

LAMBERT RANCH

BUTTE BULL SALE 2024

Includes an Outstanding
Offering of Angus Bulls
from both Sunbright Angus
and Westwind Angus!

OCTOBER 19, 2024 | OROVILLE, CA
AUCTIONEER ... COL. RICK MACHADO

LAMBERT RANCH BUTTE BULL SALE 2024

Welcome to our 18th Annual Fall Bull Sale, we look forward to having you as our guests. It's a wonderful time to be in the cattle business! It's the perfect time to improve your genetic base by upgrading your bull battery with new progressive and profitable genetics. We have a strong selection of bulls this year that will increase your bottom line. Our bulls are raised to thrive in any environment and will work hard for you year after year. These bulls were raised by cows that have excelled through our critical culling protocols. Our cows have great udders, consistently calve year after year, raise large calves and are powerful but still feminine. We do not single trait select in our breeding decisions. All our bulls must be sound, fertile, performance balanced and have an attractive phenotype.

*Walker Stephan David
August 21, 2024
Grandson #5*

Hereford and Angus genetics combined create the most profitable, predicable and manageable cattle that will keep you in the cattle business for generations to come.

We are once again so pleased to have a top-quality offering of Angus Bulls from Sunbright Angus and Westwind Angus. The Lambert, Ford and Holden families are all extremely dedicated and work hands on in their cattle operations and take great pride in the product we produce.

If you have any questions or if you would like additional information on our sale bulls, please feel free to give us a call. We look forward to hearing from you.

Steve Lambert Family

Gary, Patsy & Shawn Ford and Dave & Paula Holden

LAMBERT RANCH BUTTE BULL SALE 2024

Saturday, October 19, 2024 | Oroville, Calif. | Sale starts at 1 p.m.

3159 Nelson Ave., Oroville, CA

Offering Horned and Polled Hereford and Angus Bulls

Sale Terms and Conditions

Terms

Terms of the sale are cash or bankable check on sale day. When making settlement, please leave specific instructions in writing for transfer and shipping.

Sale Conditions

Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids and decisions on such matters will be final. Each animal sold becomes the property of the buyer as soon as it is sold. Cattle will be kept for a reasonable length of time and boarded free of charge at the buyer's risk. Lambert Ranch is retaining 1/3 revenue sharing semen interest in every bull selling in this sale. Full possession and full salvage value sells on all bulls.

Guarantee

All cattle are guaranteed to be breeders. You will have 100 days or 3.5 months from sale day to try the cattle. If you suspect an animal to be a non-breeder, you will be required to have a veterinarian inspect the animal to determine the problem. In case an adjustment is required, it will be made with a replacement animal of equal value to the animal in question or credit on the purchase of another animal. No adjustments will be made after 9 months following sale day on any animals.

Herd Health

All bulls have been cleared for Trichinosis, Tuberculosis, BVD and have been checked for semen quality. These bulls have been vaccinated for Anaplasmosis.

Delivery/Pickup

We highly encourage same day pickup and we have plenty of onsite trailer parking available. Due to fuel costs, a fuel surcharge may be added to deliveries exceeding 100 miles.

Absentee Bids

If anyone wishes to bid and cannot attend the sale, we will accept phone or mail bids. We realize everyone's busy schedule and the expense of travel. We will accept phone bids and guarantee the buyer's satisfaction. Please feel free to contact Steve or any of the sale representatives listed.

Announcements

All announcements made from the auction block sale day by the owner or the auctioneer will take precedence over statements in the sale catalog.

Liability Note

Everyone attending this sale does so at their own risk. Neither the owners or their employees assume liability, legal or otherwise, of any accidents which may occur.

Schedule of Events

We invite you to inspect the bulls at the Oroville Ranch any time prior to the sale. Sale will be at 1:00 at Oroville Ranch. Lunch will be provided at noon at the sale. Plan to stick around and mingle at the after-party.

WESTWIND BADLANDS DJH 323

THE POWER OF \$C

If you market steers and retain replacement females \$C is the simplest number to concentrate on if you are wanting to make your operation more profitable. \$C is the all-encompassing index as it combines 15 traits with a direct effect on your bottom line. By selecting bulls with a higher \$C value you will see favorable improvements in calving ease, growth, docility, heifer pregnancy, carcass weight, and foot quality. You will also improve quality and yield grades while moderating milk, mature weight, and feed intake.

Keeping in mind \$C is expressed in dollars per head, it isn't hard to see where buying bulls with a high \$C can return substantially more \$\$\$ to your operation. Imagine being able to run more cows on the same amount of land and wean heavier more feed efficient calves with the ability to grade prime and high choice. That could be like putting an extra \$10,000 in your pocket for every semi load of cattle leaving your ranch.

The average Westwind Bull in this sale has an average \$C of 344 which ranks in the very elite top 3% of the Angus breed. The average Marbling EPD of the Westwind Bulls is 1.42 ranking in the ultra-elite top 2% of the Angus breed.
