Roland & Janet Starnes

It is with great excitement that we welcome you to our 11th Annual High Cotton Bull and Female sale! We want to welcome you to scenic Lookout Mountain Monday, October 28th. As we sit here writing this invitation letter one month prior to sale day, we often reflect on the past year, our wonderful customers, both past and present, and notice truly how fast time does go by. Between no moisture and fighting army worms, much like all of you reading this, it reminds us of challenges we face year in and year out. That's what makes us, as farmers and ranchers all pretty special because we learn to adapt and overcome. Let us all remember our friends and customers in Helene's path and pray for limited loss and damage.

What a great time it is to be in the cattle business. As you flip through the book, you will notice several half, three-quarter, and full-sibs that will sell, offering a great opportunity to have a very consistent set of offspring. We are extremely proud of this group of bulls, and we feel like this is our deepest and best set yet between both breeds. You will notice many calves are sired by industry leading bulls within each respective breed; however, we feel there is extreme value in the bulls sired by our walking herd-sires. Our focus here is simple, real world cattle that go out, work and add value to your program. Our goal is to create a consistent product designed to handle the harsh environments we can encounter in the Southeastern US. With that being said, we don't chase extremes, we choose to focus on keeping maternal value in our herd with a balanced set of EPDs. We are extremely hard on selecting which bulls will make the sale and have always leaned hard on quality not quantity. The bulls offered are slick haired and stout ready to go to work in the hot, humid Southeastern US. There is not a bull in the sale that we wouldn't recommend to a customer because his mother isn't a good cow. We cut some very good calves every year because we don't like their mother as much for some reason. She may be a little hairy, have just an "ok" teat and udder shape, and maybe she's just not "our type". We feel very confident in these bulls ability to go out and work for you. Our bull management is not geared toward the heaviest weaning weight, or yearling weight; our bull management is done with the producer in mind. They are developed in large pastures in groups of 25-35 head on a high roughage diet to hold up under breeding conditions and not melt. Bulls with any feet problems, attitude problems, or any other problems that are detrimental to the producer are culled. We don't believe in trimming feet and disguising feet problems, matter-of-fact, our saying is that we trim feet from ear to ear hanging upside down. Now we do understand problems can arise, or develop and this is the reason we stand behind our bulls 100%. If you have a problem arise give us a call and we will work through it. A sale highlight is a select group of commercial pairs all sired by TRM bulls that are absolutely the "right kind". We wanted to keep that set to use in our recipient program but we always want to offer our very best and show you the potential of these bulls. You won't buy from a program anywhere else that appreciates is as much as we do here at TRM.

We are very much a family operation, and we could not do it without all the help "Da" Roland, "Nonnie" Janet, "Poppy" Randy, "Mimi" Kelly. Harper and John Owen keep us all on our toes, from the late afternoons in the show barn, to letting them drive us around in the gator, we wouldn't trade anything in the world for being able to live out this dream everyday with family close. Whatever your are hobbies are do it with the whole family for "TIME FLIES."

We couldn't do what we need to do without all of the guys help on the farm. They are truly the ones that keep it going doing the nitty gritty behind the scenes work. "Da" Roland, has been here over six years now and is an unreal asset to TRM. He thought he was coming to slow down and chase grandkids. He has chased grandkids more often but we are still trying to figure out how to slow him down. We can't thank him enough. Rickey Carroll, Randy's brother-in-law, is our tractor and equipment operating machine. He has been a big help to us, and we can let him focus on planting, bushhogging, or cutting hay so we can focus on the cows. John Eberhart has been here every day, over two years now and knows how to do anything, from cows, to fencing, to equipment operation, he is truly irreplaceable. Chuck Wright has been here over three years now and oversees daily care of the bulls at our bull stud and helps with all cow working at the farm. Adrian Wooden runs the day-to-day office operations at LMG, and we absolutely could not do it without her! Our newest team member at TRM is Jaden Hardy, who started in January and hit the ground running in all aspects of working on a cattle operation. We are very thankful and fortunate of the team we have here at TRM and LMG and would put them up against anybody anywhere!

We look forward to seeing each one of you on Monday, October 28th. If you have any questions on the bulls, please contact any one of us anytime. Bulls will be videoed prior to the sale and available online for viewing. Bulls are available to look at any time before the sale as well if you're unable to attend sale day. We know how busy life can be, and we truly value and appreciate your interest of our program. Let's have a sale!

