Cody Crum.....217-248-7282

Sale Manager

Kevin Babbs.....618-322-5880

Sale Day Phone

.....618-895-3156

Directions to the Sale

Take exit 95 off Interstate 57. Go East on Route 15. Wayne City is located 15 miles East of Mt. Vernon. Barn is located 2 miles West of Wayne City on the South side of the road.

Terms of the Sale

Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids. All cattle are to be paid for by the purchaser immediately after the sale.

Guarantee

Cattle sell under the terms and conditions of the American Hereford Association. **EPD's are current as of 2-16-26.**

Liability

Each animal will be at the buyer's risk as soon as the animal is sold. Precautions will be taken for the welfare of the cattle sold. Neither the owner nor the sale staff can be held responsible for accidents.

Registration Certificates

It is the buyer's responsibility to give the clerks the correct name and address for transferring purchased animals. Certificates will be mailed from the American Hereford Association at the seller's expense.

ATTENTION JUNIORS...

While you are shopping for this year's heifer at today's sale, remember the Heart of America Hereford Association offers awards for heifers purchased out of this sale. In order to qualify, your heifer will have to win one of the following:

PRIZE MONEY

CHAMPION: **\$50**
RESERVE CHAMPION: **\$25**
CLASS WINNER: **\$15**

One show per exhibitor per show season. Please contact Kevin Babbs if you have won any of the above so we can get you paid, and we can recognize you at the sale.

Health

Health papers will be furnished for each animal sold.

Catalog Material

All announcements at the sale by the owners or the auctioneer concerning the cattle will take precedence over statements in the sale catalog.

Kevin Babbs, as sale manager, acts only as an agent for the sellers and has no responsibilities other than those involved in conducting the sale.

LiveAuctions.TV

Real-time bidding is available via the internet for this sale. Register to bid and view sale online at www.liveauctions.tv.

Check out this red-eyed special! This PERKS PRCC 0039 GHOSTWOOD 3016 son is a sound made, good footed type of bull. He's goggle-eyed and red to the ground! REDWOOD 10N is smooth made, big-topped and very attractive through his front one third. His mother is a 2TK PERKS 5101 CADILLAC 8039 ET daughter that has the sweetest udder on her. You mix that with Perks Ranch new herd sire GHOSTWOOD, your bound to get some fancy females and herd building bulls out of this guy! 85lb actual BW. *Consigned by Second Creek Cattle, Dakota Shepard 217-821-2611, Simon Shepard 217-240-8520, 9595 North 650th Street, Altamont, IL 62411.*

The first calf out of our newest donor, PRCC Faith's Katie 303L ET. "On the Money" got his name because he was exactly what we were hoping on this first calf. An awesome structured, good-looking, freckle-faced HEIFER BULL with a near double digit calving ease EPD, a .1 BW, and 7 traits (including Udder and Teat) in the top 10% of the breed. We would be keeping this guy ourselves if we didn't plan on having so many 303L daughters in the future. *Consigned by Benedict Herefords, Noah Benedict, 217-372-8009, 605 CR 2300 N., Dewey, IL 61840.*

2415 is everything we wanted when we used the Tomahawk bull. His dam's side of the pedigree needs no introduction either being a direct daughter of the famed 45C cow at Delaney's. Not only is he balanced from the side with plenty of body, mass, and dimension, but his EPDs make him versatile for many types of operations. *Consigned by Tjardes Farms, Jeremy Tjardes 217-417-5014, 143 E 100N Rd, Foosland, IL 61845*

2410 is a moderate, long-bodied, calving-ease bull with bred in longevity from his grandmother who will calve this year at 15 years old. Note his CW and REA EPDs are in the top 10% of the breed. We used him this past year on some females to take advantage of his genetics. His WW 670, YW 1224, act. BW 76
Consigned by Sayre Hereford Farm Tim Sayre, 217-473-5143, 13188 Virginia Rd, Azenville, IL 62611.

Buying animals that have a genomic profile incorporated into their Expected Progeny Difference (EPD) offers many advantages that allow for quicker breed and herd improvement.

Each animal tested is recognized with the AHA GE-EPD logo.

