84	1.60	1.60	89	0.072	0.65	1.18	568	722	248

— Haviland is a proven sire that takes "balanced" to elite levels. No bull can match his levels for IMF, BMI and CHB. To complement that, he is still a breed leader for CED.

— We have never used a bull that added more carcass value than Haviland. Some have graded high Prime.

— The daughters are showing the udder quality and maternal traits that complete the circle.

— Pigmented, homo polled and free of all known defects.

Semen: \$40/Straw; \$60/Certificate

## [Lot 4] BIRDWELL LONG RUN 7098 1665 ET

72	1.50	1.50	80	0.002	1.00	0.45	614	721	168

— Long Run can be used as a Calving Ease sire and added maternal traits. He ranks in the top 1% for Sustained Cow Fertility, and both Maternal indexes.  
 — Study his pedigree, and you will see it runs deep with maternal, 7098 and Long Haul  
 — Homozygous polled and free of all known defects.  
 — Long Run is the 7098 son that is being used to create beautiful replacement females, while keeping calving ease and carcass traits in the bulls.  
 Semen: \$50/Straw; \$75/Certificate

109	1.40	1.50	96	0.062	0.76	0.35	384	480	181

— Harvest H033 is short marked, moderate in frame, stout in structure and thick with well-balanced individual performance with eye appeal and added carcass merit. Backed by an outstanding cow family, Harvest's maternal sister is in the donor program at Sandhill Farms and his dam was the high selling female in the Sandhill sale in 2021 to Baumgarten Cattle Co. in North Dakota.  
 — A true herd bull that offers phenotype and genotype to match. Top 1% for Carcass Weight/CHB, Top 5% for YW/Milk/M&G/Teat/Marbling, and Top 10% for BW/SC/MCE/Udder/REA  
 — Harvest has reported calving ease, growth, added carcass, and the adaptability to produce progeny that work in registered and commercial cow herds across the U.S. Harvest sons sold in multiple 2023 seed stock production sales across the country exhibiting numerous sale toppers.  
 — As of 2/1/24, both Sidwell Ranch and Frank Herefords have Harvest daughters in production exhibiting tight/level udders with quality milk flow.

HOMOZYGOUS POLLED!  
 — 100% eye pigmentation, short marked, dark red  
 — His early birth weight and calving ease reports are outstanding.  
 — Monument was the standout performer in his contemporary group, posting a 96 BWR, 119 WWR and 115 YWR. He is massively constructed, easy fleshing and athletic.  
 — Monument is being utilized in many of the top herds in America.  
 — No animal in the Hereford population comes close to matching his unique combination of calving ease, growth, SCF, MCW, REA and Marbling.  
 — In addition, he ranks top 1% for all index values and has the distinction of ranking in the top 1% CW yet smallest 3% MCW.

HOMOZYGOUS POLLED!

- Eagle was the \$35,000 high selling bull of the December 2021 KCF Bull Sale.

- Eagle posted a 98 BWR, 128 WWR, 116 YWR, 110 IMF and 120 RE in an extremely competitive contemporary group.

- His Dam of Distinction mother is a stellar producer with 5 calves at 100 BWR, 4 calves at 116 WWR and 3 calves at 111 YWR.

- Early progeny data indicates that Eagle is a bonafied calving ease sire with excellent growth, carcass and maternal traits.

- Eagle is owned with Thorstenson Hereford Ranch and Topp Herefords

- Rampage combines calving ease with maternal punch.
  - His mother is a highly productive Dam of Distinction that does not miss.
  - He is conservatively marked and fully pigmented with all the bells and whistles.
  - His first daughters are in production and he is truly a bull that will add milk and fix udders.
  - Encore's lowest birth weight and most consistent son.
  - Semen: \$30/Straw; \$75/Certificate
  - Sexed Heifer Semen: \$100/Straw

— A HEREFORD 9 TRAIT LEADER

— Elite Breeding Herd Builder with the phenotype, numbers and data we are demanding!

— Extra long, wide, big topped, square and deep hipped, super sound moving and balanced end to end!

Marked right with extra pigment, big, well-made testicles and has a super kind, quiet disposition!

— First progeny averaged \$9,208 in NJW 2022 sale.

— No matter your breeding focus or what part of the country you are in, 87G should add value to your program!

— From the same maternally superior cow family as Beef 38W and Long Range 203D! First daughters in production look like we had hoped! Sons share his signature look and are sale features!

— Avg. BW on 3 NJW calf crops — 76 lb. Use on heifers or cows.

— Semen: \$25/Straw; \$75/Certificate. Foreign semen available.

— A HEREFORD 13 TRAIT LEADER!

