Real-time bidding is available via the Internet for this sale. Live audio and live video will allow buyers to bid on animals just as if they were present at the sale. Buyer account must be created prior to the sale. Please visit www.liveauctions.tv to create an account and request a buyer number

Sale Schedule:

Friday, December 11

3 p.m. — All cattle in place at Carthage Livestock Inc.
6 p.m. — Illinois Hereford Association Social at The Wood Inn

Saturday, December 12

11:30 a.m. — Illinois Hereford Association Winter Classic Sale

FOR MORE INFO or to request a catalog, please contact Noah Benedict at 217-372-8009 or nojo1132@gmail.com

Hotels:

Quality Inn and Suites Keokuk North
Keokuk, IA 319-524-9000

Best Western Macomb Inn
Macomb, IL 309-836-6700

Prairie Winds Motel
Carthage, IL 217-357-3101

TERMS: Terms of the sale are cash or check. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids.

PURCHASE: Each animal will be at the purchaser's risk as soon as sold and can be moved after settlement has been made.

ANNOUNCEMENTS: There will be a supplement sheet available sale day. Announcements at the sale ring by the manager or auctioneer shall take precedence over statements in the sale catalog. The owner is responsible for any statements or announcements regarding his consignments in the sale.

HEALTH: All cattle will have health certificates that will enable them to be shipped to any state. All bulls will sell with a Breeding Soundness Exam that was completed within 30 days of the sale. All females selling as "bred" will be checked and confirmed "pregnant" on their health papers.

CONSIGNOR'S RESPONSIBILITY: The seller is the responsible party for all representations made about their cattle. The management, auctioneer and sales staff of the sale assume no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and the seller.

PAPERS: The certificates will be transferred to the buyer at the seller's expense. All calves born after the sale are to be registered by the purchaser. No AI certificates are furnished.

NOTE: As the sale manager, Illinois Hereford Association is only an agent for the seller and has no responsibilities other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the owners of the consigned cattle nor the Illinois Hereford Association assume liability, legal or otherwise, for any accidents which may occur.

Winter Classic Welcome

Welcome to the 2026 Illinois Hereford Association Winter Classic Sale!

What a wonderful tradition that has been officially established for the Illinois Hereford Association. The Winter Classic Sale has become a pivotal event for the state — A valuable marketing opportunity for breeders looking to showcase their most elite genetics and a great platform for progressive cattlemen targeting quality Hereford cattle to add to their operations. This sale has spurred higher demand for Hereford genetics in the state of Illinois, along with some of our surrounding states, and I think the 2026 offering will prove why.

One of the standards that has been set that has helped this sale become a tradition is the tough screening process that each nomination must undergo to make the sale. These lots must excel in a combination of areas that include phenotype, genetic lineage, breeding history, genomic EPD profile, calving details and disposition. Our consignors have answered the call, and are providing the best offering that we have seen yet.

Here is the catalog breakdown:

Lots 1-4: Bulls — This is the best offering of bulls that this sale has seen, and it is not close! Breeding age bulls that will improve phenotype AND genotype.

Lots 5-30: Bred Heifers — The foundation for this sale. The largest division in numbers and the perfect showcase of each consignor's operation. A glimpse into how talented Illinois Hereford breeders are.

Lots 31-37: Cow-Calf Pairs — An exciting division year after year. With calves at side, this division offers quick ROI potential alongside the impressive breeding pieces that are available to add to your herd

Lots 38-40: The Bred Cow division, screened even more intensely than the other divisions. These cows are producers that can't be overlooked.

Former IHA Winter Classic lots have gone out to prove themselves. If you do some digging, you will see that they have turned into donors, mothered champions at the IJHA Preview Show, and produced highlights at multiple production sales for their buyers. No matter what you are looking for, I am confident this sale has an animal that will not only fit the needs of your operation, but elevate it.

On behalf of the Illinois Hereford Association, I would like to invite you to join us for the December 12th weekend. This will be a great event with high levels of both collaboration and camaraderie amongst our Illinois Hereford family.

If you aren't able to join us, please reach out to myself or any of the sale staff to assist. We are here to help you!

See you at the sale!

Noah Benedict

- Take one look at this bull and you can understand why Tomahawk genetics have been so sought after. This bull has already seen success in the ring, being named champion at the Iowa State Fair, but we are most excited for what he can bring to the table as a breeding piece. His look and balance are unmatched, and he is backed by a freckle-faced cow that has never missed. As exciting of a breeding piece as we have offered at this sale!

