It is a pleasure to welcome you to the 2026 **IOWA SELECT** *Hereford Sale*

It is a pleasure to welcome you to the 2026 Iowa Select Hereford Sale.

Perennially, this is one of the top marketplaces to select Hereford genetics from in our entire region. Year after year, a strict selection process ensures that only the very best cattle are showcased at auction. It has been my pleasure to work with this set of breeders who have dug deep into their herds and bring their very best. As you view the offering, you will notice that this select group of breeders are utilizing the most progressive genetics available within the breed today, and they have matched that with outstanding eye appeal. As has been documented, the commercial cow inventory is at a historical low and we've already seen the resurgence in the demand for Hereford sired females across the region. As has been the case for a generation, the Black or Red Baldy female is one of the most coveted females in the beef industry. The commercial cow-calf market is in the midst of the very best times in our history and the genetics represented in the following pages are built to maximize your potential on an annual basis.

Whether you are looking for a Herd Sire to breed for a set of commercial replacement females, a top-notch bred heifer as a maternal prospect, or a show heifer to garner purple ribbons, it will be difficult to find a more elite offering than the 2026 Iowa Select Hereford Sale.

We hope you'll join us at 8 am for our sale preview then stay and appraise this great offering. If at any time you would like more information about this offering, please feel free to contact me, a member of the sale staff, or any of the consignors.

Thank you,
Justin B. Stout
(913) 645-5136

SALE STAFF & SPECIAL GUESTS

Sale Manager & Auctioneer:

Justin B. Stout (913) 645-5136

Livestock Publication Representatives:

Austin Brandt, Hereford World (712) 621-1829

Brice Conover, Midwest Marketer (515) 979-3890

Mike Sorensen, The Stockman (641) 745-7949

Matt Caldwell, The Stock Exchange (913) 755-1105

Absentee Bids:

Anyone wishing to bid who cannot attend the sale may place bids with any of the sale staff.

Sale Veterinarian

Dr. Shawn Nicholson, DVM (515) 971-1973

Special Guests:

Jack Ward, American Hereford Association

Shane Bedwell, American Hereford Association

Addison Wall, Iowa Hereford Queen

Iowa Hereford Breeders Association:

President: Nathan Stickley

Vice President: Brian Kreutner

Secretary: Jacob Smith

Treasurer: Matt Woolfolk

Administrative Secretary: Marilyn Lenth

Sale Committee: Steve Landt, Brent Petersen, Nathan Stickley

Terms of Sale:

All cattle sell under the suggested Terms and Conditions of the American Hereford Association

Bid Live On: Go to www.liveauctions.tv to register for a buyer number at least two days prior to the sale.

Health: Individual health papers will be provided for shipment interstate.

Liability: All persons attending the sale do so at their own risk. The sellers, sale manager, sale staff and sale facility assume no liability for any accidents.

Guarantee: Yearling bulls must have a minimum scrotal circumference of 30 cm. and a minimum 3.0 lbs. weight per day of age. Bulls have been semen evaluated. All guarantees are between the buyer and seller.

EPDs: The EPDs listed in the catalog are current as of 12/15/2025.

2-YEAR-OLD AND OLDER BULLS

• Big growthy bull here guys with an excellent act. BW. He is out of one of our best cows as evidenced by her 107.5 WW ratio on 5 calves. No matter what we breed her to, she bring in one of our top calves every year. This is a big stout bull yet still has smooth shoulders and a neat head that will add pounds to your calf crop. We think enough of him that we ran him with 18 cows this summer. He wasn't just hanging out growing this summer...he was working!

• 2405 is a thick, stout made bull out of Leader 182F and our great 1117 cow, who will calve at 15Y0 this Spring. A bull bred to add pounds to his calves with a weaning weight of 732 & YW weight of 1265. 2405 is bred for Performance & Longevity. We used him on a few cows this year & he's ready to go to work.
• Act. BW 78 lbs.

- Baron is a real nice 2-year-old out of the popular Red Baron and a 16-year-old Dam of Distinction cow that is still pushing calves out on our farm. He is Dark Red, Homozygous Polled and very docile. I kept him back and ran him with some heifers last year. Use him on heifers or cows, he is ready to go to work.

- 2415 is one of the top 2 or 3 performing bulls we have raised in my 56 yrs breeding Hereford cattle. A Key West son out of a first calf heifer that is a granddaughter of our great 1117 cow who will calve at 15 next year. He's extremely long, thick and easy moving. He had a WW of 817 & YW of 1485. We used him on some cows this year to take advantage of his genetics.
- Act. BW 76 lbs.

- We purchased this bull in the Huth dispersal, have collected semen and have used him extensively. He sells with 100% possession. Homo. Polled by pedigree, he has an impressive GE-EPD profile with high level of performance to back up his EPDs. Strong maternal traits, he produced high quality semen at 11 mos. High carcass traits with over \$200 CHB.
- BW 82 lbs.; adj 205 WW 724 lbs.
- Retaining 1/4 semen interest. Sells with 50 units of semen.

- An outstanding red necked On Demand son that needs to see some Hereford replacement heifers. M404 combines a pedigree with breed leaders & a super phenotype. Big boned, big centered with exceptional muscle. M404 can be utilized in any operation he is put in. Collect him & sell semen for the commercial market. This bull will give you an ROI.

