LOT 20 OFFERED BY VALLEY CREEK RANCH

Exciting prospect here, flash fronted, big stout features and stylish to boot. These Maker's Marks keep getting better the older they get. This calf is no exception in that regard. Sound as a cat on the move, big and powerful with plenty of shape when you get behind him. He puts it all together in a very attractive package.

LOT 21 OFFERED BY TY WEATHERS

This steer has a stacked pedigree and has already bloomed so much since we weaned him. We couldn't help but see show steer all over him with a front end like this. He's a great eater and will pack on the pounds through the show season. He's sound yet powerful. It will be fun to watch him put the whole package together as a market steer.