- A rugged, stout, big-boned horned bull that will add pounds on pounds to any calf crop. Viper is the result from a bred heifer we purchased from Goldstein's and we couldn't be happier with the results. We wanted to bring our very best to the Winter Classic, otherwise this bull would be at home covering ouR stock. Will have GE-EPDs by Sale Day.

- We are very excited about the breeding value this bull brings to the table. He is out of our standout 218 cow and the popular Hoffman Richmond bull. Bid with confidence knowing he will be safe on your entire herd; we were excited to clean up our heifers with him this past summer. He has exceptional hoof design, great look and balance, and more than enough growth and mass. 2506 is a herd sire with an abundance of doability and mating versatility. Will have GE-EPDs by Sale Day.

- Homozygous polled. Herd bull deluxe! 4925 is short marked with full pigmentation. He has a complete set of balanced EPDs, and sired by the popular AI sire, Birdwell Pivotal. His dam is a moderate framed, good uddered Legit daughter that everyone who visits takes note of in the pasture. If he wasn't related to everything at our farm, he would be running with heifers this year!

- Hard to let this one go. Our 232 bull has been knocking it out of the park with the females he's been producing. Structure, body, and muscle shape in a maternal package. Add in the 285H cow from NJW for an even better shot of maternal power. 285H has a full brother walking the pastures at NJW. This calving ease female reads great on paper and has that maternal, cowy look we desire at LF.
- Bred AI on 5/14/26 to NJW 202C 173D Steadfast 156J ET then pasture exposed to LF 0128 Top Secret 4101 from 7/15/26 to 5/9/26. Checked safe to AI date. Expected due date of 2/22/27.

- BIG TIME DONOR PROSPECT! Keep your eyes open for this heifer's video coming soon! This is one that will age like fine wine and get better everyday from here on out. She has extension up front, an incredibly balanced look, and the kind of effortless movement you love to see in the pasture. To top it off, she brings an added bonus with extra pigment. Sired by Houston and out of a Miles McKee Daughter, this female brings a pedigree worth getting excited about. Her EPD profile...we will let you study those for yourself but ranking in the top 2%-6% in both weaning and yearling weights, MG, CW, REA, and CHB is a combination that's hard to overlook.
- Pasture exposed from 4/4/26 to 6/5/26 to Stellpflug Outrider 3559 ET. Checked safe. Expected due date of 2/26/27.

- POWER COW IN THE MAKING! This Sherman-sired bred heifer is built to go to work in the pasture and make a lasting impact on your herd. She brings the kind of bold rib shape, added bone, and sound structure that we believe are key ingredients to making productive, long-lasting cows. Give us a powerful, good built female with the pieces to raise cattle and stay in production all day long. Her pedigree adds even more value, tracing back to a Sensation 028X daughter purchased from the Kline family. With proven genetics behind her and a set of EPDs worth studying, this female offers plenty of reason to get excited about her future.
- Pasture exposed from 4/4/26 to 6/5/26 to Stellpflug Outrider 3559 ET. Checked safe. Expected due date of 2/3/27.

- BIG PIECES, INCREDIBLE FUTURE AHEAD ... Honestly, this one shouldn't be selling, but we believe in offering our very best. This New Standard daughter traces back to Churchill Lady 0104, who has made a lasting impact on our program. We absolutely love the way this heifer combines stoutness, flexibility, and eye-catching look with the build that suggests brood cow. Her EPD profile is nothing short of impressive, ranking in the TOP 1% for REA, Marbling, and BII; TOP 2% for Teat and BMI; and TOP 3% for Udder and CHB. Incredible combination of maternal excellence and carcass merit. Females with this kind of phenotype, pedigree, and genetic profile are hard to come by. We believe this one will flat raise 'em.
- Pasture exposed from 4/4/26 to 6/5/26 to Stellpflug Outrider 3559 ET. Checked safe. Expected due date of 2/3/27.

- This Sherman daughter is a well-balanced, red-to-the-ground heifer who checks a lot of boxes when it comes to making a productive, good-looking cow. She offers tremendous extension up front, a balanced design, and the kind of overall quality that makes her easy to appreciate out in the pasture. She may not need a lot of extra hype—she's simply the kind of female we believe will go to work, raise good ones, and be a valuable addition to any cow herd. Note her Marbling is top 4%, CHB is top 5%, and REA top 6%.
- Pasture exposed from 4/4/26 to 6/5/26 to Stellpflug Outrider 3559 ET. Checked safe. Expected due date of 1/28/27.

