Dear Fellow Cattlemen,

It is with great pleasure that we welcome you to McGuffee Herefords for The Principles and Progress Sale and Celebration. We are a three generation Hereford breeder that simple started in 1977 with our first 4-H project and have grown to be one of the largest Hereford breeders in the southeast. We are excited for this sale, as it has been 35 years since our last one! We value the relationships that we have developed as a result of our many years in the Hereford business.

We are very proud of the bulls and females offered in this year's sale. Our breeding philosophy is and has always been to focus on the females. Our cattle are to perform in some of the hottest temperatures with high humidity and cold winters. They must calve and mother without our help, while weaning a good calf. We have always been focused on strong maternal traits, milk quality with great teat and udder that our cattle will pass on to other cattlemen.

The bulls have been trick tested and will sell with a recent breeding soundness exam. The bulls will be 20 to 24 months old virgin bulls. The commercial females that are offered have all been raised on our place with some of the top breeding. The fall bred commercials are deep, very solid and will be great for recipis. They are bred to a Hereford bull that is a 88x son, out of the famous Mindy cow. The Spring bred will be bred to 2 Angus Bulls and 1 Red Angus Bull.

Over the years we have been extremely blessed with knowledge from some of the best in the business, helping us to take our cattle program to the next level. We appreciate and value the friendships made through this process. We would like to give a special thanks to Tyler Russell and his family for his hard work and commitment to the progress of our cattle program. We also would like to thank Walker McGuffee for his countless long days of hard work and dedication making our cattle program and facilities better. We are in a time that the cattle business is booming! We are seeing record prices for steer calves, heifers, and bred heifers. It is a great time to be involved.

The entire McGuffee crew has worked tirelessly to make sure that cattle meet your expectations and be something you want in your program. We hope you can come to our sale but if you can't, please visit www.LiveAuctions.TV to watch but be sure to register before the sale begins. The videos of the cattle will be on Live Auctions as well as our website, McGuffeeHerefords.com. Study the catalog and watch the videos, if you have any questions, please contact us and we will be glad to help you in any way we can. The cattle will be available for viewing on Friday, November 22, 2024 followed by a Mississippi catfish dinner. Please contact us if you would like to come and view cattle before.

We look forward to seeing you!

The McGuffee Family
