Hello, Friends and Cattlemen!

We would like to welcome everyone to Hidden Oaks Ranch for “The Final Chapter” Sale. This is a complete dispersal, with all females, bulls, semen and embryos offered for sale.

Last June, Cindy and I decided we had reached a time that called for us to sell out. We have enjoyed 25 years of breeding and raising Herefords. During this time, we traveled the country with our kids showing cattle and met and became friends with many wonderful Hereford breeders. The time we spent as a family in the barn, on the road, at sales and at shows will always be lasting memories we will relish. But all things have a life expectancy. We have reached the end as cattle breeders. The last two years have been a struggle for us, and most of our tanks are still more empty than full. We have not had running water flow in almost three years. Our property as well as we need a break to recover.

We are proud of the cattle in the dispersal. You will find the cattle in the sale to be young, with most less than four years of age. These cattle have survived and flourished through two years of unprecedented drought. Everyone in the Hereford business should find something that will work in their herd.

We hope you can find time to be with us on May 18 in Hamilton. The cattle will be available for viewing Friday evening, and we will have supper. Breakfast tacos and lunch will be served Saturday, prepared by our son and chef, Koby. Harley, Brody, Seth and Shelby will be here as well. And baby Stetson will make his first trip to Texas. For all who cannot make it to the ranch, all lots in the sale will be on video for your convenience. Please do not hesitate to call if you have any questions.

Sincerely,

Keith and Cindy

MCG 48 MARKSMAN 211 P44438774

Congratulations to McInnis Cattle Co., May, Texas!
They selected this bull's dam, Oaks Jacklyn 7029, as Lot 48 in our 2020 Retirement Dispersal. This son of KLD RW Marksman D87 ET was selected Reserve Grand Champion Hereford Bull at the 2023 American Royal. Semen is available through Streamline Genetics.

Chef Koby Rogers

We hope you can find the time to make the trip to Hidden Oaks Ranch to view the cattle. Our son, Chef Koby, will be cooking and preparing the meal for Friday evening and the sale day lunch on Saturday. It will certainly be worth the trip to Hamilton for great food, great fellowship, and great Hereford cattle.

- This striking three-year-old donor female sired by Endure is out of one of the best females we ever produced, Sweet Tart. Sweet Tart was one of the featured donor females in our last cow herd sale, and we built our herd back with embryos from her and her full sister as well as a few other young donors. Sweet Tart was a Division Champion at the National Western Stock Show and won numerous other junior shows across the nation for Harley. Her progeny were popular and have gone on to be excellent producers, just like 1007.
- Sugar 1007 is a short-marked, red-eyed female with a beautiful udder. She is big hipped, powerful and well balanced from the side with extra extension through her front one-third. This young female with an exquisite look also has plenty of growth, maternal strength and added carcass, including a CHB \$Index that ranks in the top 7% of the breed.
- Flushed IVF one time for 13 transferrable embryos.
- PE 3/25/24 to 5/16/24 to TH 118A 183F Masterplan 273K.

• This impressive own daughter of our past donor Skittles 4080 sired by R Leader 6964 is one of the top replacement heifers to sell. The Skittles progeny were in high demand in our 2020 cow sale and for good reason—they work. 2058 is stunning from the side with a massive rib cage, a long, level hip design and extra shape. She has impeccable structure and ties it all together into a phenotypically pleasing donor prospect. 2058 has excellent growth and has her entire productive life ahead of her.
