TERMS AND CONDITIONS

Terms of sale: Cash or check. All purchases will be required to be settled for on the day of the sale, prior to release. LCC retains the right to two successful flushes on all females selling. The owners must agree upon all other arrangements. No animal will be transferred until full payment is received. Interest on unpaid purchases will be equal to 18% per year.

Location of the sale and air service: Sale will be held at the farm, located at 8925 E. 1200th St. Macomb, IL, approximately 3 miles south of Macomb, IL. Macomb is conveniently located in West Central Illinois, approximately 30-45 minutes east from the Illinois/Missouri/Iowa borders. Furthermore, Macomb is approximately one hour from the Quad Cities, Springfield and Peoria, Ill., or 2 ½ hours from St. Louis, Mo., each serviced by major airlines.

Viewing of cattle: All sale animals will be available for viewing during the entire day prior to the sale on Saturday, Oct. 10, 2026.

Rules of the sale: Each animal will be sold to the highest bidder. The auctioneer shall settle any or all disputes. Any announcements made from the auction block shall take precedence over any printed material in the book or supplemental sheets furnished on sale day. All animals in this sale will become the immediate property of the breeder once they are sold. We ask that all buyers recognize this fact of ownership or recommend that the buyers insure their animals prior to leaving the sale.

Bids: For those who wish to participate in the sale and are unable to attend, you may contact any one of the owners or sale staff members to represent you in the bidding. You will need to realize this will be a binding agreement between you and the person representing you. You can be assured all requests will be handled professionally and in complete confidence. We recommend you make arrangements prior to the start of the sale with one of the owners or sale staff members so you will be assured participation.

Registration and EPDs: Each animal's registration paper will be transferred to the new owner(s) at the seller's expense. All calves born after the sale are to be registered by the new owner(s). Proper breeding statements will be signed by the seller for the buyer to use in registering calves born after the sale. The buyer will be responsible for obtaining AI certificates of service to register calves born by sires not owned by the sellers. The EPDs reported and shown are the latest provided by the American Hereford Association.

Health: Each owner has implemented and maintained a strict vaccination and health program for their herd. Each animal selling will have the proper papers for interstate transportation. Virtually all females in the sale have been calfhood vaccinated.

Liability and insurance: All persons attending the sale and related functions do so at their own risk. Each owner and the Lowderman Auction Company assume no liability, legal or otherwise, for any accident which may occur. Insurance for purchases will be available on the day of the sale.

Breeding guarantee: All cattle in this sale are guaranteed in accordance with the rules and regulations set forth by the American Hereford Association. Any females represented to be pregnancy checked safe is guaranteed to be pregnant at the time of this sale. All females safe in calf or with a calf at side are considered breeders with no further guarantee. All females who have been serviced but not checked safe in calf carry no guarantee on this breeding. Each owner can guarantee a service to this same breeding at a later date after the sale, providing it involves one of his or her active herd sires. Flush, embryo and donor dam guarantees: Please refer to those specific lots within this book for the individual terms and conditions pertaining to embryos, frozen eggs, flushes and donor cows.

Trucking: At the buyer's request, we will be happy to assist in making arrangements for delivery of cattle after the sale.

DEAR HEREFORD BREEDERS, JUNIORS, FRIENDS, AND FELLOW CATTLEMEN;

