Sale at Noon

**Terms and Conditions**

1. Terms. Cash. Each animal to be sold to the highest bidder. Auctioneer has the right to refuse bids from know nonpaying persons and to settle any disputes concerning tie bids where both buyers thought they had the bid.
2. Announcements at the sale ring by the owners or the auctioneer concerning the cattle will take precedence over the statements in the sale catalog.
3. All animals in this sale become the immediate property of the buyer once they are sold. All buyers are expected to recognize the fact of their ownership and either accept full responsibility or else insure their animals before leaving the sale.
4. All persons who attend the sale do so at their own risk and the owners, management, and Stone Ridge Manor assume no liability, legal or otherwise, for any accidents that might occur.
5. Herd Health: Health papers will be available for cattle to be shipped interstate. All female four months and older (calved before June 1, 2023) unless noted, are OCV.
6. AI certificates will not be furnished by the seller on females carrying the service of non-owned AI sires.
7. EPDs: These numbers will change periodically throughout the year because they are constantly being updated and reprocessed. Therefore, some of the animals will not have the exact EPD information as is listed in the catalog. We cannot be held responsible if the EPD information is different from that stated in the catalog. The numbers are taken from the Aug. 12, 2024 Evaluation of the American Hereford Association.
8. Delivery. The sellers will make every attempt to assist buyers in hauling at the lowest possible cost.
9. Insurance will be available.
10. Registration certificates will be transferred to the buyer at the seller's expense. Each buyer must give the clerk his proper name and address for making transfers. All calves at side or born before the sale will be registered at the seller's expense if purchaser wishes, except for any AHA activation fee.
11. Animals that are stated as being safe to a particular date have been checked by a veterinarian to provide the best information available to the buyer. However, they are not guaranteed to be safe to that date.
12. All cattle sold are guaranteed to be free from any currently known genetic defects, unless noted and/or announced by auctioneer. If a defect is found the seller will refund the difference between the sale amount and the market price at time of disposal unless buyer opts to keep animal.

*As I write this I have just returned from services for the late Sam Hunter, a longtime friend and fellow Hereford breeder. Just this spring he purchased a bull from us and I had a nice visit with him. Being just shy of 80 years old and making a living based on raising Hereford cattle he had a lot to say about the attributes of Herefords and his philosophy about staying the course when others didn't. Sam wasn't ashamed to share his opinion and had a steadfast approach to anything he was involved in. Those that knew him realized the acumen he had when it came to livestock and his opinion mattered. The big take from this conversation is that it is an opportunity to raise Herefords and be involved from the once prominent side, to the downside and the return of the breed to its favorable status, with cattlemen and ladies nationwide- especially with the crossbreeding of blackstock that has gained prominence again.*

*We now have the objective data to make claims about our breed when we market our registered stock as well the carcass traits that are needed to promote Hereford influenced cattle on the commercial and market side of the equation. In addition to all of this we have a breed of cattle that is easy on the eyes. I hear from seasoned veterans like Sam and the new breeders alike when they see the first Herefords unloaded in their pastures- What a beautiful, mind easing and pleasurable sight to these red and white cattle walking the green grass. Then there is the added benefit of turning that grass into a valuable and needed product- beef for the consumer both here and abroad.*

*This year we will again offer what I believe to be some of the best and efficient cattle that will be offered anywhere. If you check our previous sales you will see the continued increase in carcass merit and all the market indexes. We see the need to stay the course and comply with whatever the market demands. Our goal is to continually improve and I think we have once again followed thru with this year's offering.*

*Again this year we will have animals sold with the net proceeds going to the Disabled Veterans of America, Saint Judes Children Hospital and the orphanage Hoffman Homes for Youth. Help out with this if you can.*

*If you need lodging please book as early as possible since with the Apple Harvest Festival and other Gettysburg tourist events scheduled rooms will go quickly. Again Friday evening preceding the sale on Saturday we will have dinner and music for anyone that can make it fit their schedule. Thanks for your interest and I hope to see you at this Year's "Breeders Classic."*

Dan

## Lot 10 PREGNANCY

- When we bought the G094 a mating of her with Gold Rush was at the top of our wish list. This Sand Hills bred Validated daughter has the carcass numbers that can move any herd in the right direction.
- The IVF went very well so we are offering what I believe to be a special mating.
- Due in March 2025.

- A nice young cow that is out of our top donor 4010 and York. She has great numbers to go with the pedigree.
- She is bred to Impact and should calve in October. This mating should not only improve the EPD and carcass profile but should result in a stylish calf as well.

- Trying to offer our best, well Dandelion Wine hits that mark.
- We bought her from the Roth Dispersal Sale as a heifer calf and we have been extremely pleased with what she has produced for us.
- 9105G will surely catch your eye, long bodied, beautiful udder, smooth through her neck.
- She ranks in the top 3% in REA. Her steer is the one of the best from this year's spring calf crop, stout, growthy, and just an overall cool look about him. He is one of the first calves out of our herd sire KH JLCS 15E Power Pack K23 ET that we purchased from our good friends, the Harr Family.

- Really pretty 2-year-old doing a nice job with her first calf.
- Super growthy steer calf at side, out of our herd sire from Sandhill.
- Bred back to Power Pack who we are super excited to see more of his offspring, we used him heavily this spring, we are beyond thrilled with what we have seen so far.
- Pasture exposed from June 2 to July 14, 2024 to KH JLCS 15E Power Pack K23 ET (Reg. #P44338342).

- Here is a result of our first flush with our donor dam, Benefactress 650F and B 279. 2315's full sister sold in Whitehawk's sale in 2022 for \$6,500 half-interest. She is a half-brother to WHR 650F Benefactor 168K ET who has a valuation of \$60,000.
- Ranks in the Top 1% in CHB, 2% in Udder and CW, 3% in Teat and REA, and 4% in Marbling!
- Bred AI on May 21, 2024 to NJW Long Haul 36E ET (Reg. #P43829326), then pasture exposed from June 2 to July 14, 2024 to KH JLCS 15E Power Pack K23 ET (Reg. #P44338342).

- Another Eureka daughter from Lot 53 (1901).
- Her sire was an LJR/MSU bull we purchased in the Roth Dispersal sale. He has done a great job of toning down frame size and adding more red meat!
- Bred AI on May 21, 2024 to Churchill Kingdom 128J ET (Reg. #P44267937), then pasture exposed from June 2 to July 14, 2024 to KH JLCS 15E Power Pack K23 ET (Reg. #P44338342).

- Page is a direct daughter from the Page 1834 cow we bought from Dan a few years ago, who produces the most moderate and beautifully uddered females we have seen.
- Super strong mothering ability bred into this heifer, I'm sure she'll wean off a heck of a calf come next fall!
- Bred AI on May 21, 2024 to Churchill Kingdom 128J ET (Reg. #P44267937), then pasture exposed from June 2 to July 14, 2024 to KH JLCS 15E Power Pack K23 ET (Reg. #P44338342).
