Welcome to the 2025 SD Excellence Sale

We are excited to move the 2025 Edition of SD Excellence Sale back to the SDSU Animal Science Arena. There is a home football game that afternoon so please plan accordingly.

Breeders are once again bringing from the top of their herds! The heifers will compete in the show ring, but more importantly offer genetic value as an addition to any cow herd. The steers will compete on any level. Once again all lots have been videoed and the sale will be broadcast on CCI.live

We appreciate your interest and look forward to seeing you in Brookings, as always if you have any questions please feel free to contact a committee member or any sale staff.

Michael Blume, Cody Williams, Matt Zens, Tim Grace
