until sale time.

11:00 a.m.

Lunch will be served.

12:00 Noon

Harrison Cattle Co.  
Production Sale begins.

Leslie & Jan Harrison

NINTH ANNUAL

*Production Sale*

**Tuesday, March 24, 2026 • 12:00 Noon**

*at the Ranch in Arapaho, Oklahoma*

### 2026 PRODUCTION SALE

We would like to thank each one of you for taking the time to view our offering of bulls and females. After several challenging years battling drought conditions here in western Oklahoma, this past summer brought some much-needed rain. With improved pasture conditions and a renewed outlook across the country, the Hereford cow has once again proven her efficiency, adaptability, and value in all environments.

As we all know, the cattle market is currently as strong as it has ever been. Demand for quality feeder calves — especially those that will produce high-value black baldy replacements and feeder cattle — continues to climb. There has never been a better time to invest in proven, performance-driven genetics that will enhance your cowherd and positively impact your bottom line for years to come.

A little background on our operation, we left the oilfields to pursue our dream of raising Hereford cattle on a full-time basis. Harrison Cattle Company currently consists of approximately 4,500 acres and 250 mature cows. Our focus has always been centered around producing cattle that work for the commercial cattleman — cattle built with structural integrity, muscle, longevity, and balanced EPD profiles.

We have assembled a set of bulls designed to add pounds, performance, and maternal strength to your program. These bulls are sound at the ground, backed by strong cow families, and built to go out and produce a long-lasting, efficient product. For the first time ever, we are offering a select set of commercial black baldy heifers sired by our Hereford bulls, representing the kind of real-world, profit-driven genetics that our customers strive to produce in their own operations. Our genetics emphasize fertility, udder quality, carcass merit, and the kind of consistency needed to move any operation forward in today's marketplace.

We would like to invite you to join us in Arapaho, Oklahoma on Tuesday, March 24 for our 9th Annual Production Sale. Visitors are always welcome prior to the sale to view the offering or talk Hereford cattle. Complimentary lunch will be served starting at 11 AM, with the sale beginning at approximately 12 Noon.

We appreciate your interest in our program and look forward to seeing you on sale day.

Leslie & Jan Harrison  
Harrison Cattle Company

## Production Sale

Tuesday, March 24, 2026 - 12:00 Noon

at the Ranch in Arapaho, Oklahoma

*Selling*

**53** 2-year-old  
Hereford Bulls

**5** Registered  
Hereford Spring  
bred heifers

### Accommodations

Clinton, OK. — 10 minutes from the ranch  
La Quinta Inn & Suites ..... 580-547-4128  
Holiday Inn Express ..... 580-323-1950  
Hampton Inn ..... 580-323-4267

### Absentee Bids

Anyone wishing to bid who cannot attend the sale  
may place bids by contacting Leslie, or any of the  
sale staff.

### Terms of Sale

All cattle sell under the suggested Terms and  
Conditions of the American Hereford Association.

### Videos

Videos of the offering will be posted on our  
website **harrisoncattlecompany.com** and  
**liveauctions.tv**.

### Food

A complimentary lunch will be served at 11:00 a.m.

### Inspection of the Cattle

All of the bulls and females will be on display  
Monday, March 23rd and Tuesday morning before  
the sale.

### Delivery

Free delivery on purchases of bulls and registered  
females over \$5,000.

### Guarantee

All bulls and females sold through the sale are  
guaranteed to be satisfactory breeders for the first  
breeding season following the sale. All bulls selling  
have been semen evaluated, scrotal measured  
and given a breeding soundness exam. If there is a  
reproductive problem, contact us immediately and  
a replacement bull will be provided if available or  
a credit equal to the animal's purchase price minus  
salvage value will be issued for the replacement of  
one animal. This guarantee does not cover illness  
or death to the animal. There will be livestock  
mortality insurance available on sale day at the  
settlement table at the buyer's expense.

### Health

Individual health papers will be provided for  
shipment interstate.

### EPDs

All EPDs listed in this catalog are current as of  
2/9/2026.

### Liability

All persons attending the sale do so at their own  
risk. The owners and sale staff assume no liability  
for property loss or accidents that may occur.

- Long-bodied, deep-ribbed and dark red, this bull checks all the boxes to be a highly functional herd sire in today's cattle world.
- With a great set of numbers to match his look, he's a definite star to mark on sale day, ranking in the top 20% of the breed for eight key traits.
- Selling  $\frac{3}{4}$  interest and Full Possession, HCC is retaining  $\frac{1}{4}$  semen interest for in-herd use only!

### HCC Rio Grande 9101 G ET

*Sire of Lot 1*

- Dark cherry red with a great look, this bull traces back to the 002X cow and many other great females.
- He will add eye appeal and tons of cow power to your calves, ranking in the top 20% of the breed for four traits.

- Recommended for use on heifers.
- A calving-ease bull you'll appreciate for his length of body and excellent structure.
- He's built to add the right pieces to your calves and ranks in the top 20% of the breed for three key traits.
