It is with great excitement that we welcome you to our 11th Annual High Cotton Bull and Female sale! We want to welcome you to scenic Lookout Mountain Monday, October 28th. As we sit here writing this invitation letter one month prior to sale day, we often reflect on the past year, our wonderful customers, both past and present, and notice truly how fast time does go by. Between no moisture and fighting army worms, much like all of you reading this, it reminds us of challenges we face year in and year out. That's what makes us, as farmers and ranchers all pretty special because we learn to adapt and overcome. Let us all remember our friends and customers in Helene's path and pray for limited loss and damage.

What a great time it is to be in the cattle business. As you flip through the book, you will notice several half, three-quarter, and full-sibs that will sell, offering a great opportunity to have a very consistent set of offspring. We are extremely proud of this group of bulls, and we feel like this is our deepest and best set yet between both breeds. You will notice many calves are sired by industry leading bulls within each respective breed; however, we feel there is extreme value in the bulls sired by our walking herd-sires. Our focus here is simple, real world cattle that go out, work and add value to your program. Our goal is to create a consistent product designed to handle the harsh environments we can encounter in the Southeastern US. With that being said, we don't chase extremes, we choose to focus on keeping maternal value in our herd with a balanced set of EPDs. We are extremely hard on selecting which bulls will make the sale and have always leaned hard on quality not quantity. The bulls offered are slick haired and stout ready to go to work in the hot, humid Southeastern US. There is not a bull in the sale that we wouldn't recommend to a customer because his mother isn't a good cow. We cut some very good calves every year because we don't like their mother as much for some reason. She may be a little hairy, have just an "ok" teat and udder shape, and maybe she's just not "our type". We feel very confident in these bulls ability to go out and work for you. Our bull management is not geared toward the heaviest weaning weight, or yearling weight; our bull management is done with the producer in mind. They are developed in large pastures in groups of 25-35 head on a high roughage diet to hold up under breeding conditions and not melt. Bulls with any feet problems, attitude problems, or any other problems that are detrimental to the producer are culled. We don't believe in trimming feet and disguising feet problems, matter-of-fact, our saying is that we trim feet from ear to ear hanging upside down. Now we do understand problems can arise, or develop and this is the reason we stand behind our bulls 100%. If you have a problem arise give us a call and we will work through it. A sale highlight is a select group of commercial pairs all sired by TRM bulls that are absolutely the "right kind". We wanted to keep that set to use in our recipient program but we always want to offer our very best and show you the potential of these bulls. You won't buy from a program anywhere else that appreciates is as much as we do here at TRM.

We are very much a family operation, and we could not do it without all the help "Da" Roland, "Nonnie" Janet, "Poppy" Randy, "Mimi" Kelly. Harper and John Owen keep us all on our toes, from the late afternoons in the show barn, to letting them drive us around in the gator, we wouldn't trade anything in the world for being able to live out this dream everyday with family close. Whatever your are hobbies are do it with the whole family for "TIME FLIES."

We couldn't do what we need to do without all of the guys help on the farm. They are truly the ones that keep it going doing the nitty gritty behind the scenes work. "Da" Roland, has been here over six years now and is an unreal asset to TRM. He thought he was coming to slow down and chase grandkids more often but we are still trying to figure out how to slow him down. We can't thank him enough. Rickey Carroll, Randy's brother-in-law, is our tractor and equipment operating machine. He has been a big help to us, and we can let him focus on planting, bushhogging, or cutting hay so we can focus on the cows. John Eberhart has been here every day, over two years now and knows how to do anything, from cows, to fencing, to equipment operation, he is truly irreplaceable. Chuck Wright has been here over three years now and oversees daily care of the bulls at our bull stud and helps with all cow working at the farm. Adrian Wooden runs the day-to-day office operations at LMG, and we absolutely could not do it without her! Our newest team member at TRM is Jaden Hardy, who started in January and hit the ground running in all aspects of working on a cattle operation. We are very thankful and fortunate of the team we have here at TRM and LMG and would put them up against anybody anywhere!

We look forward to seeing each one of you on Monday, October 28th. If you have any questions on the bulls, please contact any one of us anytime. Bulls will be videoed prior to the sale and available online for viewing. Bulls are available to look at any time before the sale as well if you're unable to attend sale day. We know how busy life can be, and we truly value and appreciate your interest of our program. Let's have a sale!

Forever Grateful,
John and Randa Starnes

All persons who attend the sale do so at their own risk. The owners and sale staff assume no liability, legal or otherwise for property loss or any accident that may occur.

Herd Health:

- All bulls selling have been trich tested
- Routine herd health and vaccinations are up-to-date on all bulls
- Complete BSE's (Breeding Soundness Exams) will be completed on all bulls
- Bulls will be accompanied by proper health certificates for immediate shipment

Guarantees:

We guarantee that all bulls sold by TRM are fertile to the best of our knowledge and have passed a BSE 30 to 45 days prior to selling. We know, however, that certain problems can arise after purchase. To help insure your investment, TRM will guarantee all bulls selling against breeding injury, and to be sound breeders the first breeding season, which is defined as the 90-day period following the first turnout of bulls. We will provide you with a satisfactory replacement, if available, or issue you a credit equal to the bull's purchase price minus the salvage value, if received for the bull. This is not a life insurance policy, however. We will not replace a dead animal if it is killed or dies for any reason.

