J & L CATTLE SERVICES and Guests

Fellow cattlemen, friends, and guests,

Welcome to our "Cheers to Thirty Years and the Friends Who Got Us Here" sale! As we celebrate our 30th year as J&L Cattle we have so much to be thankful for. Of course, you, our many friends and members of our Hereford family are at the top of our list of those blessings. Our lives have been touched over the years by the generosity of friends, neighbors, and family to lend a helping hand as we have forged our path in agriculture and the cattle business.

In 1996 as employees of Big T Ranch returning from a successful Denver, we learned the farms, equipment, and cattle would be sold at public auction in late March. Jeff and I also soon learned that we were going to soon be first time parents. Coming to grips with the fact that we were going to be jobless, homeless, and pregnant was daunting. However, a good banker and the encouragement of good friends came into play once again. We ended up buying the farm where we reside today in the nerve-wracking Big T land auction. At the fall of gavel, we owned 1 cow, a John Deere 1010 tractor, and a pickup truck along with our newly purchased farm that the bank also owned. As we walked out of the sale, Conard Stitzlein approached us about managing donor cows and possibly show some cattle for Mohican Farms. J&L Cattle Services was born that day! In September of 1996, we celebrated the birth of Keayla which was yet another blessing for the year. The first nine years were a whirlwind as we tried to grow our cowherd and increase our equipment inventory to farm more ground. We could be found selling feed and mineral, building fence, working sales, shearing cows, custom fitting cattle on a state and national level, custom raising heifers, and doing anything to make an honest dollar to keep the banker happy.

Our first production sale with guests was held in 2005. We built our current sale barn that year. When Dale Stith and Don Birk arrived for pictures and found only the posts in the ground, he quickly put our dear friend and father figure, Wally, in charge of making sure the barn was completed by sale day. We completed the sale facility 4 days before the first sale. We started our sale as way to give back to our clients and friends we worked with as a way for them to merchandise their genetics. Over the years, we have been blessed by the support of our sales as cattle have continually sold very well and the crowd has remained strong. As we move forward with Keayla returning home, we will have a sale on a yearly basis.

With this being the 30th year, we wanted to invite some of the young families that have embraced our genetics and give them an opportunity to merchandise the production of their programs. It's an unbelievable time to be in the cattle business. Beef demand is as strong as ever, our national cowherd at 1960s levels, and the demand for Hereford cattle is at an all-time high. People are waking up to the fact that Herefords are extremely docile and efficient, and they make an exceptional baldie momma cow when used on the predominantly black national cowherd. We are seeing prices for Herefords and cattle in general that we never imagined.

We invite you to join us in Jeromesville the weekend of October 9-10. It is a beautiful time in Ohio with the vibrant fall colors. Of course, Jeff will have the smoker going with smoked brisket for the Friday evening meal. Cattle will be on display, and we want you to come to celebrate our 30th year. We thank all of you for your support and friendship through the years and hope to continue it for another 30!

*Sincerely,
Lou Ellen, Jeff, and Keayla Harr*

*Thank you to
Brennan Lloyd.*

419-282-3011 Jeff
419-685-4859 Keayla
615-427-8979 Locke
918-760-1550 Dale

GPS Address

334 Mohican Twp. Rd. 1922
Jeromesville, OH 44840

Directions

Farm located 13 miles east of I-71 and 13 miles west of Wooster off State Route 30. Take State Route 30 to State Route 89. Go south on 89 to first road to right (Township Road 1922). Pass Suburban Propane bulk tank on right. J and L Cattle Services is next farm on right.

