BRADSHAW RANCH

BRADSHAW RANCH BULL SALE

MARCH 13, 2026

Welcome Cattlemen!

Thank you for taking the time to look through our offering and for your interest in our program. We recognize that you have countless options when it comes to sourcing genetics for your herd, and we don't take your consideration lightly.

As we step into the 2026 sale season, the cattle market stands at historic highs – an encouraging moment for producers across the country. Strong demand, tighter national inventories, and a renewed focus on quality have created an environment where thoughtful genetic decisions matter more than ever. In times like these, the right bulls don't just influence the next calf crop; they shape the long-term trajectory of a herd. They add value in ways that compound over time: more efficient cows, heavier calves, improved fertility, and the kind of consistency that keeps a program moving forward.

That belief is at the core of everything we do. Our goal is to raise cattle that work – cattle that hold up in real-world conditions, cattle that add pounds without sacrificing structure, disposition, or maternal strength. Every bull in this catalog represents time spent selecting, evaluating, and committing to the traits that matter most to commercial cattlemen and seedstock producers alike.

We're proud of this set, but more importantly, we're proud of the relationships that make this sale possible. The trust and support of our customers mean everything to us. Whether you've bought from us in previous years or are flipping through this catalog for the first time, we want you to know that we're here to stand behind our cattle and support your program long after sale day.

This offering has been developed on a high-roughage diet, has been semen tested, and is ready to go to work in your herd. The bulls are available for viewing anytime here on the ranch in La Belle, Missouri, or on the day of the sale in Palmyra, Missouri. If we can be of any assistance, please don't hesitate to reach out.

Once again, we are glad you are here and appreciate your support. We look forward to visiting with you and helping you find the genetics that will move your operation forward in 2026 and beyond.

*God Bless,
Riley and Hannah Bradshaw*

B/R BRADSHAW RANCH
Bull Sale

FRIDAY, MARCH 13, 2026 | 6:00 P.M. [CST]

Contact:

Riley Bradshaw 217-491-6096

Tyler Haerr 217-257-4639

Sale Location:

F&T Livestock Market

5864 US-24 Palmyra, MO 63461

Ranch Location:

