

The 58th Annual
North Carolina
Hereford Classic

Shuffler Farm • 444 Union Grove Road • Union Grove, NC

The 58th Annual North Carolina Hereford Classic is Dedicated to Peggy Blinson, Nancy Shanks and Linda Davis

Over the last 50 years, there have been many changes in the Hereford Industry, and North Carolina is no exception. We have transitioned from a sale where the perceived value of the animals is determined by a judge on the morning of the show to one where scientific data is combined with the expertise of experienced breeders, allowing them to select animals that will benefit them the most. We have gone from two separate

associations to one unified body. We have seen generations turn over and new people come and go.

One constant, however, has been the bedrock of the Association. Whether serving coffee and donuts the morning of the sale or selling cookbooks, three faces were constant and dependable. These three women saw past the champion heifer or the cow with the highest CHB. They saw the future, and the quarters for coffee and the checks for cookbooks supported the youth. Their efforts supported over 50 queens and princesses, including 3 National Queens from North Carolina: Kim (Shanks) Herman, Crystal (Kirby) Mitchem, and Melanie Fishel. They supported numerous National Junior Hereford Council Board Members, including 3 National Junior Chairmen: JD Shanks, Bryan Blinson, and Rossie (Blinson) Stephens. They collected and served treats at numerous regional shows and judging contests, among countless other events.

While the recognition they revered the most has always been for the crown, the gavel, or the banner that one of their North Carolina "kids" earned, it is high time for their recognition! The dedication of this sale is a tribute to the dedication that Nancy Shanks, Peggy Blinson, and Linda Davis have for the youth who have been so greatly impacted by their service. Because of their support, not only have lives been changed, but the Hereford Breed, the Cattle Industry, and Society have been changed for the better through the generational service provided by these women. Changes were made that may not have occurred had they served one less cup of coffee or sold one less cookbook. When the North Carolina Pollettes or North Carolina Hereford Women are mentioned, these three immediately come to mind as they should.

Congratulations and Thank You for your humble service.

Nancy Shanks, wife of Dr. Jack Shanks (Doc) and mother of JD Shanks and Kim Herman. When Doc and Nancy moved to North Carolina from Maryland, she jumped into the Pollettes with both feet, bringing fresh ideas from her many contacts throughout the country. She not only served North Carolina but also served as a Board member at the National level.

Peggy Blinson, wife of Keith Blinson and mother of Bryan Blinson, has served the Pollettes and Hereford Women for over 50 years. She spent most of the time as Treasurer, ensuring that the financial support was sound.

Linda Davis, wife of Jim Davis and mother of Chad Davis, has served in every office of the Pollettes and Hereford Women and been an organizer extraordinaire.

As you think of their bios, note the **Mother** part. Each of their own children had successful youth careers with many accomplishments within and outside the borders of North Carolina. Their care and guidance have seen the next generation achieve arguably even greater success. Their biological children were what brought them into the Association, but all of their other "kids" kept them there. It is hard to imagine what the NC Hereford Association, the Hereford Industry, the cattle industry, and the lives that were enhanced might have looked like, had these three Giants not been there with hugs, kind words, quarters, and dollars when they were needed the most.

- When line breeding works, there's just no way around how good it can be. A well made first calf heifer with an udder that's hard to beat. This one took a little tooth pulling to let go; but we think this female's potential is unlimited and destined for greatness.
- With that being said, we are going to do something we have never done before, reserve the right to one conventional flush.

- Claudia has a historical pedigree. Sired by the powerful REMITALL ONLINE 122L who was a two time National Champion and the bull of choice for many performance breeders. Her dam is FELTONS G15 and the dam of FELTONS LEGEND. Legend was a highly used bull and ranks 8th on the all time list of Hereford bulls.
- These genetics can be found across our herds today. Claudia offers a truly unique opportunity. See where she can take you. Sells open.

- INVICTUS is sired by SHF HEADSTRONG D287 H315. HEADSTRONG was bred by Kevin Schultz at Sandhill Farms. Now owned by Knoll Crest.
- I have two high-potential bulls by him. EL JEFE (pictured below and bred to the Lot 20 heifer) and INVICTUS. It was near impossible to choose which one to offer in this sale. I kept the older of the two.
- Videos available on both bulls. No room here to tout their virtues. INVICTUS (Invincible) has tremendous potential and worth a long drive to see.

- Dark red, goggle-eyed beauty! Kay is the perfect example of the replacement females we strive to make. Sired by our top calving ease herd sire, Perfecto, she is set to make a great young cow for someone's herd. Kay is the kind we typically would keep for ourselves, but with some life changes in the past year (losing one and adding one), we wanted to come back out and show we've still been working on breeding what we think is an ideal female! Kay sells halter broke.
- Due to calve on 5/1/26 to our pick from the 2022 Topp Herefords bull sale, TH 459Y 8010 ENDURE 241J (P44226087). He continues to throw eye-appealing calves and great young females.

- You won't walk through the pen and miss this one! Beautiful young female that is sure to make a cow! I purchased her grandam, 1140, straight out of the replacement pen at Holden Herefords. Her sire, Endure 241J, was our pick from the 2022 Topp Herefords bull sale. His first daughters have impressed us with udder quality!
- Sure, Addy is a later-spring-born, but don't let that stop you. Throw a halter on and show her, then take her home and make some more just like her. Sells halter broke. Sells open.