Forever Grateful,
John and Randa Starnes

11th ANNUAL SALE

Monday • Noon
October 28, 2024

At the TRM Sale Facility
Ft. Payne, AL

Semen Collection Special:

Lookout Mountain Genetics is offering free collection of up to 50 units of semen on the top-selling Angus and Hereford bulls.

Terms & Conditions:

Cattle will sell under the suggested Terms and Conditions of their respective breed association, either the American Hereford Association or the American Angus Association.

Hereford Association:

<https://hereford.org/wp-content/uploads/2017/01/Terms-of-Sale-for-Auctions-2009.pdf>

Angus Association:

https://www.angus.org/pub/suggested_sale_terms.pdf

Liabilities:

All persons who attend the sale do so at their own risk. The owners and sale staff assume no liability, legal or otherwise for property loss or any accident that may occur.

Herd Health:

- All bulls selling have been trich tested
- Routine herd health and vaccinations are up-to-date on all bulls
- Complete BSE's (Breeding Soundness Exams) will be completed on all bulls
- Bulls will be accompanied by proper health certificates for immediate shipment

Quarantees:

We guarantee that all bulls sold by TRM are fertile to the best of our knowledge and have passed a BSE 30 to 45 days prior to selling. We know, however, that certain problems can arise after purchase. To help insure your investment, TRM will guarantee all bulls selling against breeding injury, and to be sound breeders the first breeding season, which is defined as the 90-day period following the first turnout of bulls. We will provide you with a satisfactory replacement, if available, or issue you a credit equal to the bull's purchase price minus the salvage value, if received for the bull. This is not a life insurance policy, however. We will not replace a dead animal if it is killed or dies for any reason.

**FREE DELIVERY ON ALL BULLS
SELLING FOR \$4,000 OR MORE**

AM EPDs contained in the hard copy of this sale book were current as of print date. Digital versions of this sale book can be viewed online at www.angus.org and will have EPDs updated every Friday with the exception of EPD references in footnotes and photos. Any PDF downloads from the website will contain EPDs current as of the date downloaded. References: American Angus Association®, AHIR®, AngusLink®, CAB®, Pathfinder®.

Dear Friends and Fellow Breeders,

Welcome to the 11h Annual High Cotton Bull and Female Sale at Tennessee River Music, Inc. This fall sale features the best of both breeds in the outstanding set of bulls being offered, along with a select group of commercial fall calving two-year-old females.

I would first like to thank Randy, Kelly, John, Randa, Roland, John, Chuck, Jaden, and the rest of the TRM crew for allowing me to assist them in the marketing of this exceptional set of bulls and commercial females, that in my opinion, is their best to date. John and Randa have embraced their role as parents to Harper and John Owen, as well as their management role here at TRM. With the help of their family and crew, they have assembled a tremendous offering; the presentation of the cattle is second to none.

This offering is the culmination of years of careful breeding decisions and the constant pursuit of a better product for their customers. These bulls represent elite Angus and Hereford genetics that combine performance with excellent phenotype to become competitors at any level in our industry. These bulls have been developed the right way, with emphasis on maintaining soundness and maximizing fertility and longevity instead of being fed for maximized gain. I think you will be pleased when you analyze the feet and structure in this offering. The select group of females offered provide TRM an opportunity to share their registered and commercial genetics in the fall season of the year to better fit the needs of some of their customers.

For those of you who have not attended a TRM sale, you are in for a real treat. This is a family operation, and the hospitality extended by the Owen and Starnes families is like no other. They work very hard on the presentation of the cattle, and you are sure to appreciate their efforts once you lay eyes on this exceptional offering.

Please evaluate the needs of your operation, and feel free to preview the cattle prior to sale day. Then, join us on Monday, October 28, 2024, for this great event. Please do not hesitate to call me with any questions about either breed or if I can help you in any way.

Sincerely,

Matt Sims

• Selling 2/3 interest and full possession.