12180 272nd Street

LaBelle, MO 63447

Sale Schedule

12:00 P.M. (CST): Cattle Available for Viewing

5:00 P.M. (CST): Complimentary Meal

6:00 P.M. (CST): Bradshaw Ranch Bull Sale

Auctioneer: Cody Lowderman 309-313-2171

AHA Rep: Austin Brandt 712-621-1829

AAA Rep: Adam Conover 816-676-8560

Special Assignment: Joe Rickabaugh 785-633-3188

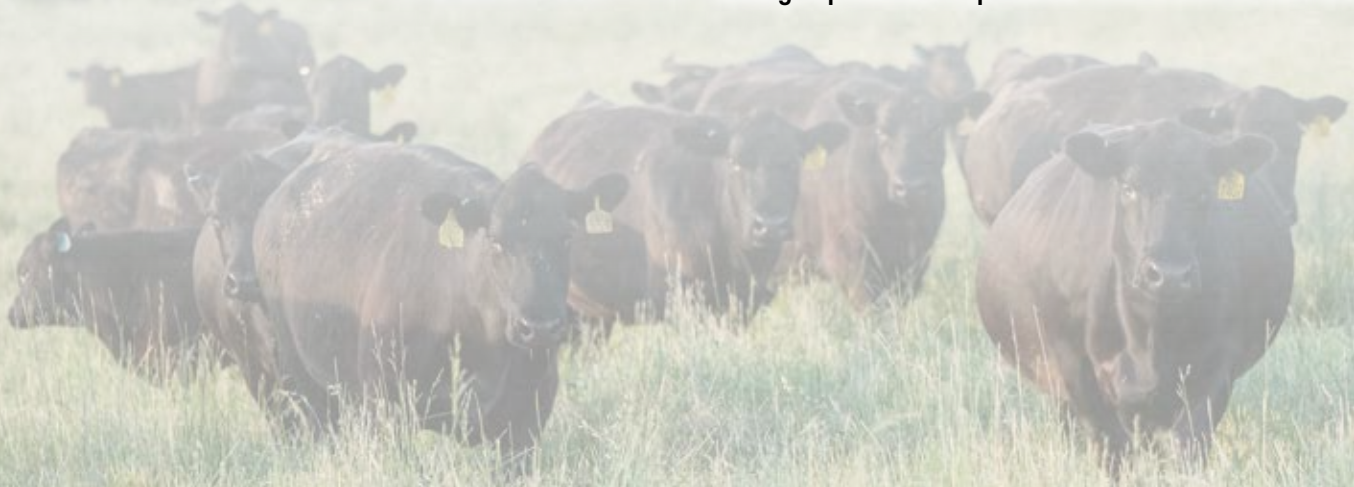

Special Assignment: Austin Sorensen 712-310-3788

Special Assignment: Kyle Lynn, Livestock Digital 816-681-3614

Veterinarian: Dr. David Hudson, Canton Vet Service

LiveAg Rep: Hannah Copenhaver 660-909-7472

Absentee Bidding:

If you would like to place a bid but are unable to attend the sale, please contact Riley Bradshaw to do so.
You may also bid online with Live-Ag.com
LiveAg: 817-533-6699

Terms:

Terms of the sale are cash or check, payable during or after the sale. All invoices must be paid before bulls are released; Cattle will be sold to the highest bidder with all disputes settled by the auctioneer. All sales are final, and cattle are the buyer's risk immediately after the animal is sold. Let Riley Bradshaw know any arrangements for pick-up and trucking when you make settlement.

Guarantee:

All bulls have been semen tested and examined to be sound and guaranteed breeders. If an animal fails to breed and is reported to the seller by September 1, 2026, it can be returned to seller if in acceptable condition. If the bull is confirmed to be a non-breeder, a replacement bull if available or credit towards the purchase of a replacement bull in our next sale will be offered.

Interest:

100% Interest and Possession sold on all the bulls unless otherwise noted.

Delivery:

Free delivery up to 350 miles on all bull purchases. Free nationwide delivery on total purchase of \$10,000 or more. \$100 discount/head if you take purchases home on sale day.

Volume Bull Discounts:

Volume buyer discounts at 5-9 bulls 5%, 10 or more 10%.

Herd Health:

Bulls have been fully vaccinated, wormed and poured.

Index:

Pages 7-13: Yearling Angus Bulls

Page 35: Fall Polled Hereford Bulls

Page 36: Aged Polled Hereford Bulls

Page 37: Aged Horned Hereford Bulls

Pages 38-40: Yearling Simmental Bulls

The bulls are available for viewing any time here at Bradshaw Ranch in LaBelle, Missouri and at Haerr Farms in Taylor, Missouri as well as on sale day in Palmyra, Missouri.

GUEST CONSIGNOR

Welcome

We are very excited and honored to be part of the Bradshaw Ranch Annual Bull Sale.

Located in Taylor, Mo., our family has been in the cattle business since 1932 when my great-grandpa moved into the area. Beginning as a background-to-finish operation, great grandpa would have Hereford feeder cattle shipped in from Cody, Wyoming, by rail car. Overtime, we have transitioned to an Angus seed-stock operation, utilizing extensive AI and Embryo technology since the early '80s.

Our focus is simple — Provide cattle that are practical for the commercial cattleman that add extra pounds and premiums at sale time. We believe that if we provide bulls to our customers that make them more money, then it's a win-win for both operations!

This set of 18- to 20-month-old bulls have been developed on high roughage rations focusing on longevity and fertility. All bulls are DNA tested for higher accuracy genomics and parentage verification. Our homegrown bulls have been raised on VitaFerm ConceptAid products since conception and we expect them to go out and perform in all environments.

