LiveAuctions.TV

HERE'S HOW IT WORKS

Go to www.LiveAuctions.tv. Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click "Register" in the top right corner of the homepage and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.

If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at TechSupport@LiveAuctions.tv.

CLC 9139 RAPTURE 659F 242L ET

- The first ever son offered by CLC out of one of our lead donors, 659F. This bull has an extremely nice pattern to his design, with plenty of meat and muscle to go along with it. With a calving ease of 11.5 to go along with excellent growth and carcass. This Candor son is exactly what we envisioned out of this mating.
- Believed to be heifer safe.

FIVE JS JOURNEY 2085

- A heifer born at our good friend from North Carolina, 5J Cattle Co., but she fits right into the program here at CLC. It is not hard to imagine that 2085 should be a front pasture female with maternal bloodlines in her pedigree, such as: Whitmore 10W, Journey 53D, Homegrown 8Y, and 4013. I cannot wait to hear the report from her new owner once she has calved out.
- 5% - WW, YW, MG
- Homozygous Polled.
- Bred AI on 6/5/24 to HUTH CLC WF Deluxe K016, then pasture exposed from 6/12 to 8/5/24 to HUTH CLC WF Deluxe K016. Safe AI.

-
- A detailed oil painting of a large, muscular bull, likely a Friesian or similar breed, standing in a lush green field. The bull has a rich brown coat with prominent white markings on its face, neck, and underbelly. It is shown in profile, facing left, with a powerful build and a thick, wrinkled hide. In the background, a rustic wooden fence runs across the frame, and beyond that, rolling hills are visible under a soft, hazy sky. The overall style is realistic with visible brushstrokes, giving it a classic, pastoral feel.

- Dark red and heavily pigmented daughter of WF Rock Solid 2261, who was Supreme Champion Bull at the 2021 South Eastern Regional. Her pedigree injects cow families from the Shaw, Hoffman, Ward, Jensen, and Iron Lake Programs.
- Bred AI on 12/4/24 to HUTH CLC WF Deluxe K016, then pasture exposed from 12/10/24 to 2/7/25 to WF CLC Wild Card 2505 ET. Safe AI.

WF 122J SWEET MAGNET 2310 2522

- The very first daughter of ASM Magnet 122J, who is a full brother to National Champion Polled bull at the 2025 Cattleman's Congress ASM Redman, ever to be offered. Out of just a two year old cow, we think this heifer just scratches the surfaces on what Magnet can produce. Great color and look to go along with an excellent skeletal design and ideal balance of body.

TERMS & CONDITIONS

Floor Price on All Bulls Selling: A minimum floor price of \$3000, is set on each bull. This is the average value of bulls this weight if marketed through our on-farm freezer beef program.

Terms: Cash or check unless prior arrangements are made with the owners.

Registration Certificates: Certificates of registration are all in order and will be transferred to the new owner according to instructions given with clerks.

AI Certificates: Any female that is mated to an AI sire, that is not owned by the seller, will not have an AI certificate furnished.

Insurance: Insurance will be available.

EPDs: EPDs are updated weekly by the AHA and we cannot guarantee the EPDs listed in the catalog. The EPDs are current at print time from the Evaluation of the American Hereford Association.

Health: Proper health papers will be available.

Lunch: Lunch will be available sale day.

Trucking: Trucking will be at cost to buyer to central points. Buyer responsible for pickup from central points.

Bids: The auctioneer in charge will have final say regarding all final bids. We hope everyone can attend, but those who cannot, may mail or call bids to the sale manager or any of the representatives.

Catalog: Statements made from the auction box take precedence over printed material in this catalog.

Buyer needs to make arrangements ahead of sale if cattle need to stay at seller's farm for more than one week.

PICK OF THE 2023-2024 WOOLFOLK FARMS BRED OR OPEN HEIFERS

- What a rare opportunity to have the chance to choose the top heifer from multiple calving seasons. The Woolfolk herd is built and centered around the belief in functional, easy keeping females. With high udder quality, tremendous calf raising ability, and lasting longevity. This selection will consist of bred and open heifers from the fall 2023 and spring 2024 calf crops. The group will consist of approximately 40 females. Sired by ILR Hometown 332A, ASM Magnet 122J, NJW Steadfast 156J, JW Merit 21134, NJW Boss 157C, NJW On Duty 150E, SHF Houston, and Boyd Blueprint. A few of the dams of these heifers are pictured below.
- Selection must be made by 4/15/25.
- Woolfolk Farms reserves the right to two flushes with a minimum of six embryos on any female selected.

SEMEN

- We cannot say enough about the impact that Deluxe has made in our herd and others around the country. A blend of genotype, phenotype, and maternal blood lines that are hard to beat. The reports on his first calf crop have been terrific. There is no other bull in the breed with his spread of CE to YW not to mention the carcass traits and udder and teat scores he possesses that are in the top percentiles. This bull's footnote writes itself.