- Lot 1 is a powerful Wildcat some with elite genetic predictors for growth and muscle while also offering exceptional foot EPDs to yield an impressive set of \$Value indexes that all rank in the upper echelon of the breed while maintaining a Hair Shed EPD that makes him an easy choice to use in the southeast.
- Lot 1 is out of the young donor Bonnie 0010, who, in turn is a daughter of the highly proven TRM donor, Bonnie 5111 that is a direct daughter of the Tennessee River Music program matriarch and Pathfinder dam, Ambrose Bonnie P14. Lot 1 is a stout, easy-fleshing, deep bodied, sound-structured, big-hipped bull that offers unlimited genetic potential from a proven cow line.
- Dam is a full sister to the now deceased sire of lots 10 and 11, SFCC TRM Coal 0007, and records progeny ratios of 1@100 for WW; Grandam posts progeny ratios of 4@94 for BW; 4@108 for WW; 2@110 for YW; and 2@101 for RE; and his third dam offers a progeny production record of 8@105 for WW; 8@102 for YW; 36@104 for IMF.
- A maternal brother to the dam of lot 1, SFCC TRM 5111 Stunner 0007, is a current herd sire in the program while 3 other maternal brothers to the dam of lot 1 sold in the 2023 High Cotton Sale for an average of \$7750.
- Ranks in the top 2% for WW, CW and \$F; top 3% for YW, \$C, \$AXH and \$AXJ; top 4% for Angle and \$W; top 5% for \$B; top 10% for RE and RADG; top 15% for Claw; top 20% for \$M and \$G.

- This Fair-N-Square son displays the phenotype we have come to expect from the Bonnie progeny.
- With a similar bottom side of his pedigree as lot 1, the dam of lot 7 is a daughter of the highly proven TRM donor Bonnie 5111 that is a direct daughter of the Tennessee River Music program foundation donor and Pathfinder dam, Ambrose Bonnie P14.
- Dam records progeny ratios of 2@99 for BW; 2@101 for WW; and 1@100 for YW.
- Ranks in the top 10% for Angle; top 15% for FAT.

- The sire of lots 7 thru 9, Fair-N-Square, is a breed changer for adding foot quality, base-width, and body density.
- The genetic indicators this son has to offer can remedy many of the concerns Angus breeders are discussing such as feet and longevity while also maintaining an impressive spread from BW to YW.
- Dam records progeny ratios of 1@108 for WW.
- Ranks in the top 10% for RADG; top 15% for YW, MW and MH; top 20% for WW, Claw, Angle and \$AXJ; top 25% for RE, \$F and \$AXH.

+72	+80	+99	+50	+149	+265					

- Like his flush brother that precedes him, lot 19 is well-balanced on paper and to the eye offering a moderate and functional phenotype with added muscle.
- Lots 18 and 19 are direct sons of the highly proven TRM donor, Bonnie 5111, that is a direct daughter of the Tennessee River Music program matriarch and Pathfinder dam, Ambrose Bonnie P14.
- Dam records progeny ratios of 4@94 for BW; 4@108 for WW; 2@110 for YW; and 2@101 for RE.
- Ranks in the top 5% for WW; top 10% for YW and \$W; top 15% for SC, HP, MW and DOC; top 20% for RE; top 25% for CW and \$AXJ.

• **WITH THE EXCEPTION OF HIS SIRE, LOT 26 IS THE ONLY BULL IN THE HEREFORD DATABASE TO OFFER HIS COMBINATION OF WW, YW, REA, MARB, AND \$CHB!**

- The dam of lot 26 is rapidly becoming a top donor in the TRM herd and is direct daughter of /S LADY YORK 782E ET, who was our \$33,500 selection from the 2019 Shaw Female Sale where a flush on her dam sold for \$11,500. After her time as a prolific donor at TRM, 782E again sold in the 2022 Dixieland Delight for \$12,000.
- Three maternal brothers to lot 26 grossed \$27,750 in the 2023 High Cotton Sale to average an impressive \$9,250 and included the \$15,000 top-selling lot in that offering, SFCC TRM Fortified 2074, ET selected by David Daily.
- Dam posts progeny ratios of 2@114 for WW and 1@110 for YW.
- The grandam of lot 26 is a maternal sister to /S Mandate 66589 ET.
- Ranks in the top 1% for WW, YW, SC, MG, CW and \$CHB; top 3% for FAT, REA and \$BII; top 6% for \$BMI; top 12% for TEAT and MARB; top 22% for SCF; top 25% for UDDER.

lots 25 through 32

- The TRM and Waggoner owned herd sire of lots 25 thru 32, Merit, is rapidly becoming one of the hottest performance sires in the breed! His progeny have been topping sales across the county and he continues to be used in the top breeding programs. He sires moderate framed, big-ribbed cattle with shape and dimension, impeccable structure, and numerical profiles that are second to none. Take advantage of this opportunity to select from the largest group of his sons offered to date.