— One of the most complete genetic packages we have raised both from

a phenotypic and genetic standpoint. Hard working daughters sport

beautiful udders and sons are top end breeding tools. "Power Cow"

dam, 11B and granddam 79Z, are mothers of many NJW sale features and

herd sires.

— Use on both heifers and cows. Avg. BW on five NJW crops — 85 lb.

— Semen: \$25/Straw; \$75/Certificate

Contact: NJW Polled Herefords

**HOMOZYGOUS POLLED!**

- The 103C son we have been waiting for – a bull that incorporates all the great qualities of 88X and Beef, yet is homozygous polled and dark red with extra pigment.
- Dam is a favorite 88X daughter and top producer.
- Used heavily at NJW on both heifers and cows. Avg. BW on 3 NJW crops – 78 lb.
- First daughters calving have beautiful udders!
- 19 progeny in 2022 NJW sale average \$8,118.

Fellow Breeders,

You may wonder why we haven't advertised the top selling bull in 2022 more heavily. Well, I'll admit that, despite my confidence in 178J, I'm slow to promote as a breeder until our animals prove themselves through their progeny. 178J has earned my backing this past year. He is proving himself in our herd and we are impressed with the reports and data coming in from other herds around the country.

178J is one of the best line-bred polled bulls to grace our breed in a long time. Any line-breeding program knows the importance of such a mating and the consistency it adds to the progeny. I know there has been a lot of Endure influence throughout our breed and rightfully so. However, 178J is bred like no other elite bull and I would encourage you to use 178J wherever possible.

178J is a free-moving, athletic bull and an aggressive breeder. He sires a very uniform calf crop. Both heifers and bulls are attractive with eye appeal and are out-performing his EPD data - hence the numbers going up. Weaned bull calves have the best early testicle development of any bull calves we have had to date. Heifers have a very feminine front end while maintaining extra power through the hip.

178J is full of Character and is free from any known genetic defect. Use 178J with full confidence.

Sincerely,

Bryson A. Westbrook

Four B Farm

- Semen: \$35/Straw; \$75/Certificate

— One of the most talked about bulls in OKC this year where he was Reserve Champion Polled Hereford Bull.

— His dam, BK Distinctive Points 641D ET, needs no introduction as she has stamped out numerous national champions for Buck Cattle Co. Not to mention she is a direct daughter of the great HAPP Kool Aid Points cow.

— He is elite in his look and presence and will demand the attention of many when hitting the ring as well as when selecting sires for AI.

— This young sire's skeleton and build is phenomenal when wanting to make elite functional females and powerful herd bulls.

— Don't be missing out and let Kool Profit work for you!

— Semen: 10 Straws for \$1,500; \$75/Certificate

- Fresh Prince has become the go-to sire for heifers!
- Calving ease and maternal traits are proving true in his first two calving seasons and yet he still gives them phenotype that works in the ring!
- Fresh Prince has proven in his first two calf crops the ability to sire extremely easy calving progeny across the country, the added quality he stamps into them adds value.
- Bar Star sold three heifer calf daughters to average \$16K as well as high sellers for McDonald Farms in the 2022 Breeders Cup sale and others across the country.
- He's a rare combination bull with a balanced genetic script that includes top 10% MARB and CHB\$ with the phenotype to produce big time herd bulls and show heifers at the same time.
- Recently, his first progeny was selected for a divisional champion in the bull show at the 2023 NWSS as well as a class winning heifer calf at the Fort Worth Stock Show.
- There's no reason to second guess your decision to breed with Fresh Prince this coming breeding season when you're adding value to your calf crop.
- Semen: \$125/Straw, 5 straw minimum; Non-certificate

- Smokey gives you as much CED to WW spread as any bull in the breed!
  - Along with being in the top 2% for both CED and WW he also ranks in the top 1% of all Herefords for all these traits: Fertility, Milk, MG, MCE, MARB, and BMI!
  - Along with outstanding numbers Smokey gives you a great look with exceptional depth of rib, length of body, width of base, pigment, clean sheath, large scrotum, and overall eye appeal.
  - If you want to combine elite numbers with elite look in a polled package that blends today's best genetics, here he is!
  - Smokey was a major private treaty transaction between Churchill Cattle and Jennings Land and Cattle and he will see heavy service in both herds.
  - Canadian semen rights are owned by two of Canada's finest herds: Medonte Highlands and Glenlees Polled Herefords.
  - Smokey froze high-quality semen before he was a year old!
  - Semen: \$30 straws and 15 certificates for \$5,000
- There will be a few smaller packs of semen sold March 27, 2024 in the Churchill World Class Frozen Genetics Sale.

