Welcome to Striving for Integrity

At Lorenzen Farms, Striving for Integrity is more than just the name of our annual sale. It reflects the values behind our breeding program, the care we put into raising our cattle, and our commitment to doing things right.

We believe a successful cattle operation is built on more than genetics. It is built on hard work, honesty, trust, and lasting relationships. Our goal is to offer quality Hereford cattle that will be an asset to your program for years to come.

We are pleased to welcome Coal Creek Land & Cattle, Duis Family, and Allen Cattle Company as guest consignors in this year's sale. We appreciate their involvement and the opportunity to bring together an offering of Hereford females for your consideration.

Thank you for your continued support and interest in our program. We invite you to study the offering, reach out with any questions, and join us on November 13.