Terms and Conditions

1. TERMS: Checks or Cash. Each animal to be sold to the highest bidder. The auctioneer shall settle any disputes as to bids.
2. All cattle are to be paid for by the purchaser during or immediately after the sale and will not be released until after settlement has been made.
3. Each animal will be at purchaser's risk immediately after the animal is sold.
4. Insurance will be available.
5. J&L will assist with delivery of cattle.
6. Order bids may be handled by the owners or any of the sale staff.
7. Registration certificates of the animals will be transferred to the buyer at the seller's expense. No AI certificates will be furnished.
8. Any female selling with calf at side is a breeder with no further guarantee in this regard.
9. HEALTH: All cattle selling will have interstate health charts required for shipping into other states of the U.S.
10. EPDs were current at time of printing.
11. Announcements at the sale ring by the owners or the auctioneer concerning the cattle will take precedence over statements in the sale catalog.
12. All persons who attend the sale do so at their own risk and the owners or management assume no liability, legal or otherwise for any accidents which may occur.

Schedule of Events

Friday, Oct. 9

3 p.m. Display of sale cattle at J&L followed by
smoked brisket dinner at 6 p.m.

Saturday, Oct. 10

9 a.m. Cattle on display
11 a.m. Lunch served
12:30 p.m. J&L Guests Production Sale

- In our 30 years being in the Hereford business, the Duranna 9438 cow family has been one of the most prolific and money making. J32 is the epitome of everything this cow family is known for gorgeous udders, maternal look, and productive with a few extra bells and whistles. A full sister, E65, was a previous high seller to NJB Limited, Skrivaneck, Durbin Creek, and Zupan. A full brother served as a walking bull for us, NJB Limited, and Churchview. Her sons have been some of the first to sell in the bull lot and her heifer calf at side is proof of her ability to produce. We IVF flushed her this summer, allowing us to share her with you and showcase the product of 30 years in the business.
- Homozygous polled.
- Retaining one future flush at buyers' convenience and seller's expense.
- Bred AI on 5/5/26 to NJW 217J 2912 Suede 127M, then pasture exposed to EFBef 2017 Saltgrass M470 from 5/18/26 to 7/15/26. Ultrasound Safe AI.

- When we mated J32 to the Chapman, Woolfolk, and NJB sire Wild Card, this ultra-high-quality cow prospect was exactly what we had in mind. Stout, bold centered, and ultra cowy in her look, we have high hopes for this cow prospect who reads equally as balanced on paper. Exquisite cow prospect! Homozygous polled. Retaining one future flush at buyers' convenience and seller's expense. Halter broke.

- Dark red, red eyed, and super attractive two-year-old out of the 1150 donor purchased from Durbin Creek. When we purchased 1150, Wyatt told us the mating to Reset would be good and make us an awesome cow prospect. Wyatt was certainly right and there is no doubt M64 will build on her mother's legacy to pass on look, balance, and an outcross pedigree. Built for the long haul and her heifer calf at side indicates she will produce.
- Pasture exposed 5/20/26 to 9/1/26 to JLCS H028 Flash Point N25. Safe in calf.

- Keayla found this sweet Power Broker three-year old in the Dormans offering in our sale last fall and had to have her. The intention was for her to stay around, but our lack of heifer calves this spring and Locke insisting on having her heater of a heifer calf in the sale prompted us to offer her. 315 is dark red, good uddered, and attractive, plus she knows how to feed one with the best of them. If you had a few hundred of her kind, you would have few worries in life.
- Bred AI on 5/2/26 to WF CLC JT Wild Card 76E 2505ET, then pasture exposed from 5/20/26 to 9/1/26 to JLCS H028 Flash Point N25. Ultrasound Safe AI.

- We are blessed to have great neighbors whom we call friends, and the Atterholt families rank high on the list. This young Endorsement daughter is a product of Natalie's first Hereford purchase from us as a calf. Many will find this attractive, well balanced, freckle-faced two-year old on their short list, who even stands out among the Angus cows at home. We are big believers in this young cow's ability to produce and big believers in the Atterholt kids who raised her.
- Bred AI on 4/17/26 to Hoffman Richmond ET. Safe AI.
- Offered by Natalie Atterholt.

