LOAD OUT

There will be no load out until the sale completion, due to limited lighting. We would prefer you stay and enjoy our hospitality and load out the next morning.

INCENTIVES

Terms OAC on females.
All deferred payments must have postdated cheques held by T Bar C and signed contract.

WINTERING & SEMEN TEST

Terms - 50% due sale day with a post-dated cheque for the balance dated April 1, 2026.

A wintering program is available on all bull purchases.

All bulls must be insured.

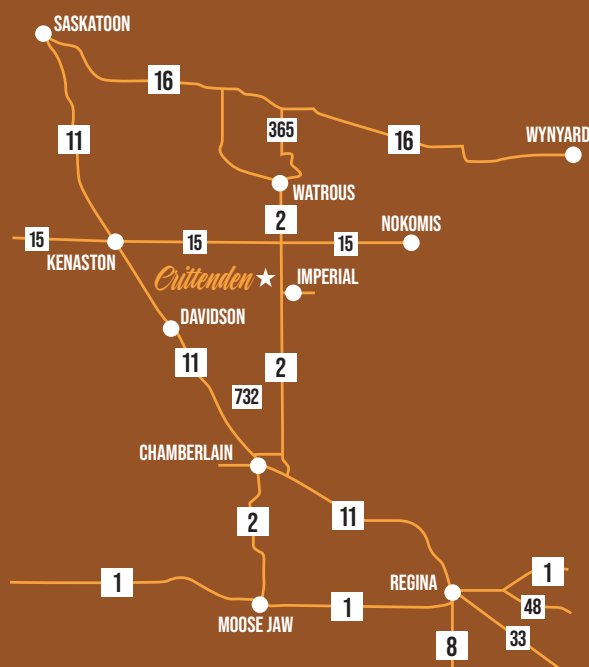

Herd bulls and long yearling bulls will be semen tested prior to the sale.

All 2025 bull calves that are wintered will be semen tested prior to pick up and are guaranteed to pass a semen test.

A wintering fee of \$750 per bull which includes semen testing is payable at the time of sale on bulls sold under \$6500 2025 bull calves taken at the time of the sale will sell with no further guarantee. All bulls must be picked up by April 30, 2026.

US BUYERS

Export fees at cost.

A good friend of mine, Ernie McDonald said, “a wise man knows when he’s done enough.” Well, I’m not sure that I am wise, but I’ve done enough.

I’ve had a passion for this breed, and especially the people for 48 years. It all started in 1977 with a new bride, Sharon, me and Gordon taking a drive on a hot Sunday afternoon to Ed & Joan Clark’s farm in Kipling, SK. We came home with 10 registered cows.

Jay Holmes first showed some animals for us. GHC Model Man 21N in 1981 was a high seller at Regina Bull Sale for \$31,000. At that time, it would have bought us 5 or 6 new half ton trucks. I still reach out to Jay for advice, and he remains one of my close friends.

Our first major expansion came in 1998 when we bought the good herd from Fred & Marilyn Mason. Also, that year we reached a deal with a well-respected friend and mentor to me, Tom Warnyca, to purchase WTK Continental 66F. He went on to win Agribition and Reserve at the Denver Stock Show. He was an amazing beast. We had people from all over the world come to admire him. Sons and daughters sold all over North America.

Gordon and I traveled many miles to look at cattle. A good partnership that lasted until 2019 when the herd was divided up.

We have been lucky to host visitors from all over the world. Hosting a SHA meeting, zone meeting tours, World Hereford council stop and numerous cattle sales.

I’ve had several mentors over the years and will mention a couple. Ted Serhienko and Dennis Nevin were both instrumental in building what we have today.

Although I never had the patience to halter break, clip or wash cattle I admire the people that do. We have been fortunate to show a few animals that have won at the National and International level. None of the showing would have been possible without Jeromy & Arden Charlton and Dave & Kurtis Reid. They did an excellent job of getting them ready and showing them for us. They showed and promoted our cattle like they were their own. True friends and extended family. Thank you.

I always believed in buying a herd bull to build uniformity and predictability. I was told by an uncle that it doesn’t cost any more to feed a good one than a poor one.

We’ve always kept that in mind. The cowherd has never been in as good of shape, top to bottom, as it is today. I think there is one animal here that is halter broke.

(Thank you, Kurtis)

The cattle here are real, as are the pictures. If you want a real honest opinion on every animal, call me. These cattle have made us money, and they will do the same for their next owner. I judge cattle not on ribbons or banners but on how much money they’ve made us. In that case there are several champions here!

