Dear Hereford Breeders, Juniors, Friends,
and Fellow Cattlemen;

Welcome to this year's Illini Top Cut sale, featuring the cow herd dispersal of LCC. Times have never been better in the beef cattle business, and it has never been more imperative to focus on production, performance, and quality to capitalize on returns than it is right now. We strongly feel this offering can do just that, ADD to your bottom line, and enhance most any production setting.

The cow families represented within the following pages are responsible for many past

Champions, including National, Regional, State and local, as well as herd sires that have enhanced many programs. But most importantly these cattle are built and bred

to thrive, with excellent feet and structure, doing ability, udder quality, and added maternal traits bred in, without sacrificing growth, and quality. Only in a sale like this would the top end females be selling!

There is truly something for everyone, and cattle that will fit and work in all facets of the cattle chain. That's one thing we focused strongly on here at LCC, was not to be labeled or put in a box for single trait selecting. The ET calves are as strong and deep as ever, the cows are young and flat good with several that should enter an ET program. There are several bull calves that are built and bred to enhance the next generation, and the heifer calves were bred to take our herd to the next level. Buy with confidence! We are excited and proud about what this set of cattle has done for us, but even more so for what we know they can do for you!

We would like to welcome our friends and guest consignor Fleisher Farms to the sale! Take a strong look at their ET calves selling as lots 65-67. Modern pedigrees with power cows behind them!

Here at LCC we all have a deep passion for Hereford cattle, the Hereford breed, and most importantly the Hereford people. This will not be the final chapter for us, as we are retaining a small set of replacements, and pregnant recipis to carry on the Hereford tradition. Feel free to reach out with any questions or if you need assistance with room or travel plans. We look forward to seeing you on September 15th!

- A very special individual that we think a great deal of. A daughter of the powerful 48E donor and doing a fantastic job on her first calf.
- We successfully flushed this female late this spring and are anxiously awaiting her ET calves next year.
- We are cutting the numbers down here, but we want to be a part of this one's future and are selling 1/2 interest. We feel this one has big time revenue generating potential.
- Tested clean, and safe in calf to ECR 9170 Endure 2178 (high selling bull at Fawcett's 2023 bull sale) for a spring calf.

- What a female to lead-off our ET Calves. Her dam 48E has unquestionably become a staple of producing tremendous quality and this may very well be her best to date.
- A standout since day one and she's the one you quickly gravitate toward when entering the pen. Good looking, striking, flawless on her feet and legs with a little extra punch and power from rib and width standpoint.
- One we feel can handle some stiff competition and will leave her mark on the next generation as well.

- This could very well be the one that becomes the cream of the crop when it's all said and done.
- A March horned that's built for the long haul. Exceptional on her feet and legs, angular, big ribbed, and still enough punch and power to her.
- We think the future is extremely bright on this one — one of the really good ones!

- This patch faced female is a farm favorite and stems from the Bootsy cow.
- Extremely smooth patterned, extra sound and flexible at the ground with loads of body and rib.
- We love this one's kind, and she's sure to be fun!

- Show heifer deluxe here!
- Her mother was a many time winner for David Smith. This one is as stout and square built as you can make one, dark red, huge middled, yet still has a good look about her.
- This one could have an exciting ride ahead of her. Make sure and look this one up!

- An own daughter of the notable Mirage cow and as complete of one in the entire offering. Hard to fault this gem, attractive, smooth and feminine but has enough punch and power to complete at the big level.
- We like what this one has to offer!