- Young, productive three-year-old sired by Colorado. L14's dam sired by 4013 is a mainstay in our cowherd, consistently producing herdbulls and high-end replacements. The proof is in the pudding on this one, just look at her bull calf at side. Her mating to Quest for Quality will likely pay for her. Safe AI to NJB Quest for Quality, 5/2/26. Quest for Quality is a high end NJW Character son of the high selling donor and past J&L sale feature, E65.
- Pasture exposed 5/20/26 to 9/1/26 to JLCS H028 Flash Point N25.
- Safe to NJB Quest for Quality 273. Bred AI on 5/2/2026. Pasture exposed from 5/20/26 to 9/1/26 to JLCS H028 Flash Point N25.

- Many years ago, Maci Atterholt purchased a Ft. Knox sired female from us out of the Ohio Beef Expo sale as a show heifer prospect. K100's dam matured into a high-end, bill paying matron who continues to produce herd bulls and cow prospects alike for the Atterholt family.
- This gorgeous uddered, red eyed 4013 daughter is a power cow who maintains herself on minimal inputs. Her numerical profile puts her into the top half of the breed for nearly all traits of merit. A daughter sells as lot 21 and Maci is retaining a yearling female to replace "Reba".
- Due to calve to Hoffman Richmond ET on November 20, 2026.
- Owned by Maci Atterholt.

- We allowed Locke to take his pick in the bred heifer group and to no one's surprise this big middled, stout made Haviland daughter found her way on the short list quickly. We used SHF Haviland after seeing the milky and productive daughters at Sandhills Farms, plus his ability to infuse carcass merit without sacrificing practicality. Her numerical profile indicates she will push the envelope in the marbling (top 1%), and her phenotype screams herd bull producing momma cow.
- Homozygous Polled.
- Bred AI on 5/2/26 to Churchill Equity 3316L ET, then pasture exposed to EFBEEF 2017 Saltgrass M470 from 5/4/26 to 7/15/26. Ultrasound Safe AI.

- A meat and taters herd bull prospect sired by Mandate and backed by the ever-generating Whitney 5G donor. Goggle-eyed, short marked, soggy, big nutted, and massive, we like N73 a great deal for his phenotype and future generating potential. We have sold multiple full and half-brothers through our bull lot and used a half sib by Manifest with great success. If there was ever a time when one was bullet proof to sire both males and females, this would certainly be it. Balance in the flesh and on paper.

- The Liston family purchased this Houston sired daughter of J&L and Lowell Fisher donor, G16, when we sold the pair several years ago. As one would expect, this big centered, stout made Houston female not only proved to be a great show heifer for Natalie, but an even better cow. The Liston family sold her first heifer calf through the Ohio Beef Expo sale and is now offering this fall calving power cow to you.
- Owned by the Liston Family, Andy, Janeen, Natalie, and Nathan Liston.
- Due to calve before sale day to NJW Endorsement.

- A two-year-old daughter of lot 13 that is ultra-attractive in her build. If Maci was not heading to college next fall, this female would probably not be leaving. Great uddered, big bodied, long patterned, and a cow family behind her that indicates she will be long-lasting and productive. Balanced on paper as well. Her calf by Bar JZ On Demand is fancy too.
- Lot 21A: Heifer calf born 9/1/26 sired by Bar JZ On Demand.
- Owned by Maci Atterholt and family.

- When we weaned the last natural calf of the "Montana" donor, we knew she was too good not to be shown by a young person. Long story short, Nate Liston and Keayla formed a deal and a partnership on "Jewell". Nate enjoyed a great deal of success showing Jewell, where she was consistently admired for added body, mass, and running gear that made her float. She matured into a great cow, producing a high-quality bull calf that the Liston family successfully campaigned this summer. Nate really did not want "Jewell" to be sold, but someone will gain a powerful momma cow who is backed by one of the highest revenue generators to walk at J&L.
- Owned by Keayla Harr and the Liston kids.
- Due to calve before sale day to Bar JZ On Demand.

