- + Spring Bred Heifers and Cows

It's a Family Affair

Now the biggest production sale in the Northeast.

Over the years our Annual Female Production Sales has become a very special event for the entire Trowbridge family. It is an opportunity for us to host you all on our farm, reunite with old friends, share our commitment to strengthening the great Angus breed, and of course introduce you to our ever-growing family. So maybe it shouldn't have come as such a surprise when we heard that this sale is now being called the "biggest" production sale in the Northeast. We just know that it has always been a great chance to feature our strong stock, from some of the best cow families going strong at Trowbridge for almost 70 years since 1955.

This year's sale is shaping up to be our largest ever. It will feature a great assortment of our lots and we will be joined by a great group of consigner breeders as well. We will also be hosting the Northeast Elite Hereford Sale sponsored by the New York Hereford Breeders group on the same day.

While I'll be watching from the sidelines, PJ will be taking the lead on this sale, aptly assisted by our good friend and colleague Rance Long and a great team. If you cannot attend the sale, you may still participate, by viewing the lots and bidding online at DVAuction.com. If you would like to discuss any of the lots that you see in this book, please feel free to give me or PJ a call to answer your questions pre-sale. Phil: 518-369-6584 P.J.: 518-755-7467.

*The family is looking forward to welcoming you to our farm and spending time with you,
Phil Trowbridge & Family*