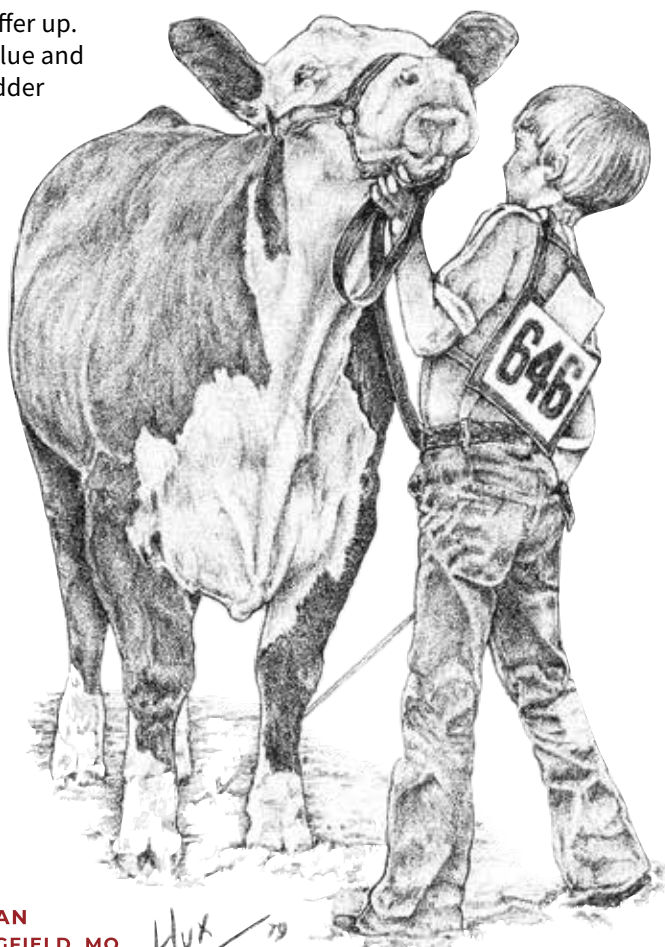

Welcome to this year's Illini Top Cut sale! The purebred cattle business is thriving more than ever and the demand for Hereford genetics has never been stronger. We are proud of this set of cattle and feel they are as strong and deep as we have offered. The ET calves offered are diverse and exceptionally high quality, complimented by a stellar group of young bred females that are ready to add value and revenue to your bottom line.

The Lady 48E cow family has become a staple here at LCC, these cattle have high end value and quality bred into them. Once again, her descendants lead off the catalog, highlighted by the first set of ET calves by the "Penny" donor, including a very intriguing lot 1 bull that puts an extra quality look, presence, mass and substance into a very balanced package with a progressive set of numbers. Make sure and check him out along with his maternal sisters. These individuals are complimented by elite offspring from the notable Kiwi, Diana, and Fancy cow families as well.

The bred heifers offered were retained with this sale in mind to offer up. They are all out of power donor cows that have huge breeding value and potential. The young cows selling, are exceptional with added udder quality, structure and eye appeal that have all have raised big calves, we are excited about what these bred females can do for their new owners.

We are pleased to have Fleisher Farms & PAW livestock joining us as guest consignors this year and they both dug deep into their herds to bring their top end, make sure to study their high end lots. Several heifers from last year's sale had great success this past show season including banners gathered at JNHE and state fairs. We feel there are several heifers in this offering that are from the same caliber that will be very competitive and well represented next year. Show cattle have been near and dear to us, but we believe in cattle that will thrive, be productive, and add value in production and we are confident these heifers will be major contributors after their show careers.

We have a deep passion for Hereford cattle, the Hereford breed and most importantly the Hereford people. We are beyond thankful and blessed for our past customers, their success, our current customers and welcome new faces to LCC and Macomb, IL. Please do not hesitate to reach out if you have any questions or need travel assistance. We look forward to seeing you on October 11th!

Incredible quality and presence! The first set of ET calves out of the 76K donor are extra impressive and we believe "Pursuit" will leave a lasting mark on our program. Extra flexible and ideal at the ground, super long bodied, big ribbed, and still has added shape and power with a big set of testicles. One that looks like this, usually doesn't balance that well on paper, but he does not fall out of bed anywhere on his genetic predictors. An individual we feel can be utilized in a lot of different ways! Selling 1/2 interest. Possession negotiable.