### HOMOZYGOUS POLLED!

- A unique tool for the most discriminating breeder!
  - In heavy use by some of the breed's best outfits!
  - Has there ever been a bull that combines this level of carcass with this level of udder quality and fertility?
  - Our early experience says he is heifer friendly.
  - Very sound in his structure and make-up.
  - First calves look extremely good as babies!
  - Entered in the NSREP program at Olsen Ranches.
  - Semen packages: 20/Straw for \$3,500; \$100/Certificate. Sexed female semen sold at auction.
- Small quantities of foreign semen available.

- Land Grant is a sire right for the times.
- He breeds on great pigment in a low birth weight homozygous polled package with added look and style.
- Progeny are big bodied, easy fleshing and stout. They are structurally correct with ideal feet and legs.
- Numerically, he offers a great birth to yearling spread with an 8 CED. He complements this with added maternal and carcass traits both at the top end of the breed.
- Land Grant checks every box! We have decided it is time to make this young stud readily available to breeders interested in using his genetics.
- Semen: \$50/Straw; \$75/Certificate

Rubble was recently crowned the National Champion Bull at Cattleman's Congress and went on to be selected Top 5 Supreme Overall. He then went on to be Reserve Champion Bull at Ft. Worth.

We feel what he offers goes way beyond the show ring. This is a true herd bull that shows well. You'll be hard pressed to find a bull with his progressive genetics from an EPD standpoint, but is even more impressive phenotypically.

Perfectly marked, fully pigmented, freckles, and red to the ground.

His dam, 7119, is a brood cow deluxe with overwhelming body thickness, a great udder, and a flawless structure.

- \$2,000 Semen package: 10 Straws; 5 Certificates; (All other certificates will be \$100)

— The most talked about bull this fall and winter!

— Top 1% in the breed for 6 traits including: WW, YW, UDDR, CW, REA and CHBS

— Top 5% in the breed, or better, for 11 Traits including: MG, TEAT, MARB, BMIS and BII\$

— Gunsmoke is unmatched in his ability to combine phenomenal phenotype and incredible genotype. His dam, 90H, is the maternal powerhouse from the NJW program that demanded \$60,000 as a yearling heifer. His sire, Benton, is the carcass sire adding extra look, length, and pounds.

— It isn't often you can find a bull of this quality that brings BOTH carcass merit and maternal strength to the table.

— If you're looking to put BALANCE in your herd, look no further!

— Semen: \$100/Straw; 10 straw minimum; \$100/Certificate — Contact Don Brumley

- Momentum is the result of a mating of two of the Hereford breeds elite icons: 88X, the sire that is making a historical maternal impact and RW Mindy 3078 6096, who has been one of the highest dollar producing females EVER!
- Momentum is fault free in every aspect, pedigree, EPD profile and phenotype. He is the soundest structured bull we have seen.
- He was a Louisville division champion and his tremendous full sister was crowned the 2018 JNHE Grand Champion Cow/Calf Pair
- We think he is the bull to make good ones BETTER!
- Semen: \$30/Straw, \$65/Certificate

### HOMOZYGOUS POLLED!

- Pigmented and traditionally marked progeny with in demand color.
- Validated is iconic for angular, feminine, pretty uddered, problem free, productive daughters. The hallmark of a long term in-demand sire.
- He gives up nothing in any measured trait and blows the doors off on the traits of extra commercial value.
- Validated continues to reinforce his results driven breed superiority with leading results as a reference sire in on-going AHA sire tests. Recent test data from the Merston test revealed Validated providing more than 1" additional rib-eye than the next best sire.
- Validated is the most unique sire in the AHA database for the ability to improve yield grade on the rail and still make easier fleshing daughters.
- Owned with Ellis Farms and Genex.
- Semen: \$60/Straw, 10 straw minimum, \$40/Certificate

HOMOZYGOUS POLLED!

— Out of the incredible 5022

donor, who is also the dam of Vanguard. She is one of the top BMIS cows in the breed. Arguably the best 028X daughter anywhere.

— "Dynamic" phenotype, short marked and fully pigmented.

— Owned by Birdwell Ranch.

— Semen: \$50/Straw, 10 unit minimum; \$75/Certificate

Contact Birdwell Ranch for semen

- Homozygous Polled // Owned with Hoffman Ranch
- On Demand was the highlight of the 2023 spring sale season, creating as much excitement as any Hereford bull in the breed to sell.
- He is a big-time herd bull with outstanding phenotype, unmatched index power and an elite set of curve-bending EPDs.
- On Demand is a bull that embraces the future of the beef industry without sacrificing those real-world traits the Hereford breed is famous for. He has all the makings of a breed changer!
