Plus! Picks of heifers that are full sisters to Stellpflug Bighorn and Stellpflug Open Range

Interest in several outstanding donor females, like the dams of Prolific, Resilient, Barricade and more!

welcome

The Stelleglug Family

It is with great excitement and gratitude that my family and I, as well as the entire Stellpflug Cattle Company crew, invite you to our Second Annual “A New Frontier” Female Sale!

Looking back on last year’s inaugural event, we remain humbled by the tremendous support and enthusiasm shown by cattlemen and women from across the country. Whether you joined us in person or online, the friendships made, conversations shared, and relationships strengthened were every bit as meaningful as the cattle we offered.

We would love for you and your family to join us on July 23rd for our pre-sale dinner at the ranch. It’s a special opportunity to relax, enjoy fellowship with cattle producers from across the country, and get a closer look at this year’s offering before sale day. Following the sale on July 24th, we invite all buyers to join us for supper at the historic Miners and Stockmen’s Steakhouse in Hartville. Once again, this year all buyers are invited to spend July 25th with our crew at the world-famous Cheyenne Frontier Days Rodeo.

My father, Glen, often said, “The woman will make or break you—the same thing in your cow herd.” His words ring true today more than ever. The foundation of every successful operation is its females, and there has never been a better time to invest in genetics that can strengthen and advance your herd for generations to come. As our industry continues to navigate drought and herd reductions, the opportunity to build with proven, high-quality females becomes increasingly important.

This year’s offering is one we are especially proud of. From bred Angus and Hereford heifers and productive young pairs to proven donor interests and never-before-seen semen packages, there is truly something for every program.

On the Angus side, you’ll find full sisters to Stellpflug Bighorn (Boyd Bedrock x Long Lucy 909) and Stellpflug Open Range (Ellingson Prolific x Stellpflug Rito Lady 22). Most of the Angus heifers were bred to Bighorn, creating exciting opportunities to acquire females backed by some of the breed’s deepest pedigrees.

On the Hereford side, most of the offering has been bred to Churchill Finale 4304M ET, the high selling bull out of Churchill Cattle Company’s final bull sale. Semen on Finale has been locked down until now, making this a rare opportunity to access a sire that combines elite genetics with the phenotype, power, and structural integrity cattlemen appreciate.

If we can answer any questions or help in any way, please don’t hesitate to give us a call. We look forward to welcoming you to the ranch and sharing a few days of great cattle and even better people.

From our family to yours, thank you for your friendship, support, and confidence in our program. We can’t wait to see you in July!

Andy and Theresa Stellpflug

INSURANCE

Jim Bessler, American Livestock Insurance
(815) 762-2641
Jim and Cheri Gies, BritAmerica Insurance
(970) 590-0500

TERMS AND CONDITIONS

- If any animals are carriers of genetic defects it will be noted in the footnotes.
- Each animal will be sold to the highest bidder without reservation.
- The auctioneer will settle any disputes as to bidding and his decision will be final.
- Terms of all sales will be cash unless arrangements are made between prior to sale.
- Individual health papers will be furnished with each animal permitting shipment to any state.
- In case an adjustment is required, it will be made with a replacement animal of equal value to the animal in question or credit on the purchase of another animal.
- The animal becomes the property of the purchaser as soon as sold, but it shall be the responsibility of the seller to see that animals are properly cared for until delivered to the purchaser.
- Any death or injury after the animal is sold is at the buyer's risk.
- Anyone attending this sale attends at their own risk and without liability on the part of the owners or their employees.
- Corrections or additions of any information contained in the sale catalog will be announced from the auction stand and will take precedence over any printed material.

PAIRS

Pairs will sell as splits and will be kept until September 1 free of charge. Stellpflug Cattle Company is willing to finance you until September 1 at pick up time as well. Females need picked up and paid for absolutely no later than September 15. Bred heifers can leave at any time.

TRUCKING

Trucking is the responsibility of the buyers. Call Stacy Soper 515-250-3080 or Gary Ohlrich 712-548-6481 if arrangements are needed.

SUPPLEMENT SHEET

A supplement sheet will be available with complete and up-to-date information on sale day and will be posted online at greatcattle.com and stellpflugcattle.com.

INTERNATIONAL PURCHASES

ALL expenses involved with cattle being exported out of the United States will be the responsibility of the buyer, including all vet work, export permits, and trucking on both sides of the border. Stellpflug Cattle Company will help to coordinate the process.

avropus

ANGUS SERVICE SIRE

As we have said before, Bighorn is the most unique animal to ever sell in a Hoffman sale. Either breed, either sex. Grimmus Cattle Company identified this bull and made a huge commitment to him as this was their \$360,000 purchase. Not only has he attracted major attention in their semen sales, but he has remained extremely popular to all visitors at CGS in Mitchell, SD. We get calls weekly from people that stop in there and see him and praise him for his quality. We feel the full sisters that will be selling represent this great flush just as strongly as the bulls did.

STELLPFLUG BIGHORN

LONG TETON 107

The mother of Sitz Barricade. Barricade is known for a power bull and that power came from his mother 765D who will also sell as Lot 91. We can go on and on about about Heisman, but if you haven't used him yet we feel he's a great tool. Seldom will you ever see a bull number up like this with these type of figures and cows behind him.

Nell 16 was our pick at the last Sitz female sale. She's a phenomenal cow and a great producer. Her Bedrock sons will lead our fall bull sale. The Saluda calves are extremely popular and he's one of the unique bulls that has phenotype and extra strength numerically.

HEREFORD SERVICE SIRES

Finale was the high selling bull from the final Churchill bull sale. This bull is ideal for the times. The On Demand daughters are exceptionally good and that crossed with 7098 leaves very little guess work. It's not often that you see carcass bulls with this much scrotal, structural correctness, and eye appeal. He was part of the final chapter for Churchill; however, he is the beginning of the future for those looking to improve their herd.

STELLPFLUG GUNSMOKE

semen opportunity

The high selling bull from the final Churchill bull sale. This bull is ideal for the times. The On Demand daughters are exceptionally good and that crossed with 7098 leaves very little guess work. It's not often that you see carcass bulls with this much scrotal, structural correctness, and eye appeal. He was part of the final chapter for Churchill; however, he is the beginning of the future for those looking to improve their herd.