48E COW FAMILY

Lot 2A

Lot 2A: A maternal sister to lot 1, and one high quality individual! Super striking, big bellied, with an extra shot of bone and an unbelievable running gear underneath of her. One that should play at the highest levels in the older Horned division.

Lot 2B: Smooth as silk and built for the long haul! Flat shouldered, angular fronted, big bodied with more than enough substance to go with it.

48E COW FAMILY

A little younger, but may very well be the one when it's all said and done. One that you just gravitate towards, very high quality stock! Extra long necked, clean chested, big, level, square hip and hind leg with the right kind of rib shape at this stage. We think a great deal of this one and feel she can play ball in the big leagues.

Lot 4

48E does it again! This cornerstone donor has done an incredible job for us and has never missed. A full sister to this female is a past JNHE class winner and another was very successfully show by Nolan Orwig this past summer. Big ring pieces in this one! Huge feet and legs, yet soft bellied, and cat like at the ground in terms of structure all in an eye appealing package. Big Potential!

48E COW FAMILY

Cow power!! 9J is the donor for the next three lots, showing a great example of her generating value. An own daughter of 48E and a full sister to 130K, the feature lot two years ago that Grimmel/Schaacke selected and is the mother of last years high sellers which adds more predictability to the equation. Tons of future left in this one and has the goods to build around! Due later this fall to BG 1673 Dynamic 220L.

Lot 6

This one makes the short list on most everyones cards! Incredible build, balance and quality and extra good on the move! One of the really good ones selling!

The Kiwi cow family has long been a staple here, and this is one that ranks towards the top of 711E's production record. Square built, bold bodied, good in her angles and has a super attractive look to her. We really like this one's kind and she will be a big time show heifer, with donor potential!

DIANA COW FAMILY

Lot 8A

Lot 8A: Come to the auction!! A standout since day one and built for speed. Sexy at every angle, with all the bells and whistles. This one plays ball with the best of them!

Lot 8B: A bit more moderate package, yet still the same added quality and presence. Square, wide penned, bold bodied and yet smooth and feminine.

Lot 8B

DIANA COW FAMILY

The final pair of Red Kingdom x Diana sister are special gems in their own right! 12P is so smooth and elegant, sound structured and big bodied and reads like she make an incredible yearling show heifer!

Lot 10A

This is the big outlined sister that still has enough power and substance in a very high quality package. We like all of these sisters a great deal and we're anxious to see your thoughts.

SPECIAL ET HEIFERS

This one may very well be the cow prospect of the entire ET offering, but has all the goods for the show ring as well. Her dam is a past class winner at the JNHE B&O show for Tuck and Nash. Complete made, with cow power behind her and a solid set of EPD's to compliment her.

Lot 11

Here is a super dimensional female that's reads with loads of potential. Square built, with added rib, body, power and substance yet in a smooth lady like outline. This one will compete on the biggest of stages!

She was the logical choice to offer for sale since she's out of Gemini's dam, and we plan to use the bull for several more years. Functional and fertile, an early summer-born that bred up for early spring. She fleshed up nice on predominantly fescue pasture, no grain. Bred to KJ 488G Justice 606M at ST Genetics on May 3, 2026. Sells safe to the A.I. date.

This Dominate daughter is STOUT! She brings mass and power, starting at the ground, but also does a good job of maintaining her flesh in production. The dam's side of her pedigree needs no introduction to the winner's circle. Disposition of this cow is second to none, our kids showed her as a heifer. Lot 32A - Bull calf, DOB: 9/13/26, sired by PAW 41H Gemini 304. BW:98lbs.

This is what we want our Hereford cows to look like. We dug deep into the heart of our herd for our first guest consignment. She does everything right: calves on time, breeds right back, maintains her flesh on fescue, great udder, weans off heavy...and looks dang good doing it! Bred A.I. to KJ Tahoe on 5/27/26, then pasture exposed to PAW 41H Gemini 304. Safe in calf, but vet said 'too close to call' at pregnancy check.