[LOT 25] SFCC TRM NOBLE 2208

Reg.: 44389019 | Calved: 09/13/2022 | Tattoo: 2208 | Polled

- This lead lot in the Hereford division IS THE ONLY INDIVIDUAL IN THE HEREFORD DATABASE TO OFFER HIS COMBINATION OF CE, BW, YW, REA, MARB, AND \$CHB!
- Noble was on the side of his dam when they were selected Division Champion Sr. Yearling at the 2022 NAILE.
- One-half interest in dam of lot 25 was \$26,000 selection of GKB Cattle from the 2024 Dixieland Delight after being named a many-time Champion for Harper Rose Starnes including being named Grand Champion Female and Supreme Champion Bred and Owned at the 2022 SE Regional Show; Division Champion at the 2022 NAILE; and Class Winner in the 2021 JNHE B&O Show.
- Dam posts progeny ratios of 1@106 for WW.
- The grandam of lot 25, /S Lady Thor 2447Z, was the \$43,000 top selling selection of Tennessee River Music, Inc. from the inaugural Shaw Female Sale that was named Division IX Champion at the 2014 JNHE. Since that time, she has taken her place among the greatest members of the TRM donor program in terms of income generation.
- Ranks in the top 1% for WW, CW, REA, MARB and \$CHB; top 2% for YW, UDDER and \$BII; top 3% for \$BMI; top 4% for TEAT; top 7% for MG and CEM; top 15% for CED; top 16% for SCF.

- WITH THE EXCEPTION OF HIS SIRE, LOT 26 IS THE ONLY BULL IN THE HEREFORD DATABASE TO OFFER HIS COMBINATION OF WW, YW, REA, MARB, AND \$CHB!
- The dam of lot 26 is rapidly becoming a top donor in the TRM herd and is direct daughter of /S LADY YORK 782E ET, who was our \$33,500 selection from the 2019 Shaw Female Sale where a flush on her dam sold for \$11,500. After her time as a prolific donor at TRM, 782E again sold in the 2022 Dixieland Delight for \$12,000.
- Three maternal brothers to lot 26 grossed \$27,750 in the 2023 High Cotton Sale to average an impressive \$9,250 and included the \$15,000 top-selling lot in that offering, SFCC TRM Fortified 2074, ET selected by David Daily.
- Dam posts progeny ratios of 2@114 for WW and 1@110 for YW.
- The grandam of lot 26 is a maternal sister to /S Mandate 66589 ET.
- Ranks in the top 1% for WW, YW, SC, MG, CW and \$CHB; top 3% for FAT, REA and \$BII; top 6% for \$BMI; top 12% for TEAT and MARB; top 22% for SCF; top 25% for UDDER.

[LOT 33] SFCC TRM DISTINCT 3064

Reg.: 44580199 | Calved: 01/16/2023 | Tattoo: 3064 | Polled

- Homo Polled
- Lot 33 is the lead bull of in a new sire group by H B Distinct, an American Hereford Association CHB sire who has thirteen sons featured in this offering. Distinct is an AHA Trait Leader for 12 EPDs plus all three of the dollar indexes. When you search the AHA database and plug in Distinct's EPD minimums for CE, BW, YW, Udder and Teat, he is the only bull that surfaces in the entire database.
- This son of Distinct is as impressive phenotypically as he is on paper offering body, shape and impeccable structure with elite eye appeal. Like his sire, lot 33 is short marked with pigment which only enhances his value and the value of his progeny.
- Dam posts progeny ratios of 4@99 for BW and 1@109 for WW.
- Ranks in the top 1% for WW, YW, MILK, MG, CW and REA; top 2% for UDDER and \$CHB; top 4% for TEAT, \$BMI and \$BII; top 6% for SC; top 15% for CEM; top 16% for SCF.

- This lead lot of the Houston sire group is a grandson of the \$22,000 valued Shaw and Brumley donor, /S Lady Advance 0194X that sold in the 2014 Shaw female sale who stems from the dam of distinction, /S LADY DOMINO 1315 who was a foundation donor in the Shaw herd and /S LADY MOM 4007P who is a current donor at Shaw's.
- Offers an excellent combination of calving-ease and growth while presenting breed elite EPDs for TEAT and UDDER.
- Dam posts progeny ratios of 5@93 for BW; 2@103 for WW; and 2@103 for YW.
- Third dam is an AHA Dam of Distinction.
- Dam sold in 2024 Dixieland Delight.
- Ranks in the top 1% for UDDER and TEAT; top 2% for SC and CW; top 3% for CED and REA; top 5% for WW; top 8% for \$CHB; top 9% for YW; top 15% for \$BII; top 16% for \$BMI; top 17% for CEM; top 22% for BW; top 25% for MG.

- This cherry red, homo polled son of Houston is out of a very complete, good uddered cow and cow family and would be an excellent choice to use on heifers and to sire top replacement females.
- Maternal grandam is an AHA Dam of Distinction.
- Dam posts progeny ratios of 3@95 for BW.
- To say that the sire of lots 63 thru 66 and the grandsire of lot 67, Houston, has caused a stir in the Hereford breed would be an understatement. Houston topped the 2021 Sandhills sale, bred cows in the pasture for Springhill in the summer of 2021 and now is making semen at ST Genet His granddam, T75, was a donor at Sandhills. His dam, D223, is a great uddered, long sided female with longevity.