I am living the dream of working with the best partner of 48 years that a man could as for, my wife Sharon. Also working with my boys Jim & Grant on the cattle and grain side. Daughter, Kirbie, is not far away giving moral support. We are blessed to have 8 grandchildren to follow watching hockey, baseball and dance.

Howard & Sharon, Jim, Grant & Kirbie

FROM THE DESK AT T BAR C

Welcome to the 48 years in the making Crittenden Land & Cattle Complete Dispersal. It definitely hits me with mixed emotions as I sit down to right this welcome as Howard was one of the first Hereford breeders I toured with Ted when I started traveling with T Bar and he was the first to allow me the privilege to auctioneer his production sale.

Howard Crittenden is a true breeder and student of Hereford cattle; he is extremely passionate and dedicated to the Hereford breed. He has served as a Provincial and National board member and has always encouraged and mentored new breeders. Howard has bred cattle his own way and never been one to chase fads. The results speak for themselves, this is a powerful, productive, outcross cow herd with exceptional data to back them up.

The Crittenden brand can be found across North America and is sought after and pointed out by cattle breeders around the world. This family has hosted several successful production sales and consigned to some top events in the past. The females sold have been extremely well received and have built a reputation for being productive earners and often end up in the donor pen of the purchaser. However, I'm sure if you ask Howard what he is most proud of its the popularity of his bull pen. Howard has influenced the breed in a big way selling herd bulls to other influential breeders across North America and this programs influence can be found in a lot of pedigrees. Where Howards real passion has kicked in though was selling commercial bulls to his many repeat customers who line up to get in his bull pen each year and many of whom have got to know Howards keen eye and reputation and integrity and they simply call Howard and tell him to bring them the bulls they need. It just so happens that this year's bull pen, might be the strongest one top to bottom ever.

December 20th is going to be the end of a chapter for Howard and Sharon; however, it is an exciting beginning of a new chapter for all of you who take the opportunity to add a piece of this great program that has been built over the last half a century. All of us at T Bar C wish Howard and Sharon the very best in their next chapter, good news boys Howard will have even more time to dedicate to his advisory role around the farm!

All of us a T Bar C are very familiar with this program and the cattle selling, so feel free to call any of us anytime if we may be of assistance to you. See you in Imperial!

Ranks in the top 12% of the breed for MARB and the top 15% of the breed for FMI & Fat

Maternal sisters sold to Martin Chobotar, & Airriess Acres

Mother is on a very short list for favorite cows here, she is a donor here.

Big barrel and hip, pigment homo polled

Weight as of Oct 14 is 2289 lbs.

Maternal sisters selling as Lots 5, 3 & 9A

Ranks in the top 1% of the breed for Cow Wt. & FMI, the top 5% of the breed for WW, YW, Udder, PWG, REA, MARB & Carc Wt., and the top 10% of the breed for TMI. Progeny sells Lots 2A, 5A, 7A, 8A, 24A, 27A, 29A, 33A, 34A, 35A, 38A, 48A, 49A, 54A, 58A, 67A, 71A, 78A, 86A, 96A, 97A, 112A, 113A.

Great breeding bull for us and for people that used him by AI last year.

Great performance and carcass data is one generation.

Enough frame and shape, dark red, freckled face, goggle eyed, and homo polled.

Standout donor mother at Sandhills.

Elite EPD profile.

Several herd bulls and donor prospects sell.

Semen sales were good; 96 straws of semen sell as Lot 145.

Owned with Sandhill Farms & the New Zealand group

Ranks in the top 5% of the breed for YW, Cow Wt. & PWG, WW, FMI, REA & Carc Wt., and the top 10% of the breed for TM. Had the misfortune of losing Foreman this fall.

Saw heavy service here this spring, ran on 300 acres with 30 cows and gained weight.

Dan is a very predictable donor cow for Airriess Acres.

Reserve Intermediate Champion at Agribition.

Maternal brother owned with The Cliffs Farm, full brother at Early Bird Farm.

Maternal sisters sold to Diamond H Herefords, & River Valley Polled Herefords. Three full sisters to Critt Foreman ET 35M sell along with a maternal brother AJKA 12N, who sells as Lot 121.

Maternal sisters selling as Lots 2 & 7

Ranks in the top 8% of the breed for Scrotal Circ. His dam is owned by Lakes Ranch Ltd. Used him as a yearling then sold him to a commercial customer that needed a bull late in the year. Got his calves in the spring and then bought him back couple years later. Out of a good Phantom Creek cow the was a feature in Doug's offering

and was purchased by Lakes Ranch. He has been used lots here and is the main herdsire for The Cliffs Farm. Daughters have been very good and sons very sellable. Dark cherry red and goggle eyes. Sons sold to Dalmar Mc Callum, WP Berg Holing Ltd, Doyle Watson & DC Lipp Farms Inc

Sire of Lots 1, 3, 6, 10A, 11A, 17, 23, 32A, 36, 41A, 66, 77, 72A, 75A, 79A, 92, 93A, 94, 97A, 107A & 115A.

