- Homozygous Polled
- Recommended for use on heifers
- What an impressive individual to start this offering of bulls off with. We all search the U.S. for bulls like 3110, that put it all together from a phenotype, genotype and EPD standpoint. 3110 is a high growth bull that comes along with a moderate BW, along with added maternal traits and elite added carcass being a 200 on CHBS. When you study this standout from a phenotype aspect, he is big boned, wide based with worlds of middle and spring of rib. This stout featured son of Merit is out of the popular AI sire and CHBS sire for Tennessee River Music and Waggoner Cattle Co. 9244 the dam of 3110 is the most recent lot 1 in the NW FFFF Sale commanding \$13,500 to Morris Cattle Co. in Texas. 9244 is one of the most famed donors raised here in the last several years. Many maternal sibs are currently working in herds across the nation.
- Ranks in the top 10% for 11 traits.
- Selling 2/3 interest and full possession
- NW is retaining a 1/3 in-herd use and revenue sharing interest.

- Homozygous Polled
- Recommended for use on heifers
- Superior elite genetics. We strive to produce cattle with elite phenotype, genotype and EPD profiles like we have here. We were mindful of making this mating to raise bulls like Full Circle to be able to offer outcross genetics to the purebred breeder. Heavily used in the NW program as he gives such a diverse pedigree to us in a unique phenotypic aspect. We believe there is an opportunity to sell semen in this young herd sire.
- Full Circle 3511 is enrolled in the NRSP program at Olsen Ranches in Nebraska.
- 3511 froze high quality semen this past summer.
- Selling 1/2 Interest and 1/2 Possession. Breeding season is Negotiable.
- Buyer will receive 50 units of semen with purchase for in-herd use.

- Recommended for use on heifers
- Stout made herd bull that is the cowboy kind here. Love the overall shape and body mass 3512 exhibits. This big boned, smooth jointed full brother to Full Circle is a bull that is easy fleshing and will sire a group of calves that will add elite value. When you study the EPD profile you find that 3512 is loaded with calving ease, maternal and elite carcass. This is a bigtime herd bull opportunity.
- Ranks in the top 10% for 8 traits.

- Dark red, stout featured, homo polled son of Houston out of a 2-year-old Genesis daughter that can flat raise one. Love the overall outline and balance L047 possesses, tons of natural muscle shape and bone in a stylish package. A big growth bull as he ranks in the top 3% of the breed for yearling weight along with added REA and carcass weight. Big time opportunity.
- Ranks in the top 10% for 8 traits.

- This big red goggled eyed bull is one you don't want to miss. You want to talk about a young herd sire that moves like a cat 143L fits the bill. 143L is the natural calf out of J51 one of our top up-and-coming young donors we own with our friends at Lamb Bros. in WI. You will hear more and more about J51 real soon as she is really special, and you can see why. Big bodied, cool necked, loaded with muscle shape and eye appeal. Did I mention he is an elite calving ease bull to boot, with world of growth, added maternal and carcass merit? Not much he doesn't do. Opportunity is knocking.
- Ranks in the top 10% for 13 traits.

- Recommended for use on heifers
- Here is a set of bulls out of the past National Champion Bull, Land Slinger. These Slingers have been high performing that come along with tons of look and quality. 111L is a high growth bull that's high for maternal traits and carcass. Keep all the daughters out of this bull as his donor dam was one high-quality individual.
- Ranks in the top 10% for 8 traits.