2515 will be a lot of fun in the horned summer division this summer! She has an extremely feminine look, is balanced from the side, and is sound on the move. Not only should she be successful in the show ring, but she is backed by some of our best cow families and her EPDs reflect her maternal potential to impact an operation for years to come. *Consigned by Tjardes Farms, Jeremy Tjardes 217-417-5014, 143 E 100N Rd, Foolsland, IL 61845.*

Off a cow family we know and trust, this heifer goes back to a cow we bought at this sale that has turned into one of the most reliable females on the farm. By our Apple Ridge herd bull, she is sound, correctly constructed, and offers plenty of eye appeal. One we hate to part with. *Consigned by J. This heifer is a thick-made, easy-keeping, but feminine and soggy and ready to show! Her dam is a hard-working Cowboss daughter we purchased from Genoa Livestock in Nevada. Her sire, Lorenzen's Timeless, has not missed on stamping our heifers for the show ring and the pasture. She will be a great show heifer for any level of exhibitor and a good cow down the road. Picture and video on www.parishfarms.com. *Consigned by Parish Farms, Rachel Parish, 618-926-7388, 3395 Harco Rd, Harrisburg, IL 62946.*

This SCC 903 Magic Man 91K daughter is about as fancy as they come. Smooth made, sound structured female that is very attractive from the side. VICTORIA 37M ranks in the top 4% for REA, Top 20% for CHB, and top 30% for TEAT and UDDR. She is the first calf out of a H Montgomery 7437 ET daughter that performed very well for us. Her sire, SCC 903 Magic Man 91K, was raised right here at Second Creek Cattle and is out of the famous Churchill Majestic 903G. Good uddered females and attractive bulls are all there is to come from this fancy bred heifer. Bred 12-6-25 to NJW 133A 6589 Manifest 87G. *Consigned by Second Creek Cattle, Dakota Shepard 217-821-2611, Simon Shepard 217-240-8520, 9595 North 650th Street, Altamont, IL 62411.*

410 is sired by our herd sire 6143. If you have read my footnotes before, you will recall how he sires calves that come easy, grow and if kept as a replacement have good udders. Her mother comes from a very good cow line that traces back to a P606X Journagen bred cow (353R), GEPDs no genetic defects. Will calve toward end of February to Birdwell Pivotal(44421192) who is another son of the famed Validated 7098 cow. *Consigned by Cole Farms, Bryan Cole, 217-249-4656, 1471E 1400N, Roberts, IL 60962.*

The dam of this lot, sired by Historic, was purchased as a calf from Sunny Side Farms in Ohio. I thought she would make a good cow and she has done just that. Good uddered and easy doing. She traces back to the Shrek bull that was popular at the time. Sire is the Delaney bred bull Prominent. One of the reasons I used Prominent was his mother 45C as I like to keep stacking good cow families on top of each other. GEPDs, no genetic defects. Will calve end of February to Brent Behrends new herd sire Birdwell Pivotal. as was at Brent's last fall and the Pivotal calves are nice. If I remember correctly, he is keeping back a slug of heifers as replacements and many are sired by Pivotal. *Consigned by Cole Farms, Bryan Cole, 217-249-4656, 1471E 1400N, Roberts, IL 60962.*

Here is one we hate to see go. She is a sound and powerful cow bundled into an attractive package that's going to be an easy keeper that you will want in the front pasture. She has done a real nice job with her first bull calf at the side. He is a November born Registration #44713993. Don't miss out on this donor quality cow on sale day. PE 11/2/25 to sale date to 44298002 WM 3217 Perfecto 130ET. **Lot 27A:** Perfecto 574 bull calf at side born 11/2/25. *Consigned by Natures Acres, Brian Vandevener, 618-267-3163, 6261 Brubaker Road, Salem, IL 62881.*

