Welcome to the 47th Annual Harrell Ranch Spring Bull Roundup & 28th Annual Harrell-Mackenzie Performance Horse Prospect Sale

Dear Friends and Valued Customers,

We are pleased to welcome you to the 47th Annual Harrell Ranch Spring Bull Roundup and the 28th Annual Harrell-Mackenzie Performance Horse Prospect Sale. For nearly five decades, our goal has remained unchanged: to produce and offer cattle and horses that work in the real world, add value across all segments of the industry, and help our customers build profitable, sustainable programs for the long haul.

At Harrell Ranch, we believe everything starts with the cowherd. From cowherd to carcass, we test, measure, and evaluate our genetics with the end user in mind. Our Hereford and Angus programs are built around balanced, predictable cattle that combine calving ease, performance, maternal strength, structural integrity, and carcass merit. We are committed to breeding the total package—cattle that are functional, fertile, and long-lasting, while still meeting today's demands for efficiency and value-based marketing.

The beef industry continues to move at a rapid pace, and genetic tools have never been more powerful. We use those tools aggressively, but responsibly, guided by decades of hands-on experience and an uncompromising standard for the maternal equation. We have never chased trends or changed direction to follow the latest fad. Instead, we stay focused on steady, measurable improvement that puts more dollars back into our customers' pockets. Udders, feet, structure, balanced EPD profiles, and carcass potential all matter—because they matter to the people who buy and feed your calves....and ultimately the end user..."the consumer".

Marketing opportunities remain an important part of our program. Whether your cattle are marketed through the sale barn, video auction, private treaty, retained ownership, or grid-based systems, we work to ensure Harrell-influenced genetics are positioned to succeed. We value the relationships we've built throughout the industry and are always willing to visit about how genetics, data, and marketing can come together to strengthen your operation. Alongside our cattle offering, we are proud to present another outstanding group of Harrell-Mackenzie Performance Horse prospects. These Quarter Horses are bred with the same philosophy as our cattle—athletic, sound, good-minded individuals designed for ranch and arena use, backed by proven bloodlines and raised with purpose.

More than anything, we value the relationships behind this program. We appreciate the trust you place in us year after year, and we take that responsibility seriously. Our commitment does not end on sale day—we strive to be a long-term partner, offering support, honesty, and guidance whenever we can.

Thank you for being part of the Harrell Ranch program. We invite you to study the offering, visit with us about the cattle and horses, and join us on sale day. We look forward to welcoming you to the ranch and visiting with you in person.

Sincerely,

The Harrell & Mackenzie Families

Edna E. Harrell

April 24, 1937 – January 14, 2026

To know Mom was to love her—she never met a stranger in her life. We always admired that she was a woman of true kindness and wisdom, with the best sense of humor. “Gramma Edna” showed us all what it meant to be selfless and generous, giving her time and love freely. She will be missed every day for the profound difference she made to everyone she met. Her absence will be felt throughout the year, but the legacy she built will live on for generations.

Terms and Conditions

Terms of the sale are check or cash. Animals sell to the highest bidder with the auctioneer settling bid disputes. Sale day announcements take precedence over printed material. All cattle and horse purchases are the buyer's property as soon as sold and will be cared for by Harrell Ranch for a reasonable length of time at the buyer's risk. Neither the sale management, owners nor any person connected with this sale assumes any liability, legal or otherwise.

GUARANTEE:

Bulls sell with a 1st Breeding Season Guarantee. Bulls are covered for loss due to injury or infertility issues during the first breeding season, which is the 60-day period after your first turnout date. In case of loss, contact Harrells immediately with veterinarian's certification. Bulls will be replaced with one of equal value if available, or credit given in the next sale minus verified salvage value.

CATTLE:

All cattle sell free of disease or defect. Any known defects will be called at sale time. Bulls and heifers sell as guaranteed breeders. If an animal fails to breed after six months, it may be returned to the seller if in good condition and in compliance with Oregon health regulations. The seller reserves the right to try the animal for 90 days and, if proven a breeder, return to the buyer at buyer's expense. If the animal proves a non-breeder, an animal of comparable rank will be substituted, or the purchase price given as credit in the next sale. No adjustments will be made past nine months after the sale. We assume no liability to make any further compensation. No other warranty is expressed or implied.

HORSES:

All horses are to the best of our knowledge, free of disease or defect. Any known defects will be called at sale time.

RETAINED INTEREST:

Harrell Ranch is retaining 1/4 semen interest on all bulls selling, unless otherwise noted in footnotes or announced sale day by auctioneer.