• Chippewa is a dual-purpose horned bull. Put him on your black cows & get some heterosis from a bull that's in the top 2% of the breed for BMI & top 5% for REA. He is out of NJW's Long Ranch 203D bull, and much like his sire we feel Chip will sire great females. One of the best things about this bull is he is easy to deal with, puppy dog calm in the pasture and loves human interaction.

• Words cannot fully express how we feel about this bull. Right out of the gate he was Calf Champion at the IA State Fair & stood 2nd in a competitive class at the American Royal. If you are looking for a genetic package to produce meat in cattle, look no further. He will work on heifers or cows.
• Retaining ¼ semen interest.

- Wildcat Let's Dance 413 is a unique opportunity from the heart of the Wildcat program. She stood strong in the summer division all year & won her class at the JNHE. Her dam goes back to the DelHawk Whisper cow family. Her sire, Wildcat Casino Royale, was calf at side of the 2021 JNHE Champion cow/calf pair, and he was calf champion at the American Royal. She is a long, extended female with the extra look to grab your attention. Her service sire is a Fresh Prince son that is low BW without compromising phenotype.
- Bred AI on 7/8/25 to MCM H BK Stinger K12 ET. Checked safe AI and due 4/20/26.

• Polly Jo is a beautiful homozygous polled female that ranks in the top 10% for TEAT & UDDR. She is out of a first calf heifer that sports a picture-perfect udder, and we feel Polly Jo will follow in her footsteps. She has a beautiful profile with tons of power. Take this gal to Madison & have some fun, take her home and watch her work.

• This Historic daughter is designed to make an outstanding breeding piece. Historic daughters are renowned for their maternal ability, and M517 adds in a great set of numbers, including an excellent BMI index. With her calving ease, breed her to any of the great power bulls in the breed today and the resulting progeny will be the right kind.

• We are extremely excited to see what Miss Laura's future holds, not only in the show ring, but as a production cow for any herd. She is big boned, deep bodied & easy to maintain. Natural calf out of our donor cow, ECR 424 Lady Excel & the head turning sire Marksmen who needs no introduction as his offspring have been putting up banners all over the country. She is a must see and one you don't want to miss out on.
• Retaining two (2) flushes, minimum of eight (8) embryos.

CREEKS MISS LAURA N4 D87

2025 IHBA Heifer Grant Award Recipients

JOHN GORDEN

Three Iowa Junior Hereford Association members have been selected to receive IHBA Heifer Grants, each worth \$1,000 towards the purchase of a registered Hereford female in the February 18th Iowa Select Hereford Sale, at the Iowa Beef Expo. Meet this year's three recipients:

John Gorden from Dow City, Iowa, is 20 years old, and applied for a Heifer Grant in order to expand his own herd size and to bring more Herefords to his area. John currently owns 5 beef cows, 4 of which are purebred Herefords. He has been active in Bayer Valley FFA, assists with the Crawford County Cattlemen and his local St. Patrick Catholic church. He appreciates the mothering instincts in the Hereford breed, and his goal is to eventually raise calves that are high enough quality to be shown and sold to other 4-H kids.

OWEN POWELL

Owen Powell of Blue Grass, Iowa, is 18 years old, and is currently a college student majoring in Animal Science. He is the President of his local 4-H club, past Vice-President of his local FFA Chapter, and member of the Jr. Cattlemen's Association. His current beef herd consists of 10 heifers/cows, 5 of which are purebred Hereford. Owen appreciates the Hereford breed for their docility and hardy nature, both of which make them an ideal breed to start out with as a beginner in the cattle business. Owen looks forward to using his Grant to purchase a high-quality Hereford heifer to use in expanding his herd.

NORMA WOLF

Norma Wolf of Hampton, Iowa, is 10 years old, and showed a Hereford cow for her first year in 4-H. She enjoys showing cattle not only for the learning experience, but to have fun with her family as well. Norma is just starting out with 1 purebred Hereford female currently, and she is looking forward to the opportunity to use her Heifer Grant to build her Hereford herd. She really appreciates the Hereford breed for how calm and kind they are and how they are great mothers to their calves. She especially enjoys being able to walk up to her dad's Hereford bull, pet him or hold his horns to get the halter on. Norma's hope is to purchase a bred heifer at the Expo so that she can show a cow-calf pair next summer.

Congratulations to these recipients of this year's IHBA Heifer Grants.

Take advantage of hybrid vigor by capitalizing on Hereford genetics.

The Maternal Advantage program generates females with added longevity, more docility, increased fertility and more profit per year.

Can be utilized by producers using Hereford bulls on British-based cows or Brahman-based cows in their breeding program.

Producers utilizing the program will have access to a sire EPD summary, added market exposure, replacement selection tools, genetic improvement tools and access to AHA resources, marketing and staff.

Qualifications

- Producers must verify that eligible females are sired by registered Hereford bulls with transferred ownership.
- Participating bull batteries must rank in the top 50% of the breed for Baldy Maternal Index (BMI\$) if used on British-based cows or the top 50% of the breed for Brahman Influence Index (BII\$) if used on Brahman-based cows.