This was a hard pair to let go, but you can't keep all the good ones. SCC 27Z GYPSY 69K ET was the result of an embryo package we purchased from Purple Reign Cattle Company. We campaigned her as a heifer, winning a class at the Illinois State Fair. She's turned out great and is an exceptional mother, with an excellent udder. Made right in her lines, with an attractive profile and sound structured, this one is in it for the long haul. **Lot 28A:** PCC 7009 173D Maverick 0183 ET son at side born October 10, and is bred back AI the same way! Bred 12-22-25 to PCC 7009 173D Maverick 0183 ET. *Consigned by Second Creek Cattle, Dakota Shepard 217-821-2611, Simon Shepard 217-240-8520, 9595 North 650th Street, Altamont, IL 62411.*

This cow was built for the long haul! She started as a successful show heifer for us from the popular Behrends program, and has stamped out several really nice calves in her time with us. We have two daughters that are built exactly the same way that are just getting into production, one of which was a Reserve Division Champion at the State Fair. This cow lays down and has a calf every year and never misses a beat. She is a moderate framed cow that is huge-middled, has perfect feet and an awesome udder to boot! This is one of the best structured females we have on our place and she has a lot of miles left on her! AI bred to 2025 American Royal Reserve Champion ECR HDF Travis 3503ET on 12/28/25. Checked safe to AI date. Pictures and video will be available on Facebook before the sale. **Lot 29A:** ECR 628 Ivys Advance 8923 ET (Sancho) heifer calf born this fall and it is going to be a keeper! *Consigned by S5 Cattle Company, Erik Stollard, 217-358-6386, 1259 CR 1500N, Sullivan, IL 61951.*

Phoenix comes from the most proven cow family in our herd that provides functionality with extra power and eye appeal. Phoenix is as stout made as they come, has huge foot and bone, with length of body tied into a moderate, attractive package. Her first calf is a steer that is out on the Indiana Show Circuit, and she herself is a former Reserve Champion Bred and Owned Heifer at the Illinois State Fair. *Consigned by Benedict Herefords, Noah Benedict, 217-372-8009, 605 CR 2300 N, Dewey, IL 61840.*

Really good, moderate-framed direct daughter of Rose—a cow family that has flat out worked for us. We've had multiple females of this Rose mating over the years and they have all made amazing, productive cows. She is bred to KJ 746D Benton 538J ET, the Benton x Coco Creme bull we purchased out of the Jensen program two years ago. Our pastures are full of outstanding heifer calves sired by him, and we expect no different. **Lot 31A:** Heifer calf at side born 2/16/2026. *Consigned by Perry Farms, Corey and Emily Perry, 217-294-2934, 1265 E 900 N Rd, Tower Hill, IL 62571.*

This young cow is extremely good. She is sound, structurally correct and big boned. She was AI'd on December 21, 2025 to BG LCC Perfecto 84F. She is pasture exposed to a Red Angus bull - JBar5 Blue Chip E270K (registration number 4738173) from January 3, 2026 to time of sale. Breeding information will be provided on sale day. *Consigned by AMR Cattle Company, Alex Roth, 573-576-5141, 11490 Hwy A, Altenburg, MO 63732.*

Really nice four-year-old cow in the prime of her life. 07K is perfect uddered, something we have been working on for few years around here. Due to calve to in mid February to our full sib to Montgomery. Our fall calves out of this sire are very good. I look for this mating to be very nice calf. *Consigned by Goldstein Farms, Luke Goldstein, 217-663-3390, 17469 N 1400th St, Effingham, IL 62401.*

Hereford Influenced

34-37 Four Black Baldies

Hereford Influence | March-April 2025

Here are four open Black Baldy Heifers. These are out of some great cows from our heard. They have a great look to them and will make anyone some great replacement heifers. These heifers were born between March and April of 2025. *Consigned by Nathan Hortenstine, 618-339-8921, Ben Hortenstine 618-267-1250, PO Box 397, Ramsey, IL 62080.*

38-45 Eight Black Baldy Heifers

Hereford Influence | March-April 2025

Here are eight black baldy bred heifers out of the top end of our herd. They are bred to a low birthweight Black Angus bull. These heifers are structurally sound and well grown with a calm disposition. The bull was turned in with these heifers on June 6. Some of these heifers should calve by sale day. *Consigned by Nathan Hortenstine, 618-339-8921, Ben Hortenstine 618-267-1250, PO Box 397, Ramsey, IL 62080.*
