## TERMS and CONDITIONS

**Terms, Conditions and Guarantees** herein writing shall constitute a binding contract between buyer and seller. Terms of the sale are cash or check payable at the close of the sale and prior to load-out unless previous arrangements have been made with the owner in advance. Animals will be sold to the highest bidder with the auctioneer settling any bidding disputes. Announcements at the sale by the owner or auctioneer will take precedence over statements in the catalog. Each animal becomes the buyer's risk as soon as sold, but will be cared for by the seller until load-out or for a reasonable period of time. Except for those stated herein writing, there are no further warranties or guarantees of any nature, express or implied.

**Payment:** A check, cash or credit card (Visa or MasterCard) must be made for purchases directly after sale completion. No exceptions unless agreed upon by sale manager and consignor prior to sale.

**Health of the consignments** is excellent. Individual health papers will be furnished for shipment in the U.S. All animals become the property of the purchaser(s) at the time of sale and AHA as well as the consignors strongly recommend you insure your purchases.

**Delivery of the sale animals** to the purchasers is not part of the sale agreements. Association personnel, consignors and exhibitors will be on hand to assist with transportation arrangements in any way possible.

**Performance Information** contained in the catalog is current according to the official AHA record as of Sept. 16, 2024. All EPDs are pedigree estimates only.

**Absentee Bids** by persons unable to attend the sale may be placed by phone or mail with any of the AHA Field Managers, Jack Ward 816-261-2980, Shane Bedwell 620-886-1050 or Joe Rickabaugh 785-633-3188.

**Future Flush: Lots 3-19.** Consignors are entitled to one future flush with a guarantee of 6 grade 1 embryos at buyer's convenience and seller's expense.

**For more information, contact:  
Joe Rickabaugh | 785-633-3188**

We are excited to offer this high quality Thomas County daughter. The GKB Sweet Thing progeny are consistently stout, well-structured cattle with added look and dimension. 4006 "Jojo" is no exception. Cow power deluxe, with a set of EPDs that lends itself to so many possibilities. This female is powerful enough to raise and produce herd bulls, yet still feminine enough to raise show heifers as well. This female's ability to combine presence with all the fundamentals in mind is what sets her apart. The kind to build a herd around. We can't wait to watch what this female can do. Bid with confidence.

Here is one really stout Houston heifer that has the look and EPD profile to compete. By far this is the best female we have ever consigned to this sale. She can wear a halter and also has the pedigree and EPDs to make a superior female in the future. Houston females are making a statement around the country and this one will fit on the top shelf. Great disposition on this female as well.

This is a classy heifer with a superior look and profile. Nice EPD makeup and combines it with great structure. Grandam is a favorite of ours and this heifer is produced by a new donor we are excited to have in our program. This March horned heifer will compete and comes with an attitude for a young showman.

There is a lot of heifer in this moderate package. This Long Haul daughter is long spined and wide loined. She has a splash of chrome with red in all the right places, thick made and cleaned neck. She can be an excellent addition to many different programs.

This is the only late-fall born heifer in the sale and she is a good one. Her sire, 77 Pinstripe 76D 73G, is gaining in popularity. This heifer has a nice look with good pigment and a stellar pedigree and EPD profile. If you are wanting to show a fall born this is a heifer to take a serious look at. First time consignor to this sale and they are bringing a good one.

If you want a kid broke, quiet, tame heifer this Houston heifer fills the bill. She has been shown at the Iowa State Fair successfully in August and has only improved from there. Steve doesn't let many heifer calves leave with the two granddaughters pulling his chain, but he agreed to let this one enter the sale. Her dam is a solid female that Steve acquired a couple of years ago. This heifer will be easy to show and will make a nice cow for many programs.

This Marksman female has the look of a show heifer. This late-March female will have lots of friends for the sale. Her dam is the Annsley female from Hoffman Ranch that Thompson Herefords won the Missouri State Fair with two times in a row. The maternal side of this female is deep and we all know the winning record of Marksman.

This is the youngest heifer in the sale and another good Marksman. Trace to her bottom side and you pick up 88X which lends to maternal stoutness and production. At picture time she was a bit green but she will be ready for the sale. Valley Oaks brought a heifer last year to this sale going to Iowa and is aming a really good bred female. Don't overlook this young female.

An American Classic daughter that we think is a big-time show prospect. 3M is big bodied and burly legged while maintaining an attractive package and extension in the front end. This one screams quality and stems from one of our favorite cow families on the farm. Females like this are a sound investment — low risk and high reward.