Though our sample size is small, we feel our diversity in genetic options offer bulls for all operations. Bulls are available for viewing anytime. We hope that you come to the sale or bid with confidence on LiveAg.

God Bless,

Tyler, Miranda, Stetson & Shep

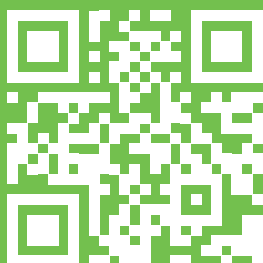

BID FROM ANYWHERE

- 1. VISIT LIVE-AG.COM**
Navigate to the **"Purebred"** tab, located in the main menu. Select the auction of choice.
 - 2. LOG IN / CREATE AN ACCOUNT**
Select the **"Login or Create an Account"** button. Fill out the required fields to bid online. Agree to the terms of service, and finish with the **"Register"** button." An account is not necessary to watch an auction.
 - 3. REGISTER TO BID**
Once logged in, find your sale of choice and click **"Register to Bid"**. Agree to the terms and conditions, and click the **"Register"** button. Your request will be approved in a timely manner.
- * CALL OUR TEAM WITH ANY QUESTIONS**
We're dedicated to ensuring you have a positive bidding experience. Please call **817-533-6699** with any questions.

Heifer or Cow Bull. Perhaps the best-looking bull of our Haerr Farms offering. Really cool dude here that puts all the muscle and look together in a Calving Ease package! His 4742 donor dam passes on the longevity and maternal traits! A moderate framed bull that still smashes the scales with top 10% Weaning and Yearling predictions! A purebred angus bull, but papers wont transfer due to white in front of the naval.

We are really high on this guy and he continues to get better and better every day. He's stout featured, big ribbed and dimensional from every angle. A balanced, attractive look from the side and sound structured. If you follow the Hereford breed then you have heard about the Excel cow family. Lots of incredible maternal strength backs this one. Top 5% YW, FAT, REA. Top 10% CW. Top 15% WW, MG

P 6MC 11E BENTLEY 2L ET – SIRE OF LOTS 36-43, 49

Lots 36-43 and Lot 49 are out of Bentley who we purchased in 2024 out of the National Hereford Sale. We had no idea the impact he would make on our program. As his calves have continued to develop, we have been beyond impressed with the look and presence they hold. They are big topped, stout hipped and can flat get out and cover ground. Not only are we extremely high on Bentley's sons, but his daughters are lights out. We will be offering his first daughters in the Best of the Midwest Hereford Sale on May 23, 2026, an event you will want to attend.

Homozygous Polled. Talk about a red necked, very attractive high-quality bull. The Margo 802 cow is no stranger to putting sons in the sale and it's the consistency and quality that we get when we cross her with Churchill Red Thunder. 5360 is a full sib to lots 5 and 6 in our 2025 Bull Sale and lot 51 in this sale. We are very high on this mating. Top 5% FAT, MG. Top 10% WW, MM. Top 15% BMI, BII, YW, SCF.

Homozygous Polled. The Margo cow does it again! She has yet to miss and the proof is right here in 4124. To put it simply Churchill Red Thunder worked in our herd and continues to have an impact. The daughters in production have the most perfect udders and maternal instincts. He is a full sib to lots 5 and 6 from our 2025 sale and lot 48 this year. A complete made bull who is so practical and useful in his kind. He has muscle, dimension, look and is sound structured. He holds 14 traits in the top 25% of the Hereford breed. Top 5% BMI, BII, MM, MG. Top 10% UDDR, FAT, REA. Top 15% CHB, WW, SC. Top 20% YW, MARB.

One of the very powerful horned bulls of the sale that we like a great deal. Extended, great designed, durable and loose structured. Docility only adds to his value. Wide based and stout made. When we bought his sire Valley with Bill Goehring this is the caliber of cattle we knew he would make. Bill and family have sold many sons and daughters that have done very well. Top 10% FAT, UDDR. Top 15% TEAT. Top 20% BMI, MM, DMI.
