Trucking:

Trucking will be available at lowest possible cost.

Insurance:

Sheila Jensen. 785-262-1116

Air Travel:

Both Lexington and Cincinnati are served by most major airlines. We are approximately 70 minutes from either airport.

We are also served by the Mason-Fleming Airport 10 miles from the farm.

From Cincinnati, take 275 to Kentucky, exit onto Hwy. 9 (AA) to Maysville.

Terms: Cash or check. Each animal sold to the highest bidder. The auctioneer shall settle any dispute as to bids. All cattle are to be paid for by purchasers during or immediately after the sale and will not be released until settlement has been made, unless other arrangements have been made in advance. No cattle will be transferred until paid for in full.

Guarantee: All cattle will sell under the terms and guarantees recommended by the American Hereford Association.

Liability: Each animal will be at the purchaser's risk immediately after the animal is sold. They will be fed and cared for, free of charge, for a reasonable length of time after the sale, but at the purchaser's risk. Cattle must be paid for before they leave the farm. All persons who attend the sale do so at their own risk. Boyd Beef Cattle assumes no liability, legal or otherwise, for any accidents that may occur.

Announcements: Sale day announcements take precedence over printed matter in the book. We reserve the right to withdraw any sale lot not meeting our specifications prior to sale time. EPDs in the book were current at press time.

Heifer sexed semen: When sexed semen is used, a heifer calf results 95% of the time.

Health: Every female born at Boyd Beef Cattle has been calfhood vaccinated for Brucellosis. In addition, each female is vaccinated annually, after calving and prior to breeding with IBR, BVD, P13, 4-way Lepto and Vibrio. They are wormed and poured for grubs each fall. All calves are vaccinated for Blackleg, Pasturella and Malignant Edema. All cattle selling will have interstate health charts required for shipping into other sections of the United States.

Registration Certificates: Registration Certificates will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the clerk his proper name and address for making transfers. All calves born before the sale will be registered by the sellers. Information will be provided by the seller for the buyer to register unborn calves.

AI Certificates: There will not be any certificates provided on bulls not owned by the seller for females selling bred AI.

Bids: If you would like to place a bid on any lot but will not be able to be with us, we would be happy to handle mail or phone bids for you. Please direct to the owner, auctioneer or any of the sale staff.

Sale Location Directions:

Sale will be held at the Boyd Beef Cattle sale facility. ½ mile south of Mays Lick on U.S. Hwy. 68 Mays Lick is located approximately one hour and fifteen minutes north of Lexington, Ky. or one hour and fifteen minutes southeast of Cincinnati, Ohio.

Fellow Hereford Breeders,

It is a pleasure to welcome you to Mayslick, Kentucky for the 2025 "Breeders Cup" sale. All involved thank those from past sales who have invested their time, energy and finances so that this continues to be a major breed event. We look forward to seeing all of you whether it is your first time here or one who comes regularly.

Our goal is to only offer cattle that are of superior quality, genetics and performance. We know we must use all tools available to document our cattle for the traits that are so important to our bottom line. Most cattle selling have GE-EPDs available or will have by sale time. We are excited to offer a large number of females sired by and mated to proven, recognized, popular breed leading A.I. sires.

As always, we appreciate the Boyd family for being our host and thank them for all the extra work involved to do so. There have been changes to the Boyd sale facility which I think all will find comfortable and convenient. As a result, the sale day format has changed. Cattle will be available for viewing all day on Saturday with sale time moved to 5 PM. Dinner will follow immediately after the auction with country music provided by the John Morgen band. We encourage you to bring your dancing shoes!

For those staying over on Saturday evening please consider Blue Licks State Park for your choice of lodging. The lodge comes with a full-service restaurant, gift shop and there is a pool available. Several breeders have stayed there in past years and always go back. The park is located ten miles south of Boyd Beef Cattle on the same highway.

Our cattle market is at an all-time high, cattle inventory at a 65-year low which suggests a strong return on investment for some time to come.

Please join us on Saturday, August 30th as we evaluate this superior set of purebred Herefords. Thanks to all the consignors for sharing the top end of your herds.

Respectfully,

Dale Stith

- What a cool made February Fresh Prince baby!
- This one has all the goods.
- Maternally bred with that show heifer look!
- DNA sent.

- Powerful Kool Profit daughter that is smooth in her transitions, soft made, yet elegant in her design.
- With a mother that puts it all into her calf and bred like she is — this one will be a maternal superstar.
- DNA sent.

**Lot 28 – SSF 8433 Dixie Deluxe 597**

EXR Breeze 8433 – Dam of Lot 28

- A really cool looking, moderate packaged Deluxe daughter that definitely has that brood cow look.
- 597 reminds me of her dam who we purchased from Chapman Land & Cattle in last year's "Rockin' in the South" sale. She is a beautiful cow with lots of body and a near perfect udder.
- OCV. Sells open.

