind leg, and we expect big things out of this heifer.
- This is one that is hard to part with and one we would have loved to keep and show ourselves.

- N162 has been a favorite of many that have stopped by the ranch. If you want a show heifer that can really compete no matter the level, look no further. Natasha might be the longest necked and most elegant fronted female raised in Channing, TX who is unequaled in her amount of body, bone and muscle. And like the rest of her full sisters, she too possesses incredible hair.
- *Sells open.*

• **HOMOZYGOUS POLLED**

- Churchill Lady 023H ET is one of the elite donors ever produced in the Churchill program and created quite a stir when she sold as the top selling Donor female in their World Class Female Sale in the fall of 24. This powerful donor female may end up being the greatest daughter of the influential donor JDH AH Mercedes 11E ET. She is a dark red, freckle-faced, three-dimensional female with added bone, body and a killer look.
- Her lifetime earnings have already surpassed \$500,000 including the top selling 3-year-old spring bred cow in the Churchill Cattle Company World Class Dispersal sired by Red Cloud. She is also the dam of the exciting young herd bull for Dry Creek Farms and Shockley Herefords, Churchill Equity 3316L, and the popular Champion Cow/Calf pair at the 2024 JNHE exhibited by Haden Hoffman.

• **TERMS OF LOT 201 DONOR FLUSH**

- Churchill Lady 023H ET is due to calve in February and will be ready to IVF Flush 45 days after her calving date.
- Seller guarantees six transferrable embryos, with all embryos produced in the flush going to the buyer.
- This will be an IVF Flush that will be conducted at either TransOva in Texas or Hoofstock Genetics in Texas, a Vytelle satellite.
- Buyer will be responsible for supplying semen and for all costs associated with the flush. Buyer will be guaranteed two 90-day pregnancies if transferred by a certified embryologist.

• HAWK Dana 201 ET is a gorgeous Dominate daughter out of the proven producer of Champions Happ Mirage 1327, who certainly needs no introduction. She was shown competitively by Nolan Lee and was the 2023 JNHE Division 10 Champion Polled Heifer, but her best contributions will be in production. Her first set of ET heifer calves sired by BR GKB Winchester 1314 sell as lots 1-3 and will knock your eyes out. This first set of calves out of Dana 201 are sale features and have only solidified the excitement we have for her as a top end producer of seedstock. Take this opportunity to get in on the ground floor of this young female, because this opportunity may not present itself again after her daughters' sell on December 13th.

TERMS OF LOT 202 DONOR FLUSH

- Hawk Dana 201 ET is due to calve in February and will be ready to IVF Flush 45 days after her calving date.
- Seller guarantees six transferrable embryos, with all embryos produced in the flush going to the buyer.
- This will be an IVF Flush that will be conducted at either TransOva in Texas or Hoofstock Genetics in Texas, a Vytelle satellite.
- Buyer will be responsible for supplying semen and for all costs associated with the flush. Buyer will be guaranteed two 90-day pregnancies if transferred by a certified embryologist.

- JDH JCS Red Hot 43M ET is one of the elite herd bulls to sell in the Spring 2025 bull sale season. He has a unique pedigree that offers no Endure and traces back to the immortal 45C donor dam and is sired by the ever-popular AI sire Red Cloud.
- Incredible in his build with a big square hip, huge sweeping rib cage, superior balance, big scrotal (40 cm), tight sheath and marked perfectly as he is dark red in color all the way to the ground with big red goggle-eyes.
- Equipped with an impressive EPD profile that ranks in the top 1% for 5 different traits; SCF, UDDR, TEAT, BMI and BII. Ranks in the top 7% for REA and MARB.
- One of the elite herd bulls to surface in sometime that offers superior phenotype, genotype and is backed by two of the most influential donor dams in the Hereford breed over the past 10 years, 45C and 7098, and is a total outcross to the Endure lineage.
- Semen located at Western Sires in Gordon, NE.
- Owned with Copeland & Sons LLC and Delaney Herefords.
- Certificates \$75
