WELCOME

FROM ANL POLLED HEREFORDS

As we age, the year seems to fly by at warp speed and we realize now is time to be spending with family and friends. That is why we look so forward to our annual fall sale.

This is the time we get to see many of our fellow breeders who we only see once a year. Glenlees, Brooks Farms and McCoy Farms are once again joining us in our sale and it is always entertaining with that group.

Please feel free to join us anytime prior to the sale to view the cattle and if you can't make it to the sale please give us a call with any questions you have. As always, T Bar C., Chris, Shane, Ben or Levi will answer any questions.

We look forward to seeing old and new friends sale day.

WELCOME

FROM THE DESK AT T BAR C

Backed by decades of proven genetics, packed with fresh exciting seedstock with a high return on investment, October 18th is a special day for the Polled Hereford breed. Selected from four leading cow herds, ANL/Glenlees along with their guests present an elite offering of the finest Polled Hereford females to enhance all breeding programs. Each operation hosts very successful spring bull sales... a credit to proven and predictable cow families built and developed over decades.

What an outstanding lineup of genetics with unlimited earning power. Their competitive factor is the highest in the nation... proven each year at competitions in both senior and junior events. As you go through this breed changing offering, whether you are searching for a bred front pasture yearling or a competitive 2025 model... "dare to dream!"

In this exciting market, opportunity abounds... the shortage of breeding females in North America is driving higher standards due to an increase in beef consumption...this factor alone bodes a strong future for years ahead.

This is your invitation to be with us at ANL, Steelman, SK as they lead off the "Saskatchewan Sweepsteaks", a weekend of fellowship, fun and breed changing Polled Herefords. Make your plans to be with us.

Feel free to give me or any of our team a call if you require any assistance with your purchases or selections.

Lady 16N is a front end Gold Rush daughter that comes from one of the long lived cow families in our herd. 16N carries extreme length of body to go with exceptional colour and cosmetics. We used Gold Rush on both heifers and cows and were impressed with both the calving ease and performance that we are seeing in both bull and heifer calves. 16N will help move carcass value in the right direction if that is of interest in your breeding program. Definite donor female potential here.

What Smokey has done here for us in his first group of calves is amazing! This is the type of female we love to raise and is hard to part with. So massive in her design and elegant looking at the same time. The best part of this female is when she will get into production! Future donor in the making.

**WHEN YOU RAISE THEM LIKE THIS
THE HARD PART IS LETTING THEM GO**

Game On daughter's are powerful females and do an excellent job in production. Really like this female and is a feature bred for us. Stout, long bodied and elegant fronted. A great breeding piece for her new owner for years to come.

Bred to TH 187K 195B Smoke Stack 38M on May 19. Preg-checked safe to this service.

TERMS

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION

Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH

All animals in the sale have met all necessary health requirements.

GUARANTEE

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regards to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY

Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE

We strongly recommend that insurance is purchased for full value.

ERRORS

All announcements at sale time, written or oral, supersede any written material in the catalogue.