- 503 is a daughter of the 14 EPD Trait Leader 'Small Town Kid 9023'. She is red eyed, short marked, angular fronted, with ample body and that cow look. Her maternal grand dam 123J is the dam of the 'Monument' son ""DIRTY BLUE' owned and used by the Goldstein and Young families. 503 has 8 top 10% EPD's and Indexes. Top 1% CE while top 19% for WW. Udder and teat top 1% and 2%. Top 7% marbling and top 3% CHB.
- Bred AI on 5/5/26 to /S Profound 44041 ET. Checked safe to the AI Date. Expected due date of 2/11/27.

- When selecting our bred heifer, we went toward the top of the line. 10N is a great representative of what we try to produce at EPH. She has great look plus hits so many important traits. Calving ease numbers (near the top in our breed) followed by growth numbers of WW and YW EPDs in the top 10%. Her Mature Cow Weight and Carcass Weight EPDs tell a story of a moderate sized cow that will produce calves with the right carcass size. Dont forget her top 1% Marbling number that helps give her a 212 CHB. 10N also backs in up with performance with strong weaning/yearling weights plus exceptional ultrasound data. She has small scurs.
- Bred AI on 6/19/26 to JW 1857 Merit 21134 then pasture exposed to SHF New River 2912 N136 from 7/1/26 to 8/20/26. Checked safe to the PE. Expected due date of mid April.

- Lorenzen's and Roome's are bringing their top bred heifer to town! The only reason we are able to share this Land Profit daughter out of Kelly (from the legenedary Hoffman line) is that we have started to flush her dam and have several daughters already on the ground. This heifer mirrors her dam as a fantastic brood cow prospect. The industry seeks these types of cattle that are easy keeping and backed by great pedigrees and numbers! This is the type that makes you proud to be in the Hereford business! Will have GE-EPDs by Sale Day.
- Offered with Lorenzen Farms
- Bred AI on 4/11/26 to KJ BJ 309C Leader 182F then pasture exposed to R Panther 5405 from 5/17/26 to 6/11/26. Checked safe to the AI Date. Expected due date of 1/21/27.

- This heifer's presence has caught our eye from day one and she has only gotten better with time. Her dam has an impeccable udder and is quickly becoming one of our favorite up and coming young cows, from our most maternal cow line. Her daughter reflects her exceptional maternal qualities. She is sound and stout with a pedigree built around function and longevity. We think she will quickly become a ranch favorite. Will have GE-EPDs by Sale Day.
- Bred AI on 6/2/26 to BAR JZ On Demand then pasture exposed to WCM 218 Sir Richmond 2506 from 6/10/26 to 8/10/26. Checked safe to AI date. Expected due date of 3/11/27.

- An exciting bred heifer here with awesome eye pigment and udder/teat placement underneath her. This one has all the potential to be a front pasture cow in her new home. Bred to our bull we purchased from Coyote Ridge, we have several calves on the ground, and they are exceeding our expectations and then some. I believe this cross between these two will be no exception.
- Pasture exposed from 4/20/26 to 6/1/26 to CRR 107 Balance 440 . Checked safe. Expected due date of early February.

- A big time cow prospect sired Final Print. She comes from the oldest cow family on the farm. If you get on the website you will see the CF prefix go clear back to a cow that we bought from Split Butte ranch in Idaho back in the middle 90s. Her younger half sister has a halter on her now so another female that will be kept around. Cow family has quite simply always put together a great combination of growth, bone, eye appeal without sacrificing maternal traits. Broke to lead.
- Bred AI on 5/19/26 to Stellpflug Next Step then pasture exposed to CF Gunsmoke 1067 516 from 4/10/26 to 5/9/26. Checked safe to AI date. Expected due date of 2/25/27.

- Caitlin's sire, Shameless, is a full brother to Who Maker and has sired many outstanding females for ECR. Udder quality is a hallmark of Caitlin's cow family. Caitlin is very sound structured and has extra extension through her front one-third. She is poised to become a solid, productive brood cow.
- Bred AI on 7/8/26 to Green JCS Makers Mark 229G ET. Checked safe to the AI Date. Expected due date of 4/16/27.

- This is the kind of female that a person could have 100 of and not be upset. Feminine, sound, and easy-doing, this On Demand daughter has all the foundational traits to build on. Her genetic profile is impressive across the board, and she is backed by one of the good Bandwagon females that's really moved our program forward.
- Bred AI on 3/25/26 to /S Mandate 66589 ET with sexed female semen. Checked safe to the AI Date. Expected due date of 1/1/27.

- An own daughter of Endure that has all the goods! Shes moderate in her kind and just gives that look and feel of a low maintenance cow that will get the job done year in and year out. Her dam,05H, does well every time shes up to bat. She produced a prominent daughter that went on to be champion cow calf at state fair jr show, reserve in the open, and champion at Iowa state fair. 521 is the easy keeping kind that will make her new owners money for years to come. Will have GE-EPDS by sale day. Broke to lead.
- Bred AI on 5/19/26 to Stellpflug Next Step then pasture exposed to CF Gunsmoke 1067 516 from 4/10/26 to 5/9/26. Checked safe to AI date. Expected due date of 2/25/27.