• Homo Polled

• Lot 33 is the lead bull of in a new sire group by H B Distinct, an American Hereford Association CHB sire who has thirteen sons featured in this offering. Distinct is an AHA Trait Leader for 12 EPDs plus all three of the dollar indexes. When you search the AHA database and plug in Distinct's EPD minimums for CE, BW, YW, Udder and Teat, he is the only bull that surfaces in the entire database.

• This son of Distinct is as impressive phenotypically as he is on paper offering body, shape and impeccable structure with elite eye appeal. Like his sire, lot 33 is short marked with pigment which only enhances his value and the value of his progeny.

• Dam posts progeny ratios of 4@99 for BW and 1@109 for WW.

• Ranks in the top 1% for WW, YW, MILK, MG, CW and REA; top 2% for UDDER and \$CHB; top 4% for TEAT, \$BMI and \$BI; top 6% for SC; top 15% for CEM; top 16% for SCF.

- **Homo Polled**
- This moderate framed, big bodied son of Masterplan traces to the Shaw foundation donor 7291T that spawned the cow line that also produced the popular donors 5002C and 9144W, the \$20,000 selection of Sierra Ranch as the lot 1 feature from the 2014 Shaw female sale.
- Dam posts progeny ratios of 3@96 for BW.
- Ranks in the top 6% for YW and CW; top 7% for \$CHB; top 8% for UDDER; top 12% for REA; top 13% for SC; top 19% for WW.

lots 46 through 50

- The sire of lots 46 thru 50, Masterplan, has solidified himself in the breed as a leader for performance and marbling, with progeny boasting an impressive IMF ratio of 111. He presents an outcross to today's popular pedigrees while delivering consistent pigment, shedding ability, beautiful daughters, and stout sons. Masterplan stems from a 9-year-old dam who is one of Ryan Topp's favorites, and he was named the number one sire for registrations this year.

• Homo Polled

- This lead lot of the Houston sire group is a grandson of the \$22,000 valued Shaw and Brumley donor, /S Lady Advance 0194X that sold in the 2014 Shaw female sale who stems from the dam of distinction, /S LADY DOMINO 1315 who was a foundation donor in the Shaw herd and /S LADY MOM 4007P who is a current donor at Shaw's.
- Offers an excellent combination of calving-ease and growth while presenting breed elite EPDs for TEAT and UDDR.
- Dam posts progeny ratios of 5@93 for BW; 2@103 for WW; and 2@103 for YW.
- Third dam is an AHA Dam of Distinction.
- Dam sold in 2024 Dixieland Delight.
- Ranks in the top 1% for UDDER and TEAT; top 2% for SC and CW; top 3% for CED and REA; top 5% for WW; top 8% for \$CHB; top 9% for YW; top 15% for \$BII; top 16% for \$BMI; top 17% for CEM; top 22% for BW; top 25% for MG.

• Homo Polled

- This cherry red, homo polled son of Houston is out of a very complete, good uddered cow and cow family and would be an excellent choice to use on heifers and to sire top replacement females.
- Maternal grandam is an AHA Dam of Distinction.
- Dam posts progeny ratios of 3@95 for BW.
- To say that the sire of lots 63 thru 66 and the grandsire of lot 67, Houston, has caused a stir in the Hereford breed would be an understatement. Houston topped the 2021 Sandhills sale, bred cows in the pasture for Springhill in the summer of 2021 and now is making semen at ST Genetics. His granddam, T75, was a donor at Sandhills. His dam, D223, is a great uddered, long sided female with longevity.
- Ranks in the top 1% for TEAT; top 2% for UDDER; top 7% for BW; top 9% for \$BII; top 10% for CED, CW and \$BMI; top 11% for \$CHB; top 13% for REA; top 14% for SCF; top 15% for WW; top 17% for MARB; top 18% for YW and MG.

- This herd sire prospect is the only representative of his sire group but does it in style combining excellent phenotype with tremendous numbers for growth and muscle.
- The sire of lot 74, /S Cash 00127, was the \$27,500 selection of Micheli Hereford Ranch and Cache Cattle Co. from the 2021 Shaw Cattle Bull Sale.
- Dam posts progeny ratios of 2@105 for WW and 1@100 for YW.
- Ranks in the top 4% for REA, \$BMI and \$BII; top 5% for SCF; top 6% for YW; top 9% for SC; top 10% for \$CHB; top 11% for WW; top 12% for TEAT; top 14% for MG; top 15% for CW; top 16% for FAT; top 21% for CEM; top 25% for UDDER.