This perfectly marked female is sired by our outstanding Genesis son from Barber Ranch — who has knocked it out of the park for us. 5M has a beautiful silhouette, great disposition, good hair, and an elite pedigree. Her dam is one of the most fertile and heavy milking Herefords we have ever owned, so we anticipate this female will be a money maker when she goes into production.

With Sydney's junior show career done we have decided to offer this heifer up for sale. First off, take a look at her pedigree you will be hard pressed to find another heifer out there with this much genetic potential. Now let's talk the heifer — she's a beautiful fronted super soggy, big footed female that moves like a cat. Don't let this female pass you by. She will excel in the show ring and even more as a cow.

Big time bred heifer for this lot. Sired by UPS Harvester 9985 and carries the AI service of Bar Star Fresh Prince 018 ET. JB Lucy 50L is a deep powerful bred heifer with plenty of capacity and pigment. She is the front pasture kind. Solid pedigree and safe to the 6/8/24 AI date. Study the pedigree, value the EPD profile, admire the picture and then set the satchel down to buy this powerful female.

472L is homozygous polled with industry leading EPDs. Lincoln semen is no longer available — these Lincoln daughters will be extremely hard to find! 472L preg checked settled to DVOR 0016 063 Pickstown 228K (Reg # P44361248) with a due date of 3/14/25. Pickstown was the leadoff bull on Dvoraks 2024 bull sale. Pickstown is a Final Print son out of their 063H donor. Last fall Atkins Herefords bought a full sib flush mate to 472L on our annual fall online heifer sale.

Big time Redbird daughter combines a unique blend of superior EPDs with a very fancy physical profile. 313L is a red-eyed, dark red bred heifer with a world of future in the Hereford breed. With a -1.7 BW and +.73 Marble, she carries 8 traits that are in the top 10% of the Hereford breed. Many visitors say her mother is the best phenotypically Cuba daughter they have seen with a super udder quality. In the 2023 Ladies of the Royal sale her maternal embryo siblings sold for \$1350 to Joe Waggoner. 313L is serviced AI to the popular KCF Bennett Monument J338 on 4/24/24 and called safe to AI by vet. After 5/24/24 ran with Merit son 323L which holds a 228 CHB (Reg 4450972). Sellers reserve one flush of 6 eggs at sellers' expense.

## Lot 20C FOUR (4) IVF EMBRYOS

Sired by one of the top CHB bulls in the Hereford population. Full sister to Next Level created quite a stir at the 2024 National Hereford sale last January in OKC. The donor is a powerful cow that was the top selling female in our recent sale selected by Sunny Side Farms, Ohio. Cutting edge genetics!

## Lot 22 FOUR (4) IVF EMBRYOS

Here is one of our most exciting matings of the year — Our foundation dam 19Z mated to Gunsmoke. 19Z has written breed history and is the dam of 7 females serving as donors in some of the top herds in the country and numerous sons working in registered herds. She is a Homozygous Polled Dam of Distinction and comes from our top producing cow family in over 50 years of raising registered Herefords. She is a maternal sister to the great donor 45C. A dozen of her sons and daughters have sold in National Hereford sales to average over \$20,000.

Gunsmoke is one of the most impressive young sires in the breed — combining show winning phenotype with an exceptional EPD profile. In addition this mating stacks the outstanding cow family behind 19Z and 45C. We put in embryos from this mating this spring and averaged 70% conception. Offering 4 IVF non-sorted embryos stored at Trans Ova Genetics, Sioux Center Iowa. Guarantee one pregnancy if implanted by a certified embryologist.

## Lot 23 FOUR (4) IVF EMBRYOS

This mating is highly proven on top and bottom. Final print continues to make a name for himself with his offspring that are readily accepted across the nation. The Mercedes donor has written a long list of high-selling progeny. She was the dam of the high seller at the National Hereford sale in the 2024 Hereford Night in OKC sale at the \$38,000 mark.  
Offering 4 IVF non-sorted embryos. Guarantee one pregnancy if implanted by a certified embryologist.

## Lot 24A FOUR (4) IVF EMBRYOS

We've been quietly building around the full sister to Green JCS Makers Mark 229G ET. This is the first offering of embryos out of 228G. The Profit x Mercedes mating is undoubtedly good and continues to prove successful. A full sib to the embryos was selected as Grand Champion Bull at the 2024 Kentucky State Fair. Come see the full sib and a maternal sib to 228G at our stalls in Kansas City!