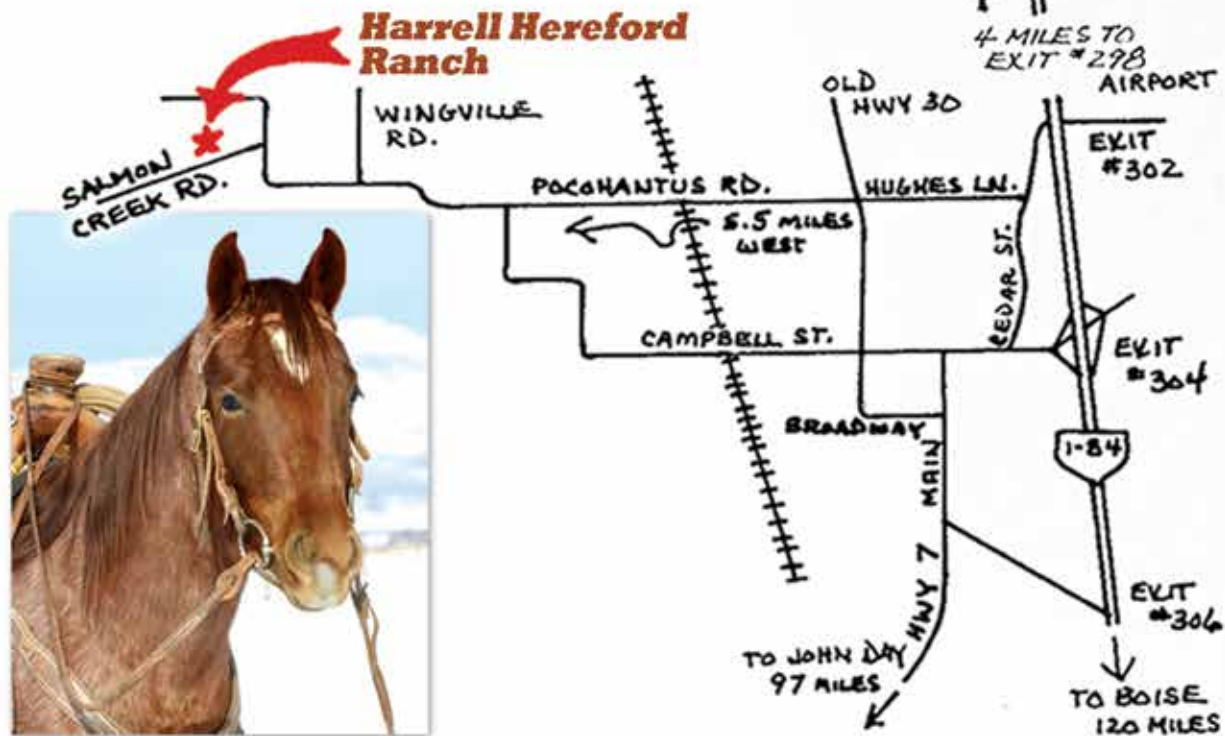

DELIVERY:

Bulls selling for \$5,000 and registered heifers for \$4,500 or more will be delivered at NO CHARGE to central points in the continental U.S. and Canadian ports of entry. Bulls selling under \$5,000 will have delivery costs split 50/50 with the buyer. Heifers under \$4,500 are delivered at buyers' expense. Buyers of commercial heifers & Quarter Horses are responsible for their own transportation. Insurance is required on any horse left after sale day.

TWO CATTLE BUYER OPTIONS

- 1) \$75/bull rebate ... \$75/registered heifer rebate (no commercial heifers) on all cattle loaded out by buyer within 48 hours of the sale.
- 2) **OR** One-month free feeding for bulls. Bulls must be picked up by buyer by April 1st. Insurance is required on any bulls left at Harrell Hereford Ranch.

Headquartered in the Baker Valley on the historic Oregon Trail...

HEALTH:

Herd health is excellent. Individual health papers will be provided for shipment anywhere. All bulls will be Trich tested. Females are officially calfhood Bangs vaccinated. Oregon is a certified Brucellosis-free state. Horses sell with a current Coggins test and health papers for transport anywhere in the U.S.

REGISTRATION & TRANSFER:

CATTLE: All cattle registration certificates will be transferred to buyers.
HORSES: American Quarter Horse registration papers will be transferred to horse buyers. A \$40/horse fee will be charged for current AQHA members.