Maternal sisters sell as Lot 39, 40, & 42.

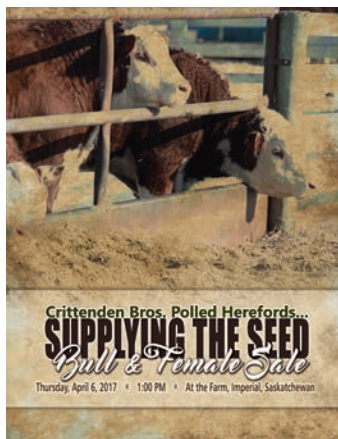

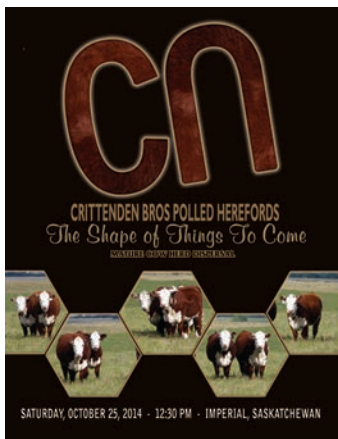

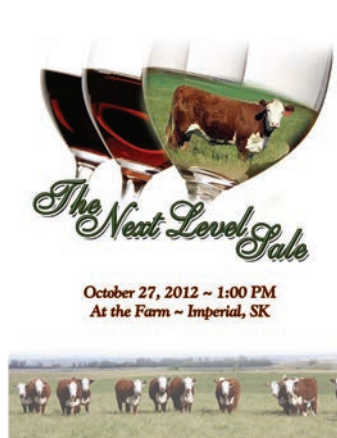

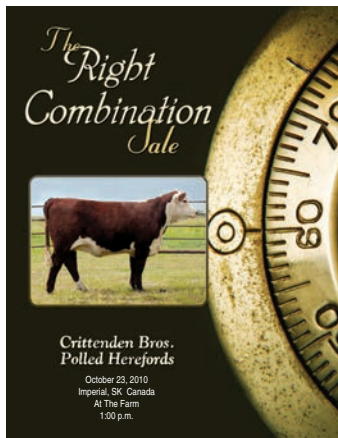

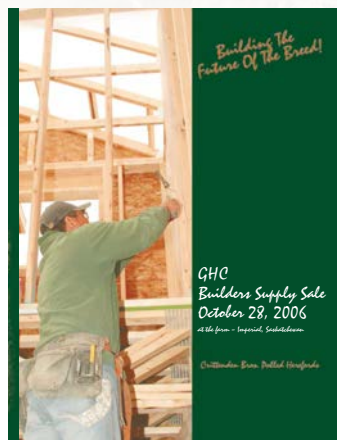

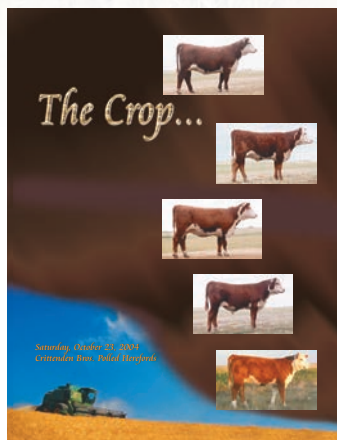

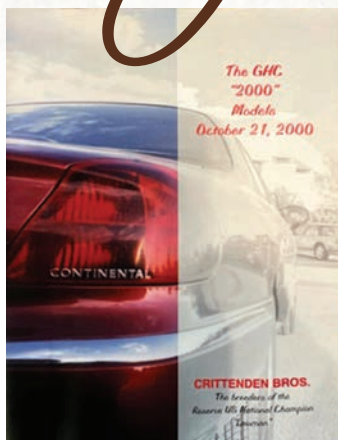

Maternal brother sells as Lot 38A.

Maternal brothers sold to Golden Shore Farm Ltd, Greg Brkick, Maternal sister sold to RSK Farms.

Owned with Finnlane Farms

CELEBRATING 48 years IN THE BUSINESS

FOR MORE INFORMATION VISIT WWW.CRITTENDENLAC.COM

TERMS & CONDITIONS

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

GUARANTEE: Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regards to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