- This moderate framed Merit daughter has an excellent EPD profile, but is a sight to see also! She is very sound and we expect her to have as close to perfect of an udder as you can get if she is anything like her mother. This is one that is hard to let go, because we beleive she has what it takes to be a top producer for many, many years. This is the first time AIX cattle will be offered at auction, so we wanted to bring our best! Will have GE-EPDs by Sale Day.
- Bred AI on 4/17/26 to SHF Night Hawk L060 N267 then pasture exposed to AIX Commander from 4/24/26 to 8/1/26. Checked safe to the AI Date. Expected due date of 1/24/27.

- The only reason we are willing to part with this heifer is we have a full sister in production who is doing great as a first calf heifer. SHF MS Ginger 2515 is by ECR 628 Ivys Advance 8923 ET, "Sancho", and is sound to the ground. She is bred to C BH Patton 4196 ET who was the lead bull of the Grand Champion Pen of Bulls at the National Western for Colyer Hereford and Angus for a February calf. The resulting calf should have great growth numbers with a moderate calving ease and birth weight.
- Bred AI on 5/19/26 to C BH Patton 4196 ET Checked safe to the AI Date. Expected due date of 2/28/27.

- An awesome cow in the making here! The kids campaigned this heifer as a calf in the 2025 show season and did extremely well. She layed down and had our first heifer calf out of our monument son. Tons of maternal in this cow that has done a nice job raising her first calf. Beautiful uddered and tons of upside potential. Add in the heifer calf at side that should have a great EPD profile and is functionnal with perfect markings, we are very excited to offer this pair.
- **Lot 31A: Heifer calf at side born on 10/10/26, sired by MH Dirty Blue 2415.**
- Cow will be bred AI to KJ 488G Justice 606M prior to sale date

- We cant wait to show off this cow! She has got it all. Big middle, sound as a cat, beautiful udder, and she has the looks too. Addison showed this heifer successfully as a fall calf and she secured a division banner at the state fair. She knocked it out of the park with her first calf last fall and we can't wait to see her Sherman heifer calf due in early November. Really great opportunity to get in on a young Leader 182F cow that will produce a pile of good looking, heavy calves for years to come. Check out videos and other updates at our facebook page - S5 Cattle Company.
- **Lot 33A: Heifer calf at side born on 11/2/26, sired by Churchill Sherman 4113M.**
- Cow will be bred AI to KJ 181H Tahoe 865N prior to sale date.

- P42 is calf not to miss! She has the look alongside a great set of EPDs including top 1% in both IMF and CHB. This heifer calf is good enough she will make it a hard choice to choose between her and her mother, but either would be great additions to a breeding program.

- 18L is a Gerber High Time daughter who has performed quite well for us. Her first calf sold as a bull in the Right Kind Sale in April. She followed the spring with a solid heifer calf that is in our replacement pen. Nettie 18L comes from a good cow family. If her first years are any indication she has many more years of top flight production.
- Bred AI on 5/23/26 to SHF Haviland F158 H028 then pasture exposed to ELZE G487 Liberty 39L from 6/10/26 to 7/20/26. Checked safe to the pasture exposure. Expected due date of mid March.

- Feminine designed young cow that was purchased as a bred heifer out of the Square-D dispersal sale in Canada in 2024. Her udder design is among the most elite you will see in person. She is a very fertile female that has conceived by AI on first service each breeding season. We are offering her for sale only as we have two high caliber replacement females from her in our herd. Will have GE-EPDs by Sale Day.
- Bred AI on 3/30/26 to NJW 11B 6589 Authority 57G ET. Checked safe to the AI Date. Expected due date of 1/5/27.

- 5231 has done great things for our operation over the last few years. While she had her fair share of success in the ring, her true value has shown in production. Her first calf, sired by MYO On Time, was a past show heifer and now upcoming donor for us. Another heifer, produced from her only flush so far, was Reserve Horned at the 2026 Illinois Beef Expo. This year's natural calf, sired by CRR Wind River, has all the bells and whistles. That track record led us to CRR Levitate for her service sire. We used Levitate on all our fall calving cows and have been very happy with the results. Still in her prime, having a great udder and daughters in production, it is time to let her have an impact for someone else.
- Bred AI on 6/27/26 to CRR 971 Levitate 142 with sexed female semen. Checked safe to the AI Date. Expected due date of 4/5/27.
