Shuffler Farm · 444 Union Grove Road · Union Grove, NC

The 57th Annual North Carolina Hereford Classic is Dedicated to

NEIL FISHEL

Family and legacy are the cornerstones of the agriculture and cattle industries. Take a walk through any show barn and it won't take long to see parents teaching their children, grandparents watching proudly, siblings working, and sometimes arguing, but together. Look a little longer and you'll see another type of family - affectionately referred to as "the barn family."

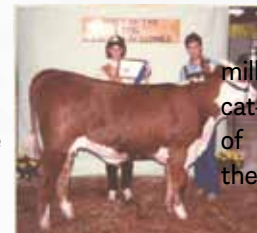

The lines of what child belongs to what parent start to blur as everyone blends together, helping and supporting each other, regardless of show outcomes or sale numbers. Barn Mom and Barn Dad are titles of honor, marking someone as trusted by the youth of the barn for wisdom, encouragement, a helping hand, and a hot meal. Many have earned those titles over the years, but perhaps none quite as deservedly as Neil Fishel.

Neil's journey with cattle began at birth with his grandparents and parents, Phil and Brenda, already working towards establishing Windmill Acres Farm at their home in Winston-Salem, NC. He began showing at age 8 and immediately found a passion for raising and exhibiting livestock, especially Hereford cattle, and joined his local 4-H chapter shortly after to learn more. Eventually, he would become the President of the South Fork 4-H Club.

In 1978 he exhibited his first Hereford steer born and raised at Windmill Acres Farm. This was the start of a long and storied career as a showman and a breeder. Attending the 1979 NC Polled Hereford State Sale prompted the purchase of three new Hereford females that would become the founding matriarchs of the herd at Windmill Acres.

The following years were spent gaining experience and building up his herd. At the 1984 North Carolina State Fair, Neil became the first in the history of the fair to win both Grand and Reserve Champion Market Steers. In the same year, he showed the Grand Champion Polled Hereford Heifer owned by Dr. Jack Shanks - a testament to the rapport and trust he built within the industry.

Adding to existing strong maternal and genetic lines with a female purchased from Beartooth Ranch, Columbus, Montana in 1987 saw a set of twins born to Windmill Acres, Nan and Jan, who catapulted Neil's show endeavors to new heights. The same year, he became the Area 11 Director for the National Junior Polled Hereford Council, an honor that afforded him invaluable experiences.

For the next few years Neil traveled throughout the United States collecting accolades, creating lifelong relationships, and making a name for himself in the industry. The list of Champions raised and shown by Neil and Windmill Acres is long - the banners, plaques, ribbons, and backdrop photos now cover nearly every inch of the walls of his childhood bedroom.

In 1992 he married the love of his life, Karen. Together they founded Windmill Acres East in Kernersville, NC. Here they raised their three children, Clara, Melanie, and Wesley to share their love of Herefords, farming, and family traditions. Many successful show cattle, life lessons, and treasured memories came from Windmill Acres East-including the 2014 North Carolina State Fair Grand Champion Bull, Apache, born and raised at Windmill Acres.

More important to Neil than the banners are the relationships he's built along the way. Some of his most cherished friendships were forged in a cattle barn. His knowledge and insight has earned him the respect of breeders across North Carolina and beyond. While his passion for the youth in the industry coupled with his welcoming demeanor, charisma, and propensity for laughter has made him a trusted pillar in the barn. Neil stepped into his own role of influence to help bring up the next generation of showmen and breeders - offering advice, encouragement, and support to his children and all the youth in the barn. His presence in the barn and the Hereford industry is undeniable, and has left a lasting impact that will continue to resonate for many years to come.

His pride and joy has been watching his children grow up raising and showing Hereford cattle and eventually blazing their own paths in the industry as royalty, photographers, and breeders. Continuing in the industry as the 5th generation of Hereford breeders and showmen are Neil's grandchildren, Elizabeth and Abigail, daughters of Clara and her husband, Joshua.

Neil, Dad, Pawpaw - Congratulations on being named as the 2025 North Carolina Hereford Association Sale honoree. We as a family are proud of the path you have forged for us and privileged to carry on your legacy.