- A direct daughter of the famed Sensation 2504, a sire known for producing highly maternal, productive females. This is the kind of female that is bred for the front pasture, with the look and maternal foundation to be a valuable breeding piece. Think of the value she carries with a calf on the way sired by Next Step — that mating should be one to look forward to next year.
- Bred AI 6/24/26 to Stellplug Next Step. Safe AI

- A powerful Houston son with the growth and performance traits to make an impression. He ranks in the top 1% for Yearling Weight, top 2% for Weaning Weight, top 4% for Carcass Weight, top 8% for Ribeye Area, and top 12% for CHB Index.
- Out of the productive Glenview cow this bull combines added performance with a strong maternal backing. A herd sire prospect built to add pounds, muscle, and value to his offspring.

- A super sweet Harvester-bred female offering an excellent combination of calving ease, growth, and maternal strength. She ranks in the top 6% for Sustained Cow Fertility, top 8% for BMI, top 11% for Maternal Growth, and top 4% for Ribeye Area.
- Her dam, a River Valley-bred female we purchased from Lou several years ago, has proven to be an outstanding investment for our program. The only reason Payton is being offered is because we are retaining a full sister. This is not an easy female to part with, but we are excited to offer one of the top young females from our herd.
- A female with the pedigree, structure, and genetic merit to become a productive cow and a valuable addition to any breeding program.
- Bred AI on 5/23/26 to Stellpflug Next Step, then pasture exposed to DOR 9985 1834 Harvester 2515 from 6/18/26 through 7/30/26. Safe AI.

- What a female! This is one that is hard for us to let go and truly the kind you can build a program around. We are loving our Garfield 1211 daughters in production — beautiful uddered, easy keeping and flat-out productive. This young female has all the right pieces and the maternal foundation to make a tremendous cow. Good young females of this caliber simply aren't offered very often.
- Bred AI on 4/3/26 to Stellpflug Next Step, then pasture exposed to 4B Houston 4004 from 4/27/26 to 7/2/26. Safe 5.5 Months. Calving date to determine sire.

- Another jaw-dropping two-year-old sired by Garfield 1211. This is a high-quality young female that has already proven her worth, doing an unbelievable job raising the outstanding heifer calf at her side. She combines the look, youth and productivity we are looking for in these young cows. The hard work is already done here — buy with confidence and build around this pair.
- Bred AI on 4/9/26 to Bar JZ On Demand, then pasture exposed to 4B Houston 4004 from 4/27/26 to 7/2/26. Safe 5.5 Months. Calving date to determine sire.

BLACK BALDY FEMALE

- We are big believers and proponents of the heterosis in black Baldy females. These two-spring born 2025 females are the product of our Angus and Hereford breeding programs.
- They are both ultra-high quality and the epitome of what we like to see in replacements: big bodied, stout, and built for the long haul.

BLACK BALDY FEMALE

HOW TO PARTICIPATE ON

LiveAuctions.TV

1

CREATE AN ACCOUNT

Click "Register to Bid" on the top right corner of LiveAuctions.tv. Fill out the required information to bid online. Agree to the terms of service and finish with the "register" button.

2

REGISTER FOR A BUYER NUMBER

From the home page or the "all auctions" page, choose the sale you're interested in. When selected, click the "request a buyer number" button. Verify your email address with the email verification link. To verify your mobile number, click "send token". Follow the steps to authorize your mobile device and click "submit".

3

BID SUCCESSFULLY

You will only have to complete the two-step verification process one time. After that, you will be able to immediately request a buyer number on any auction without verification. If you're a winning bidder, your lots will appear in your cart on the bottom of your screen. You will be contacted by the ranch or sale manager for your payment and shipping plans.

IF YOU NEED HELP REGISTERING TO BID
OR TO VIEW THE AUCTION PLEASE
CONTACT TECHNICAL SUPPORT
(682) 816-4900
OR
TECHSUPPORT@LIVEAUCTIONS.TV.
