

SHOCKLEY RANCH
ANNUAL BULL & FEMALE SALE

April 26, 2025 | 12:00 Noon (CST)

Sale Location: Poor Boy Livestock Auction – Wister, OK

190+ Head Sell!

60 Registered Hereford Bulls (Horned & Polled)

75 Registered Hereford Females & **55** Commercial Females (Spring Pairs & Fall Bred Heifers)

Welcome to our 2025 Production Sale, we are celebrating our 25th year breeding registered Herefords in the river valley of Southeast, Oklahoma. Normally sell the bulls at the ranch but didn't feel we could facilitate this many lots, so we decided to do this sale at the brand new Poorboy Livestock Market 7 miles from the ranch in Wister, Ok. Record low cattle numbers and the increased demand for beef has the cow/calf producers in the best position in our lifetime. With the current calf prices and the salvage value of older bulls there has never been a better time to upgrade your herd bull battery. The combination of Hereford docility, fertility, longevity and hybrid vigor when crossbred is second to none, if you're not using a Hereford bull on your black cows, we sure encourage you to try this and we promise you will be pleased with the outcome.

The Shockley Family

For the past 25 years every female is A.I. bred to the sire we feel is the best compliment to what each individual female needs to make the best calf. A lot of intentional planning goes into each mating, and all were thought out and deliberately matched. Our A.I. conception runs in the high 70s to low 80s, if they didn't settle at the clean-up bulls are equally exciting. CCCC Stud 45C 319L is a full sib to JDH Ah Benton 8G ET, KJ F31 Harvester 217L is a full sib to KJ F31 Rancher 763k, SR Dominate 631j is a full sib to Sr Dominate 308F, The herd sire we are most excited about is the bull we own in partnership with Dry Creek Farms in Alabama Churchill Equity 3316L ET who has been used as much as any bull in the breed in 2024 is the service sire on many females in the offering. Equity is the only bull in the Hereford Database with his combination of CED, BW, WW, YW, and \$CHB.

We are totally committed to our Embryo Transfer program to be offer more from our best females in quantity plus being able to have multiple full siblings in each sale to help customers with uniformity. Our top three donors include Churchill Lady 1162Y, JDH AH Mercedes 11E ET and HCC Oklahoma Lady 9100ET. We have put in 200 plus embryos the past 3 months and truly must make capacity for the recip herd, which is the only reason for selling the females in this offering in numbers we never have before. We are proud to offer both horned and polled genetics out of the best in the breed. The quality is deep as many proven females in the prime of their life are being offered, our females stay in the herd 12-15 years while maintaining udder quality, soundness, and the ability to wean a big calf.

We started our herd in 1999 with 10 head of females and have built the registered herd of 200 plus, we know our cattle well and how they will perform. We have sold bulls to seventeen different states; they will work in any environment. We are a family ran ranch, we love the Hereford Breed, our partners, customers, and contacts we have made, this is our passion and we humbly invite you to be our guest April 26th.

Sincerely,
Monte Shockley II and Family

SHOCKLEY RANCH ANNUAL BULL & FEMALE SALE

Watch the sale and bid live at LiveAuctions.TV
Erick Schmidt — 830-263-0166

Featuring:

- 60** Registered Hereford Bulls
- 58** Registered Hereford Females (Open Heifers, Fall Bred Heifers, Spring Pairs, Heavy Breds, Fall Bred Cows and Cow/Calf Splits)
- 55** Commercial Females (Fall Bred Heifers and 2-Year-Old Pairs)

LIVESTOCK INSURANCE

Insurance for your purchases will be available sale day.

HEALTH

A licensed veterinarian will be on hand sale day, and all cattle will be accompanied with proper health certificate for immediate shipment.

TERMS AND CONDITIONS

Cash or good check will be required for purchase before leaving the premises. Each animal to be sold to the highest bidder. The auctioneer shall settle any dispute as to bids. Announcements made from the auction block by Auctioneer or Sale Manager concerning the cattle will take precedence over statements in the sale catalog or other advertisement. We reserve the right to withdraw any sale lot not meeting our specifications prior to sale time.

GUARANTEE

All cattle sell under the recommended terms and conditions of the American Hereford Association and will become the responsibility of the purchaser as soon as sold.

TRANSPORTATION

Free Delivery on total bull purchases of \$10,000 or more up to 250 miles.

Truckers will be available for hire sale day, visit with owner or sale manager for trucking arrangements.

LIABILITY

All persons who attend the sale do so at their own risk and the owners or management assume no liability, legal or otherwise, for any accidents that may occur.

HOW MUCH CAN YOU AFFORD TO PAY FOR A BULL?

The slaughter bull market has been tremendous and many bulls are bringing 3,000 dollars and much more. There has never been a time when trading up to a new young bull has been this easy.

The old time ranchers have always said a new bull is worth 5 steer calves, and then he is paid for in the first year.

With this formula:

- 5 steers times \$1,800 is \$9,000 dollars that can be spent on a new bull.
- \$9,000 for the new bull minus \$3,000 salvage on the old one makes your actual purchase only \$6,000 dollars.
- \$6,000 dollars divided by 5 years you own the bull is \$1,200 a year to use the bull.

Rest easy – We'll take care of your new herd bull(s) at no cost until July 1, 2025!

BID LIVE ONLINE

LiveAuctions.TV

CREATE AN ACCOUNT

Click "Register to Bid" on the top right corner of LiveAuctions.tv. Fill out the required information to bid online.

