Friday, Nov. 21

Noon – 5 p.m. Cattle available for viewing

Saturday, Nov. 22

9 a.m. – Noon Cattle available for viewing

11 a.m. Lunch served by NCJHA

Noon Sale

Terms and Conditions

TERMS: Cash or good check. Cattle will be sold to the highest bidder. The auctioneer will settle any disputes as to bids. All cattle are to be paid for by the purchaser prior to loadout unless prior arrangements have been made. Each animal will be the purchaser's risk immediately after it is sold.

HEALTH: The health of the cattle selling is excellent. All animals will be accompanied by a proper health paper.

BREEDING GUARANTEE: All animals are guaranteed to be breeders. All bulls have passed a Breeding Soundness Exam within 30 days of the sale. All females sold as bred will be examined by a veterinarian and determined pregnant. There is no guarantee that a bred female will deliver a live calf. All open heifers are guaranteed to breed.

GUARANTEE: All animals sell under the American Hereford Association's Recommended Terms of Sale for Auctions (www.hereford.org). All guarantees are between the buyer and

seller. Any problems should be reported to the seller within 6 months of the sale date. The guarantee is for one breeding season. Any issues with the bulls will be worked out between the bull's seller and the buyer. The bull seller reserves the right to have a 3rd party vet to check the bull for issues.

ANNOUNCEMENTS: Announcements made from the auction block take precedence over statements in the catalog.

LIABILITY: All persons who attend the sale do so at their risk. The sale management nor any other persons connected with this sale assume liability, legal or otherwise, for accidents or loss of property.

TRUCKING: For sale day trucking contact William Ward 434-334-2625.

Online Bidding

The Southern Partners in Performance Sale will be live on the internet. Real-time bidding is available via the internet for this sale. Live audio and live video will allow buyers to bid on the animal just as if they were present at the sale.

A buyer account must be created prior to the sale.

Please visit www.livesuctions.tv to create an account and request a buyer number.

MARKETING OPPORTUNITIES FOR YOU

We want to be your source of Hereford bulls. Our goal is to be a genetic supplier and partner with an outlet for the progeny of the Hereford bulls you purchase from us. You are welcome to market select daughters of the bulls from this sale in the commercial heifer portion of future sales.

Plus, your steers are always welcomed by the Certified Hereford Beef marketing programs. Black white face and other Hereford crosses consistently top the market nationwide.

Please reach out to the bull suppliers, Tommy Coley or Will Thompson for more information!

Tulsa King is one of two full brothers out of a flush we did from the 48H donor cow that we absolutely love. 48H is owned with Double 7 Ranch in Oklahoma. Probably the most elite EPD profile we have on this offering. If you like a bull with tons of muscle here, you go.

You'll be hard-pressed to find a bull with more muscle than Five J's Turning Point M13. I don't know if you'll ever find a double bred Validated with this much muscle. This bull pushes all his indexes to the top 3%, with CHB, ribeye and marbling at top 1%. With triple digit growth and backed by the 7098 dam from Churchill on the top side, with one of our up-and-coming all-star dams on the bottom side that goes back to 1857, a top 5 dam in the Five J's herd. This Kingdom son will be the "turning point" for somebody's herd. RIP to the iconic, one and only, Charlie Kirk.

I absolutely love this bull. Everybody that comes to the farm always falls in love with the Guideline sons and daughters. He's moderate and smooth while ranking in the top 10% for yearling weight. Check out those carcass numbers, top 1% Marbling, top 13% in Ribeye, and top 2% on CHB and did it without a big carcass weight.

Talking about steers to the rail and replacement females, check out my bull right here. A smooth made, structurally correct Kingdom son out of a very elite cow here at Five J's. Combining the infamous 7098 cow that made waves across the country from Churchill, along with 4013 and Homegrown 8Y on the bottom side. Butcher's cut has seven EPDs ringing the bell in the top 5% of the breed.

If you like one goggle eyed, dark red, and horned this is your bull! He is out of Churchill Desperado, and those Churchill bulls have been in high demand. This bull will work on heifers (4.0 CE) and has a baldy maternal index in the top 6% of the breed.

A long bodied smooth fronted bull that is very attractive. While his WW and YW numbers don't blow you away there is lots of performance in this bull. His adjusted weaning weight was 644 lb.! Put him on a set of black or red cows and those calves should press the scales down!

Aladdin is my favorite bull in our group for a lot of reasons. His dam is a great cow that knows how to raise a calf. He had an adjusted 210 day weaning weight of 720 lb.! This bull is extremely stout, long bodied, dark red and horned. Sometimes horned bulls get a little plain, but not this guy.

If you like them wide at the base, big topped, lots of rib shape and sound, this is a bull you will love. All that width and power carries some birth weight with it. This is a horned bull that will deliver on a set of mature cows, but he is not one to use on heifers. His dam is the first cow we purchased from Hoffman Ranch and when you walk through the pasture the Hoffman cattle are easy to find.

Dark red well-muscled bull. Nice long back with excellent testicle development. This bull is light scurred which people claim is a sign of superiority in Hereford breeding. 80% pigment in left eye, 75% in right eye. With a BW ratio of 97 and WW ratio of 102, this Monument J338 son carries on the tradition.

B79 is an extremely long sided bull that is backed by impactful genetics. His sire was a herd bull for the Churchill Cattle Co. and his dam is a cow designed for the south. She is short haired, great uddered and has proven longevity. Impactful was the North Carolina State Fair Grand Champion Bull as a calf and went to work directly to work breeding cows at my place and we have calves on the ground that look very impressive.

The Program With Plan

The Plan:

Striving to create the very best phenotypically correct and maternal based replacement females and herd bulls available.

We have introduced a new herd sire to the lineup THM Patriarch 4031. He brings together two outstanding females NJW 160Z 8Y HOME MAKER 202C and THM 755T DAHLIA 6105 along with a list of accomplished herd sires and progeny.

Visitors are always welcome.

 **THM Patriarch 4031**
Semen available on several sires that could help take you to a like minded goal!