- The sire of lots 75 thru 78 was TRM's selection from a past Shaw bull sale and he has done an excellent job since, as is evident in this calving-ease son that sports a monster spread from BW to YW while maintaining strong genetic indicators for fertility and maternal traits.
- Dam posts progeny ratios of 2@95 for BW.
- Maternal granddam, 990G, is also the dam of lot 26 in this sale.
- Ranks in the top 1% for SC, SCF, MILK, MG, \$BMI and \$BII; top 6% for YW; top 7% for BW and WW; top 9% for CED; top 10% for CEM; top 12% for TEAT; top 14% for CW; top 17% for \$CHB; top 25% for UDDER.

- Offers a nice combination of WW and YW in a big-bodied, functionally designed frame.
- The sire of lot 81, Boyd 31Z Blueprint 6153, combines exceptional phenotype with breed-leading genetic predictions all in one impressive package. His dam was the pick of heifer calves for Boyd Beef Cattle and has become their cornerstone donor. She has an outstanding production record with two at 98 for BW, 116 WW and 114 YW.
- Ranks in the top 4% for TEAT; top 7% for WW; top 8% for UDDER; top 13% for YW and SC; top 17% for MG and CW; top 21% for MCW.

Lots 86 through 90

- The dam of the powerful two-year-old flush brothers selling as lots 86 thru 90, /S Lady Peerless 4007B, was our \$13,500 selection from the 2016 Shaw Cattle Co. Sale and is now one of our top young Hereford donors, producing the \$24,000 top-selling heifer calf in the 2021 Dixieland Delight Sale, SFCC Lady Fortified 1041 ET, selected by Abby Hill along with the outstanding daughters that sold as lots 3, 4A, and 4B in the 2022 Dixieland Delight that grossed \$36000 to average an impressive \$12,000. She added to that legacy in the 41st edition of the Dixieland Delight with daughters selling for \$8,000 and \$7,500, and seven embryos selling for an average of \$600 to add to her already outstanding progeny sales total.

• Lot 101A bull calf born 9/12/24, tag 4527, BW: 68, sired by Cherry Crk Blue Collar G275.

• This unique F1 two-year-old combines the now deceased TRM sire, SFCC TRM Coal 0007 with a Mandate sired daughter of the \$82,000 valued donor, "Knockout Rose" who was the \$41,000 half-interest top-selling selection of Abby Hill from the 2021 Dixieland Delight Sale where three full sisters to the dam of lot 101 and one maternal sister sold for a total of \$50,000 to average an impressive \$12,500 while four embryos that are maternal sibs to lot 101 sold for \$2000 per embryo in the 2021 Dixieland Delight Sale only to be topped by the four embryos from the same mating that sold in the 2022 Dixieland Delight for \$2,500 per embryo.

• Another maternal sister to this mating was the \$12,000 co-top-selling heifer calf in the 2022 Wheeler MCS, and Sims Family Cattle production sale.
• Prior to going into production, Knockout Rose was named Reserve Supreme Champion Bred and Owned Female at the 2014 Tulsa State Fair and 2015 Oklahoma Youth Expo; Reserve Grand Champion Female at the 2014 and 2015 Tulsa State Fair Junior Shows, Grand Champion Female at the 2015 Oklahoma State Fair Open Show and at the 2015 OCA Preview Show; Division Champion at the 2014 American Royal Junior and Open Show; and Class Winner at the 2015 Junior National Hereford Expo.

www.lookoutmountaingenetics.com

OUR CATTLE RANCH consists of Angus and Hereford genetics, with an emphasis on quality in all facets, from pasture to rail. The cattle spend the majority of their lives grazing lush, green grass before being finished on a grain-based ration to maximize marbling and taste. We strongly believe the key to quality meat is comfortable, respected and humanely-raised animals. High-quality animals yield a high-quality product. We have a deep love and respect for agriculture, our community, our livestock and the land that has been passed down for generations here in Northeast Alabama.

The Market at TRM was created as a way to share our locally-sourced beef with the community. Our dream has long been to bring to families the same homegrown, healthy beef that our families have been enjoying for decades. We believe in all aspects of the cattle industry, and we admire and respect the versatility of the beef animal in all that it provides. We appreciate the opportunity to join you and your family at the dinner table!