REGISTER FOR A BUYER NUMBER

From the home page page, choose the sale you're interested in and click the "request a buyer number" button. Then, verify your email address with the email verification link.

BID SUCCESSFULLY

If you're a winning bidder, your lots will appear in your cart on the bottom of your screen. You will be contacted by the ranch or sale manager for your payment and shipping plans.

- 1273L is a stout-made bull that exemplifies strength and quality. He carries exceptional muscle shape and balance, combined with impressive depth of body, making him a phenotypic rockstar.
- With striking big red eyes, this bull commands attention and showcases his unique presence.
- Sired by the heavily utilized AI sire Mandate, he inherits a powerful genetic foundation that positions him as a next-level herd sire. Furthermore, he is out of the renowned Ladysport 2205 donor cow, adding to his pedigree's prestige.

- An impressive individual to appraise in person, showcasing a big, stout hip.
- Adds high-quality phenotype to an impressive pedigree.
- Exhibits excellent feet and structure.
- This set of bulls demonstrates unbelievable docility; 1234 may not have been the most photogenic on picture day, as he is very tame.
- Dam is my favorite cow in the herd and is a Dam of Distinction. Every calf born is the top of each crop and mating her to forward was perfect. This is a great opportunity and a hard one to let leave the ranch.

- 1278 is an exceptional Final Print son, showcasing a substantial spread from birth to yearling in his EPD profile, reflecting his ability to produce calves with rapid growth and performance.
- He boasts outstanding maternal traits, ensuring fertility, milk production, and calf vigor, which are essential for successful ranching operations.
- With off-the-chart carcass merit, this bull offers superior marbling and yield characteristics, appealing to market demands for high-quality beef.
- 1278 is a combination bull who integrates numerous desirable attributes that align with the needs of today's cattle producers, making him a valuable addition to any breeding program.
- BW Ratio 94%
- This bull weaned off his 2-year-old mom over 800 lbs. Dam is a full sib to our donor pen.

- M1 is a striking Liberty son, well-regarded for his eye-catching looks, solid quality, and sound build.
- He offers impressive carcass potential, featuring a large ribeye area that can boost market value.
- M1 stands out with strong performance numbers, including high scores for BMI (Beef Maternal Index), BII (Beef Influence Index), and \$CHB (Certified Hereford Beef), making him a smart choice for ranchers focusing on profitability.
- His combination of good looks and practical performance makes him a valuable addition to any herd.

- M5 is sired by the popular CRR Balance, and he truly embodies the term "balanced" with his exceptional structure and soundness.
- This bull features a well-rounded combination of EPDs that promise consistency and reliability for any herd.
- M5 is backed by some of the maternal giants in the breed, including Mandate P606 and Homegrown, providing strong genetics that enhance both productivity and profitability.
- He's an ideal choice for ranchers aiming to elevate the quality and performance of their cattle while ensuring herd stability.

- We couldn't think of a better way to kick off this female offering than with this impressive two-year-old Partner daughter.
- This female is always showing off. 1104 is the kind your eyes always keep going back to. This attractive young female is exactly what we aim to produce here in Poteau.
- Her mother is also a great producer and is the right kind she sells as Lot 89.
- We believe this promising young female has a bright future ahead of her, with the potential to excel in any donor program.
- We're excited to offer some of our best young females, and this one stands out as a prime example.

- I absolutely love this 895 cow — she truly has the WOW factor!
- With her square hip, long body, and full pigment, she's incredibly attractive and embodies the qualities we strive to produce.
- As an Explosion daughter, she exemplifies the type of females we're dedicated to raising.
- Her maternal grandsire, the infamous HCC Arapaho, adds to her impressive pedigree.
- This female is just getting started, and her potential is limitless!
- Due to calve before sale day, bred to STELLPFLUG Gunsmoke 222 ET.

- If you're looking for wild factor, this percentage Black Hereford has it all.
- With unmatched phenotype and an exceptional pedigree, she's sired by the homozygous black bull Cut Above and traces back to a maternal sister of the legendary donor Coco Creme.
- Whether you seek a competitive female or a donor to elevate your program, this female is poised to make a significant impact.
- Undoubtedly one of the most exciting Black Herefords ever offered, she's a true gem for any breeder.
- Sells open.

- This Power bred female has been a great producer. Her bull calves have been excellent!

40 Black Bred Heifers (Angus based females)

Bred AI 12/15/24 to proven, registered, calving ease Beefmaster bull, pasture exposed to registered Beefmaster and registered Brangus bulls from 12/25/24 to 2/8/25.

Due to calve late September through mid-November 2025.

Consigned by Floyd Farms, Ricky Floyd 501-230-1400

16 Black and Black Baldy 2-year-old Spring Pairs

Calves sired by Shockley Ranch Hereford bulls.

Info on Commercial Heifers Coming SOON

ADD VALUE

WITH FEEDER CATTLE & REPLACEMENT FEMALE PROGRAMS

HEREFORD ADVANTAGE

An industry-changing feeder cattle marketing program through IMI Global to verify and add value to Hereford-influenced feeder cattle with superior genetics, health and management.

MATERNAL ADVANTAGE

A unique marketing program designed to add value to Hereford-sired commercial replacement females with added fertility, feed efficiency, profitability and docility.

PREMIUM RED BALDY

Take advantage of hybrid vigor by maximizing the best traits of Hereford and Red Angus genetics that provide commercial producers with premium replacement females.
