Cattlemen's Delight

HEREFORD SALE

WELCOME

Welcome to the 4th Annual Cattlemen's Delight Sale. The Jackson County Fairgrounds location and facility work well for our group, and the consignor families have put together an even better offering this year. The sale will feature top female prospects from the heart of each breeding program. Our herds vary in size, but all five of the consigning families set out to bring you their best. There are many high quality spring born heifer calves, including several show heifer prospects. We also dug deep in our replacement heifer pens, to bring you high quality females that represent the heart of our breeding programs. Many of the bred females will be confirmed bred to AI dates, to industry leading sires. Several heifers will carry natural service, to high caliber herd sires. There are also three show steer prospects included in this year's offering.

As cattlemen, we have seen prices of feeder cattle, fed cattle and even market cows, explode higher in 2024, and the next several years look very bright for cattle producers. Little evidence of national cow herd expansion provides tremendous opportunity to those who own the cow factory. If you want to capitalize, it's time to own the cows, and build herds. The Hereford breed continues to see tremendous demand for top end females, and Herefords are being shown by young cattlemen and women at unprecedented levels! It's become common for the Hereford classes, to be the largest breed classes, at shows across the country. Lots of families love raising and showing Hereford cattle! The Hereford Junior Nationals, held in Grand Island, Nebraska in July 2024, was again a huge success!

Today's Hereford cattle are also doing well in the pasture, in the feed yard, and on the rail. Hereford breeders have paid attention to genomic data and have made decisions to improve the final product immensely. Retail and food service volumes of Hereford branded products continue to grow. If you are raising cattle for commercial use, use Hereford genetics with confidence.

You will observe diversity in the pedigrees offered, as each herd operates with different goals and resources. We believe this is an advantage for the prospective buyers, and we look forward to helping you find the cattle in the offering that will help move your herd forward. Feel free to call on any of the Cattlemen's Delight consignors with questions. More information, including individual animal videos, will be made available prior to the sale on Facebook and Instagram. Some additional genomic profiles and pregnancy check information will also be made available during September.

We invite you to an informal social and viewing on Friday, October 4th from 5-8 p.m. If you would like to view particular lots prior to October 5th, please arrange that with the owner. Each consignor would be happy to show you the cattle ahead of the sale, upon appointment. Obviously, we want you to be able to bid and buy with confidence, so please feel free to reach out with any requests.

Thank you for your interest in our breeding programs and we look forward to seeing you at the 4th Annual Cattlemen's Delight Sale.

The Cattlemen's Delight Group, including the Reed, Boettcher, Starck, Steinhoff, and Freidrich families

TERMS and CONDITIONS:

TERMS: Cash or check. Each animal sold to the highest bidder. The auctioneer shall settle any disputes as to bids. All cattle are to be paid for by purchasers during or immediately after the sale and will not be released until settlement has been made, unless other arrangements have been made in advance. No cattle will be transferred until paid for in full.

GUARANTEE: All cattle will sell under the terms and guarantees recommended by the American Hereford Association.

LIABILITY: Each animal will be at the purchaser's risk immediately after the animal is sold. They will be cared for, free of charge, for a reasonable length of time after the sale, but at the purchaser's risk.

ANNOUNCEMENTS: Sale day announcements take precedence over printed matter in the book. The consignors reserve the right to withdraw any sale lot not meeting our specifications prior to sale time. EPDs in the book were current at press time.

REGISTRATION CERTIFICATES: Registration Certificates will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the clerk his proper name and address for making transfers. All calves born before the sale will be registered by the sellers. Information will be provided by the seller for the buyer to register unborn calves. Certificates for calves born to bred cattle purchased are the responsibility of the buyer.

Cattlemen's Delight

HEREFORD SALE

SATURDAY, OCTOBER 5, 2024 / 12:00 PM (CST)

Sale Location:

Jackson County Fairgrounds

388 Melrose St., Black River Falls, WI 54615

Accident/Illness:

The sale management, the consignors and the owner of the grounds will not be responsible in any case for the condition of the grounds, the behavior of the animals or illness and disclaim any liability in the event of personal accident, sickness, or property loss.

HERE'S HOW IT WORKS

Go to www.LiveAuctions.tv. Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click

"Register" in the top right corner of the homepage and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message in to the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.

If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at TechSupport@LiveAuctions.tv.

• We wanted Lot 1 to be special. This F Distinct 225 daughter is the first of several offered in the sale, by Reed Stock Farm and Windy Hills. We bought F Distinct 225 as an outlier calving ease/performance spread bull. We both used him heavily on heifers, but also on a few select mature cows, as a test. 410M represents what an impact F Distinct 225 will have on our programs. The 916G cow has done well for us, and we have a son of her being used this year.
 • 410M sells open, is halter broke and has been shown. OCV.

- Kourtney has done a great job with her first calf for us and we are keeping her first calf for a replacement in our herd. She has a beautiful udder has put everything into her baby. She will be a front pasture cow in any herd. She goes back to a cow we purchased from Stone Creek Farm which was a ET calf out of there National Champion SCF FANCY JUDY PACE. DNA tested and she is DB FREE and MD FREE.
- Bred AI on June 1, 2024 to CH Premier 233 ET, then pasture exposed June 5, 2024 to July 13, 2024 to PHH 836 Fresh Prince 207.
