GANT HEREFORDS

Annual Bull & Female Sale

Friday, February 27, 2026

1 PM at the Ranch 2 Miles West of Geddes, SD

Dear Fellow Cattlemen,

We are pleased to welcome you to our Annual Bull and Female Sale on Friday, February 27, 2026, at 1pm at 37195 285th St, just 2 miles West of Geddes, SD, which begins our 112th year in the Hereford cattle business.

We have sought after and purchased some of the most up to date genetics that the Hereford industry has to offer. Our excitement for what is to come in 2027, 2028, and beyond, is sure to be contagious when you see the next crop of bulls! We strive to raise cattle that are reliable and easy calving, without sacrificing hardiness or weight gain. Our hope is that the quality, affordability, and guarantee will exceed your expectations.

Our belief in the bull offering this year is not just words, but actions. We used lots 14, 18, and 19 on a select group of cows, heifers, and show cattle during the summer months of 2025. The remaining bulls were maintained on a high roughage diet during the winter and followed with summer grazing on pasture. In addition to our 2-year-old bulls, we have a handful of 18-month-old bulls who have really accelerated their growth over the past few months.

Bulls and bred heifers are available for viewing here at the ranch at any time prior to the sale. Additional information and videos will be available prior to the sale and can be viewed at www.GantHerefords.com and on Facebook @GantHerefords.

We hope you can make it on sale day Friday, February 27th @1pm, however if you cannot make it to the sale but would like to purchase a bull or bred heifer, online bidding is available at www.Live-Ag.com.

We are grateful for you, our customers, for your continued support along this journey.
