- A great Line 1 pedigree on the bottom side. We believe this easy keeper will be a great breeding piece for any herd. Gentle and halter broke to tie.
- Pasture exposed from 4/10 to 5/20/25 to DWF D46 Karat Victor C4 K26 (Reg. #44490250). K26 is a linebred Victor bull who serves as one of our herd sires and would offer an outcross mating on most pedigrees, including this heifer.

- We purchased this heifer's dam as a yearling from the Able Acres herd in Wingate, Indiana, and she has done a great job raising this yearling as her first. Her sire was the Grand Champion Hereford bull at the Ky Beef Expo in 2022. This heifer should be a solid investment and future production cow.
- Halter broke to tie. Take her home and breed her to the bull of your choice this fall!
- Sells open. DNA Testing underway. DNA Results will be available sale day.
