TERMS and CONDITIONS of SALE

1. The cattle are offered for sale by the consignor as sound in all respects. Members of the sale committee have evaluated each animal and found no visual problem. The West Virginia Polled Hereford Association assumes no responsibility or liability for the soundness, quality or performance of the cattle. Dissatisfaction with the cattle by the buyer should be communicated to the seller.
2. Terms: Cash or check. Each animal is to be sold to the highest bidder. The auctioneer shall settle any dispute as to bids.
3. All cattle are to be paid for by the purchasers during or immediately after the sale and will not be released until settlement has been made.
4. Each animal will be at the purchaser's risk immediately after the animal is sold. They will be fed and cared for free of charge for a reasonable length of time after the sale, but at the purchaser's risk (buyers can have them insured against this risk at a nominal rate) and will be turned over to the buyer or shipped as he may direct.
5. Registration certificates of the animals (AHA only) will be transferred to the buyer at seller's expense. Each buyer must be sure to give the clerk his proper name and address for making transfers. Proper breeding statements shall be signed by the seller for the buyer to use in registering calves born after the sale. AI certificates for sires of embryo in dam. at time of purchase will need to be purchased by the buyer unless otherwise stated.
6. Breeding Guarantee: All animals sold in this sale are guaranteed by the seller to be breeders, provided they are properly handled and cared for by the purchaser. If any fail to breed, the seller must be notified by midnight, 4/11/2027, otherwise the animal is no longer guaranteed in any way. If the animal is in a sound, healthy condition, buyer may return it to seller who shall have six months to test it and then if the animal proves to be a non-breeder, a satisfactory exchange will be made or purchase price refunded.
7. Any female selling with calf at side is considered to be a breeder.
8. All females that have ever had a calf and do not have a calf at side sale day have been examined and found to be pregnant. Heifers that have never had a calf may or may not be examined. Announcements will be made at the sale.
9. Health: All cattle have met the health requirements set forth by the WV Department of Agriculture, Animal Health Division and carry an officially identified "840" number.
10. Announcements at the sale ring by the owners or the auctioneer concerning the cattle will take precedence over statements in the sale catalog.
11. All persons who attend the sale do so at their own risk and the owners or management assume no liability, legal or otherwise, for any accidents which may occur.
12. **Cattle bought online or by phone must have prior arrangements for pick up or delivery. All cattle must leave premises at the conclusion of the sale.**

- A bred heifer with the kind of credentials that don't come around often.
- She's out of a seven-time National Champion dam and sired by the industry-leading American Classic, giving her a pedigree that reads like a blueprint for success. Her show record backs it up. A consistent Top 5 Hereford heifer at multiple shows, built with the look, balance and presence that rise to the top every time she walks in the ring.
- Now bred and ready to work, she's the kind that pays you back in a hurry. She was pasture exposed to Churchill Red Baron 2206K from 10/11 to 12/21/25, adding another layer of elite genetics to an already powerful package.
- This is a future donor in the making. The kind of female that builds programs, not just fills pastures!
- *Consigned by Blosser Farm, Morgantown, WV Chris Blosser, 304-296-4298*

- Nora is a thick, moderate frame heifer.
- Should have a nice udder like her dam.
- Nice eye pigment and EPDs are great.
- Halter broke and sells open.
- *Consigned by Lucky Lady Farms, Ireland, WV 26376, Jerry Posey 304-452-8548*

- We try to bring a top bull-prospect to this expo every year and this Ridge 254G son is as stout a bull as we have ever offered.
- 5016 is structurally sound and designed to perform.
- With a solid EPD profile, pigmented eye and remarkable muscle shape, Ridge 5016 will prove to be a beneficial addition to your herd.
- 5016 has been GE-EPD tested and is homozygous polled.

- Ms M445 is a two-year-old cow sired by our WLKR Gaucho 33Z bull that we purchased from Walker Herefords in their 2019 fall sale. We have raised and sold a lot of calves, both heifers and bulls, from the Gaucho bull and have been extremely pleased with his females which we have kept.
- Moderate framed, thick, smooth front quarter, long sided, very dark red, an eye appealing two-year-old cow.
- Pasture exposed from 5/31 to 9/29/25 to our new KCF Bennett Eagle son (Reg. #P44405022) that goes back on the sire side to Innisfail 430 ET. Should calve by sale date.
- Consigned by *Grandview Hereford Farm, Beaver WV 25813, Ken Scott 304-763-4929*

- We purchased Sarah's mother off of our good friends at Ralph E. Ullman.
- Her mother is a no-miss kind of cow, she always brings a very nice calf in at weaning.
- I have no doubt that Sarah will do the same. She should wrap longevity and productivity into a nice package.
- Consigned by Painter Farms, Gandeeville, WV 25243, Matt Painter 304-761-0027

HOW TO BID ONLINE

...IT'S AS EASY AS A, B, C!

Step A:

Type SaleRing.Live into your browser. SaleRing.Live can be used on your phone, tablet, or desktop. We strongly recommend using Google Chrome as your browser for the best viewing and bidding experience.

Step B:

Click the "Login/Registration" button. First time users, click "Registration." Enter your personal information. Check box for "I agree to the Terms Above." Click "Next Step." A confirmation email will be sent to the email address you used in registration.

SaleRing.Live reserves the right to refuse bidding credentials to any customer not meeting our specifications.

Step C:

You are ready to go! You don't have to worry about a bidder number. As long as you are registered and logged in, you will be able to bid. Please remember you are on a highly sensitive web page. Please pay attention while scrolling or handling mobile/tablet devices.

DIRECTIONS

IMPORTANT GPS NOTICE

Visitors have had varying levels of success getting to WVU Jackson's Mill using various GPS devices. Sometimes they're routed over a lengthy albeit scenic route. Other systems are unable to find the Mill at all. Their address has changed several times over the past decade, creating a fair amount of confusion. **The following coordinates should bring you to the gate at the Farmstead: N 39 05.838, W 80 28.117.** We strongly suggest taking a minute to make note of the directions below. We can guarantee they will get you there in as straightforward a manner as possible.

Traveling South on I-79: Taking Exit 105, turn right toward Jane Lew and travel approximately .5 mile to the intersection of Route 19. Turn left and follow Route 19 South for approximately 7 miles to Jackson's Mill Road. (The Hickory House Restaurant is a landmark.) Turn right onto Jackson's Mill Road and go approximately 2.5 miles. After you cross the bridge, the WVU Jackson's Mill grounds are on your right.

Traveling North on I-79: Using Exit 99, turn left toward Weston onto Route 33 West and travel approximately 2 miles. At the fourth traffic light, turn right onto Route 19 North. Follow Route 19 North for approximately 4 miles to Jackson's Mill Road. (The Hickory House Restaurant is a landmark.) Turn left onto Jackson's Mill Road and travel approximately 2.5 miles. After you cross the bridge, the WVU Jackson's Mill grounds are on your right.

Traveling West on Route 33: Continue straight on Route 33 through the Interstate 79 interchange. At the fourth traffic light (approximately 2 miles), turn right onto Route 19 North. Follow Route 19 North for approximately 4 miles to Jackson's Mill Road. (The Hickory House Restaurant is a landmark.) Turn left onto Jackson's Mill Road and travel approximately 2.5 miles. After you cross the bridge, the WVU Jackson's Mill grounds are on your right.

Traveling East on Route 33: Take Route 33 into Weston, then follow signs for Route 19 North. After approximately 4 miles, (the Hickory House Restaurant is a landmark), turn left onto Jackson's Mill Road and travel approximately 2.5 miles. After you cross the bridge, the WVU Jackson's Mill grounds are on your right.