The 57th Annual North Carolina Hereford Classic

TERMS AND CONDITIONS

1. TERMS: Cash. Each animal to be sold to the highest bidder. The auctioneer shall settle any disputes as to bids.
2. All animals sold in this sale shall be subject to the applicable laws, rules and regulations for the state of North Carolina and all rules or regulations of any agency of the state of North Carolina.
3. Announcements at the sale ring by the owners or the auctioneer concerning the cattle will take precedence over statements in the sale catalog.
4. All persons who attend the sale do so at their own risk and the owners or management assume no liability, legal or otherwise, for any accidents that may occur.
5. The auctioneer (Dale Stith) acts only as agent for the sellers.
6. Health papers will be available for cattle to be shipped interstate.
7. No service AI certificates will be furnished.
8. Delivery: The sellers will make every attempt to assist buyers in hauling at the lowest possible cost.
9. Insurance will be available through Harding and Harding. Please see the auctioneer for insurance.
10. 10. Registration certificates will be transferred to the buyer at
11. the seller's expense. All calves at side or born before the sale will be registered at the seller's expense.

- Amorous is a power heifer by the 4013 bull. She has all the cosmetics - dark red and red necked with 100% eye pigmentation and goggle eyed. Her WW and YW EPDs are in the top 1%, MG in the top 6%, CHB in the top 6% while having a 21% MCE. DNA tested with GE-EPDs she is carrier free. All three maternal dams in her pedigree are DTF bred and represents the strength in her pedigree.
- Pasture exposed from 11/22/24 to 1/10/25 to Lot 14 DTF PRESTIGE II 1J38 3L26.
- Consigned by Deer Track Farm, Bob Schaffer, Spotsylvania, VA

- You are supposed to bring your best to the sale to represent your program. I believe Sydney a KCF Bennett Monument J338 daughter, definitely does just that Her GE-EPDs are eye popping and she has all the potential to be a top end foundation dam in your herd. All three maternal dams in her pedigree are DTF bred and represents the strength in her pedigree. Sells open and ready to breed.

- I have a dilemma with Prestige. He is an outstanding bull. Too dark to be called dark red, he is nearly black, so I'll use mahogany. Red necked with goggle eyes. His GE-EPDs are outstanding. I used him on at least 12 of my fall cows and heifers this past fall. My problem is Dauntless 4M03 came along. (See my ad) I don't have enough cows to support both and Prestige needs to breed cows. Look at him and visualize what he will add to your calf crop.
- Selling full possession and 1/2 semen interest

- Introducing DTF Dauntless sired by Knoll Crest's KCF Bennett Monument J338. On his maternal side he has three generations of DTF dams. Dauntless has the potential to be a generational Hereford sire. His GE-EPDs are undeniably at the top of the breed. Cosmetics are dark red, short marked with both eyes pigmented. All the characteristics of a great phenotype are his. I'm truly excited by the potential Dauntless currently demonstrates.
- Offering thirty straws of semen, three canes of ten.
- Here is your opportunity to be on the front end of an exceptional bull.
- Consigned by Deer Track Farm, Bob Schaffer, Spotsylvania, VA

25H is a cow that we had to think long and hard about parting with. She's been an extremely productive cow here at Montgomery Farm, bringing a heavy calf to the replacement pen each year at weaning! She has a very attractive udder with uniform teats, a bit of pigment on her face, and stays fleshy with a moderate build that should be a Hereford breeders dream.

- Due to calve 2/28/25 to TH Frontier 174E. Updated calving info will be added before the sale.
- She will sell open, ready to breed to the bull of your choosing.
- Consigned by Montgomery Farm, Andy Montgomery, Blacksburg, SC

- Here's an opportunity to purchase embryos out of a big, stout, good looking polled daughter of the famed 028X. She was the second highest selling cow in the 2023 Dry Creek Farms Sale. She offers calving ease and growth. With over 40 registered progeny, she is a very fertile beast of a cow. Also, Fortified will put length, depth, and a great look to these calves. He has done an outstanding job across the country.
- Selling a package of four (4) IVF embryos. Guarantee one pregnancy if implanted by a certified embryologist. Stored at Trans Ova in Lawrenceville, GA.
- Consigned by P and J Farm, Andy Smith, Monroe, NC
