**TERMS OF SALE:** Cash or check — All registered cattle sell under suggested terms and conditions of the American Hereford Association.

**GUARANTEE:** All bulls and females sold through the sale are guaranteed to be satisfactory breeders for the first breeding season following the sale. All bulls selling have been semen evaluated, scrotal measured and given a breeding soundness exam. If there is a reproductive problem, contact us immediately and a replacement bull will be provided if available or a credit equal to the animal's purchase price minus salvage value will be issued for the replacement of one animal. This guarantee does not cover illness or death to the animal. There will be livestock mortality insurance available on sale day at the settlement table at the buyer's expense.

**ANNOUNCEMENTS:** Announcements made sale day from the auction block will take precedence over statements in the catalog or other advertising. We reserve the right to withdraw any sale lot not meeting our specifications prior to sale time.

- Profar is a super long made very docile bull we purchased from the Dry Creek Farms program a few years back.
- Profar is a sleep at night calving ease bull.
- 016H has been used extensive in the program mostly on our heifers. It's time for us to rotate in some new genetics as we have retained daughters. Opportunity is knocking.
- Recommended for use on heifers.

- Lots 20-24:
- Very interesting set of full sisters we have for your appraisal. Not very often does an opportunity come along to select from this many full sisters. Sired by the ever-popular, Ribeye 88X, that is known for high quality maternal cattle that have years of longevity built in. This set of sisters is out of one of our high-powered donors E104. This donor is perfect uddered with tons of body and attractiveness. Worlds of value in these good young females. Take them home and breed them to the bull of your choice.