- 592 is a nicely made, well balanced Mandate daughter that is always noticed by farm visitors.
- Mandates makes great cows and this girl has an amazing maternal lineage.
- 5 generations of SSF breeding.
- Same cow family as Lot 24.
- OCV
- Sells open.

- 589 is a fall Mandate heifer that I have always liked. Her dam is a first calf 4013 daughter that traces back to the great Grassy Run Queen Ten 4033 cow that produced so many top-quality heifer calves in her lifetime.
- For a great brood cow prospect, here's one to mark.
- Her grandam, 367 produced our top selling heifer in this year's "Rockin' in the South" sale.

NJW 202C 2912 Ranchware 147M ET — Sire of Lot 45

- The kind of mating that doesn't come around often, a unique opportunity to own a heifer calf pregnancy out of our lead donor, ASM 705 Miss Caroline 708E ET — the dam of champions and herd sires alike. 708E ET produced the Champion Pen of Three Heifers at the 2023 Cattlemen's Congress, including ASM 708E E33 Macy 203K ET, who went on to raise the high-selling Hereford bull in Hoffman Ranches' 2025 Bull Sale.
- The pregnancy is sired by NJW 202C 2912 Ranchware 147M ET, a Birdwell New Standard son and the high-selling feature of the NJW 2025 Bull Sale.
- This mating pairs proven maternal power with breed-leading performance.
- Heifer calf due on 2/15/2026 — a next-level genetic investment for progressive breeders.

- Big, stout made 4013 that we purchased from Sunny Side Farm, in Ohio.
- She has been a great producing cow.
- 420 is just what we have come to love about the 4013 cows – big, stout and have amazing udders and milk.
- Will calve by sale day to NJW 76C Whitmore 132E.

NJW 76C 10W Whitmore 132E — Featured Sire

- When you see the name "Stella" on one of our pedigrees, you just know she goes back to the great Stella 95Z.
- 4226 has the makeup of a typical 95Z progeny with the added stoutness of Deliverance 0100.
- She will make a great replacement for any herd.

- We have been very excited to see what this Liberty flush would produce.
- Mercedes 228G made a name for herself this winter, producing the high selling female in the OKC sale for our partner, Green Cattle Company.
- Here is an opportunity to grab a great donor in the making with the pedigree to also make it big in the show ring.

- Deliverance 0100 was purchased straight from the Boyd Beef program for a very specific purpose – for our replacement heifer pen. As he developed and grew, so did his impact on the herd!
- Making his way up to mature cows, he has produced daughters that have and will become pillars at Cottage Hill.
- These females are extremely nice, great uddered and amazing calf raisers.
- That being said, we are confident in our decision to share his genetics.
- Light scurred.
- Owned with NJB Limited and Boyd Beef Cattle.

- A super cow prospect with a heavy weight pedigree and EPD profile.
- Ranks in the top 10% of the breed for ten traits.
- Her sire is one of the most popular AI bulls used across the country. He is especially known for his high growth and carcass traits ranking him in the top 1% of the breed for WW, YW, MG, CW, Marb and CHB.
- Her dam is a beautiful female with an immaculate udder, bold rib shape, feminine look and a power build. She is a full sister to Diamond Vaca 0101 who sold as the lot 3 donor in the 2024 Breeders Cup sale to Ground Zero Farm in Oklahoma. She is also a full sister to the lot 68 herd sire Deliverance 0100 selling in this sale.
- Power in the blood!

- The sire of these embryos, Loewen Sandhills L70 ET has generated as much interest as any young bull in recent memory.
- He is the complete individual phenotypically with no apparent flaws.
- On paper he reads like we all like them.
- His semen is expensive so take advantage of this opportunity.

Loewen Sandhill L70 ET — Sire of Lot 71

TH 66G 2157K Union 528M ET — Sire of Lot 72

- Take two, three or all five. Union's story is just beginning as he was one of the top selling and popular bulls in Topp Herefords bull sale.
- He's as good as his photo and we are anxious to see his first calves.
- We know what Diamond Vaca 0103 brings to the table and think this is an exciting mating.

- There is no more popular bull in the breed right now than Birdwell New Standard. His sons and daughters are in high demand wherever they are offered for sale.
- These embryos are part of a flush purchased from Churchill Cattle Co. and there were multiple eggs, so we decided to share!
- First Lady 1101 is the real deal.

HERE'S HOW IT WORKS

LiveAuctions.TV

Go to www.LiveAuctions.tv. Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click "Register" in the top right corner of the homepage and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.

If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at TechSupport@LiveAuctions.tv.
