Terms and Conditions

- All sales are cash unless other arrangements are made with the seller.
- Each animal will sell to the highest bidder without reservation. The auctioneer will settle any disputes as to bidding. His decision will be final.
- Individual health papers will be furnished with each animal, which will permit shipment to any state, Canada or Mexico.
- All sale cattle have been parentage verified and tested free for IE, DL, HY, and MSUD. All sale cattle have also been tested negative for BLV, Johnes, and BVD PI
- Exposed females will be pregnancy tested and pregnancy status will be available at sale time. Pregnant cows are considered breeders without further guarantee. All open females are guaranteed to breed by natural service. In case an adjustment is required, it will be made with a replacement animal of equal value to the animal in question or credit on the purchase of another animal. No adjustments will be made after nine months from sale day on any animals.
- The animal becomes the property of the purchaser as soon as sold, but it shall be the responsibility of the seller to see that animals are properly cared for until delivery to the purchaser.
- Any death or injury after the animal is sold is at the buyer's risk. Insurance is highly recommended.
- Anyone attending this sale attends at their own risk and without liability on the part of the owners, their employees or agents.
- Corrections or additions of any information contained in the sale catalog will be announced from the auction stand and will take precedence over any printed material.

Delivery

We are offering free delivery for the first 1,000 miles on all purchases totaling \$6,000 or more. These deliveries will be to central points but we will work to get them as close as possible for all buyers. Also, we will guarantee that the buyer's cost for delivery after the first 1,000 miles will not exceed \$400 per head.

Please join us for a social hour and dinner at the ranch on September 18th beginning at 5 p.m.

Sale is located nine miles southwest of Valier on the Valier Dupuyer Road.

WELCOME

We would like to invite you attend our “Miss Advance Female Pageant 2024” sale at the ranch. We feel this is an exceptional set of elite Line One females. This is a fantastic opportunity to dip into the heart of our herd and buy females that can take any program to the next level. We have an outstanding mix of proven younger donors, top end bred heifers, elite young bred cows, and a big group of top quality fall yearling heifers out of the heart of our fall program. We are also offering an embryo interest in the great 6169D donor cow and two special ET heifer calves from our 2024 calf crop.

We also have a really nice set of females in the sale from Double Bit Ranch this year. Paul and Margaret Tisher have put together an outstanding herd over the last five years. Due to drought and a hay shortage, they are offering a nice mix of bred heifers and young cows to reduce their herd size.

2024 has been an exciting year in the cattle business. Calf markets have been through the roof this summer, and the demand for quality Hereford genetics continues to get nothing but stronger. We feel this is the start of a few great years of cattle markets, and Herefords will continue to play a large role in the beef business. The demand is out there and it's real. Herefords are back, and we are proud to be in this business and producing this great breed of cattle.

We feel this offering is one of our best in combining phenotype, EPDs, and of course proven Holden cow power. These females combine years of selection for performance, and EPDs along with phenotype, structure, udder quality, pigment, and fleshing ability. All the sale cattle have GE EPDs along with being parentage verified and tested for all known genetic defects.

We feel there is an opportunity to find a true foundation female for your operation that can be a true centerpiece of your genetics going forward. Our females have proven that they can produce progeny that excel in the pasture or show ring or any direction you want to go. The Line One females have proven time and again that they will cross well with any line of Hereford cattle and add value. They will breed true and produce progeny that are consistent, predictable, and uniform. We know they will work for you and look forward to your accomplishments with them.

The cattle will be on display from September 17th-19th. We will have a social hour and dinner here at the ranch on the evening of September 18th beginning at 5 p.m. Lunch will be served on the 18th and on sale day. Please come and be our guests, see a fantastic sale offering, and experience beautiful Montana in late summer. For those unable to attend the sale, it will be available to watch and bid online on Superior Productions and LiveAuctions.tv.

For further information or if we can assist in any way, please give us a call or drop us a text or an e-mail. We look forward to seeing you on September 19th.

**Jack and Tresha Holden & Family
Jay D. and Kelli Evans & Family**

Videos of sale are viewable at www.holdenherefords.com and at www.thelivestocklink.com

Holden Herefords

- This 0159H daughter has future donor written all over her. 3079L is a full sister to the 2066K heifer that sold for \$56,000 in the Females on the Front Range Sale in Denver in 2023. A full sister also recently set the record sales price at Rancho Puerto de Nieto auction in May. Two other full sisters have also been flushed already.
- Dam 8123F sold as Lot 1 and topped our 2022 Female Sale at \$47,500 to Sadler Ranches. She is now a donor at Topp Herefords in North Dakota.
- Top 1% on Milk and very top 1% on \$BMI at 544. Top 10% on WW and MARB EPDs.
- Due 4/20/2025.

Lot 85 THREE (3) GRADE ONE (1)

• This mating combines the dam of the 0022H herd sire with the \$100,000 2116K sire. This mating will double breed the 4287B donor top and bottom. Both sire and dam combine tremendous rib shape and eye appeal and the EPDs from this mating will be stellar. This is a can't miss opportunity combining a proven donor and producer of elite herd sires and donor daughters with the 2116K bull who continues to prove he is a rising star.

Lot 86 THREE (3) GRADE ONE (1)

• This mating combines the Lot 1 donor with the 3107L that was the cover and leadoff bull in our 2024 Sale. 3107L sold for \$70,000 to Churchill Cattle Co. and Bixler Herefords, and has continued to develop into an impressive young sire. 6169D needs no introduction and is the dam of multiple herd sires for us and other top herds across the U.S. This mating combines the 5139R cow with 6169D along with some top Cooper cow families. There is no guesswork here on how exciting the progeny from this mating will be!
