### Terms and Conditions of Sale

- The cattle are offered for sale by the consignor as sound in all respects. Members of the sale committee have evaluated each animal and found no visual problem. The West Virginia Polled Hereford Association assumes no responsibility or liability for the soundness, quality or performance of the cattle. Dissatisfaction with the cattle by the buyer should be communicated to the seller.
- Terms: Cash or check. Each animal is to be sold to the highest bidder. The auctioneer shall settle any dispute as to bids.
- All cattle are to be paid for by the purchasers during or immediately after the sale and will not be released until settlement has been made.
- Each animal will be at the purchaser's risk immediately after the animal is sold. They will be fed and cared for free of charge for a reasonable length of time after the sale, but at the purchaser's risk (buyers can have them insured against this risk at a nominal rate) and will be turned over to the buyer or shipped as he may direct.
- Registration certificates of the animals (AHA only) will be transferred to the buyer at seller's expense. Each buyer must be sure to give the clerk his proper name and address for making transfers. Proper breeding statements shall be signed by the seller for the buyer to use in registering calves born after the sale. AI certificates for sires of embryo in dam, at time of purchase will need to be purchased by the buyer unless otherwise stated.
- Breeding Guarantee: All animals sold in this sale are guaranteed by the seller to be breeders, provided they are properly handled and cared for by the purchaser. If any fail to breed, the seller must be notified by midnight, Sept. 27, 2025, otherwise the animal is no longer guaranteed in any way. If the animal is in a sound, healthy condition, buyer may return it to seller who shall have six months to test it and then if the animal proves to be a non-breeder, a satisfactory exchange will be made or purchase price refunded.
- Any female selling with calf at side is considered to be a breeder.
- All females that have ever had a calf and do not have a calf at side sale day have been examined and found to be pregnant. Heifers that have never had a calf may or may not be examined. Announcements will be made at the sale.
- Health: All cattle have met the health requirements set forth by the WV Department of Agriculture, Animal Health Division and carry an officially identified "840" number.
- Announcements at the sale ring by the owners or the auctioneer concerning the cattle will take precedence over statements in the sale catalog.
- All persons who attend the sale do so at their own risk and the owners or management assume no liability, legal or otherwise, for any accidents which may occur.

### Sale Committee

Chris Scott ..... 302-288-5524  
 Matt Painter ..... 304-761-0027

All cattle must leave premises at the conclusion of the sale. This is cattle bought at sale or online. WVPFA will accommodate housing of cattle if needed, please make prior arrangements with sale committee.

The bottom line is there for a reason. We put cattle above it.

From producers to veterinarians, everybody in this industry is here for the same reason: the animals they raise. That's why we put cattle first, and everything else second. Because when we put the health and well-being of the animal before profit and quick fixes, the rest just takes care of itself.

Cattle First.

## SOME SAY WE'RE FULL OF IT. THEY'D BE RIGHT.

Full power. Full comfort. Full features. Case IH Farmall® Utility C series tractors are hard-working, heavy-duty workhorses with flexible options to handle any application. Designed with their weight distributed in six different locations, these versatile tractors push, pull and lift more without the addition of inefficient wheel weights. The powerful 4-cylinder, 3.4-liter engine is electronically controlled, turbocharged and after-cooled for quick throttle response. Plus, the emissions system does not require a diesel particulate filter – reducing time loss and fuel waste on regeneration. And with improved cab comfort, these deluxe tractors are more than ready to do their part to make long days a lot more productive.
