Terms: Cash or check. Each animal sold to the highest bidder. The auctioneer shall settle any dispute as to bids. All cattle are to be paid for by purchasers during or immediately after the sale and will not be released until settlement has been made, unless other arrangements have been made in advance. No cattle will be transferred until paid for in full.

Guarantee: All cattle will sell under the terms and guarantees recommended by the American Hereford Association.

Liability: Each animal will be at the purchaser's risk immediately after the animal is sold. They will be fed and cared for, free of charge, for a reasonable length of time after the sale, but at the purchaser's risk. Cattle must be paid for before they leave the farm. All persons who attend the sale do so at their own risk. Boyd Beef Cattle assumes no liability, legal or otherwise, for any accidents that may occur.

Announcements: Sale day announcements take precedence over printed matter in the book. We reserve the right to withdraw any sale lot not meeting our specifications prior to sale time. EPDs in the book were current at press time.

Heifer sexed semen: When sexed semen is used, a heifer calf results 95% of the time.

Health: Every female born at Boyd Beef Cattle has been calfhood vaccinated for Brucellosis. In addition, each female is vaccinated annually, after calving and prior to breeding with IBR, BVD, P13, 4-way Lepto and Vibrio. They are wormed and poured for grubs each fall. All calves are vaccinated for Blackleg, Pasturella and Malignant Edema. All cattle selling will have interstate health charts required for shipping into other sections of the United States.

Registration Certificates: Registration Certificates will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the clerk his proper name and address for making transfers. All calves born before the sale will be registered by the sellers. Information will be provided by the seller for the buyer to register unborn calves.

AI Certificates: There will not be any certificates provided on bulls not owned by the seller for females selling bred AI.

Bids: If you would like to place a bid on any lot but will not be able to be with us, we would be happy to handle mail or phone bids for you. Please direct to the owner, auctioneer or any of the sale staff.

Sale Location Directions:

Fellow Hereford Breeders,

It is a pleasure to welcome you to Mayslick, Kentucky for the 2025 "Breeders Cup" sale. All involved thank those from past sales who have invested their time, energy and finances so that this continues to be a major breed event. We look forward to seeing all of you whether it is your first time here or one who comes regularly.

Our goal is to only offer cattle that are of superior quality, genetics and performance. We know we must use all tools available to document our cattle for the traits that are so important to our bottom line. Most cattle selling have GE-EPDs available or will have by sale time. We are excited to offer a large number of females sired by and mated to proven, recognized, popular breed leading A.I. sires.

As always, we appreciate the Boyd family for being our host and thank them for all the extra work involved to do so. There have been changes to the Boyd sale facility which I think all will find comfortable and convenient. As a result, the sale day format has changed. Cattle will be available for viewing all day on Saturday with sale time moved to 5 PM. Dinner will follow immediately after the auction with country music provided by the John Morgen band. We encourage you to bring your dancing shoes!

For those staying over on Saturday evening please consider Blue Licks State Park for your choice of lodging. The lodge comes with a full-service restaurant, gift shop and there is a pool available. Several breeders have stayed there in past years and always go back. The park is located ten miles south of Boyd Beef Cattle on the same highway.

Our cattle market is at an all-time high, cattle inventory at a 65-year low which suggests a strong return on investment for some time to come.

Please join us on Saturday, August 30th as we evaluate this superior set of purebred Herefords. Thanks to all the consignors for sharing the top end of your herds.

Respectfully,

Dale Stith

- Sale feature!
- Top show and brood cow prospect.
- This heifer has been a favorite of mine since birth. She is just so deep, soggy, cowy and wide from all angles...and she's a Houston.
- Her dam is a tremendous producing cow, tracing back to the Snowshoe P606 daughter who has played such an important role in Eric Walker's program.
- 604's maternal sib sold in last year's sale for \$9,000 and two years ago a full sib sold for \$14,000.
- Great EPDs.
- OCV
- Sells open.

Lot 45 HEIFER CALF PREGNANCY

- The kind of mating that doesn't come around often, a unique opportunity to own a heifer calf pregnancy out of our lead donor, ASM 705 Miss Caroline 708E ET — the dam of champions and herd sires alike. 708E ET produced the Champion Pen of Three Heifers at the 2023 Cattlemen's Congress, including ASM 708E E33 Macy 203K ET, who went on to raise the high-selling Hereford bull in Hoffman Ranches' 2025 Bull Sale.
- The pregnancy is sired by NJW 202C 2912 Ranchware 147M ET, a Birdwell New Standard son and the high-selling feature of the NJW 2025 Bull Sale.
- This mating pairs proven maternal power with breed-leading performance.
- Heifer calf due on 2/15/2026 — a next-level genetic investment for progressive breeders.

- Deliverance 0100 was purchased straight from the Boyd Beef program for a very specific purpose – for our replacement heifer pen. As he developed and grew, so did his impact on the herd!
- Making his way up to mature cows, he has produced daughters that have and will become pillars at Cottage Hill.
- These females are extremely nice, great uddered and amazing calf raisers.
- That being said, we are confident in our decision to share his genetics.
- Light scurred.
- Owned with NJB Limited and Boyd Beef Cattle.

Lot 72B THREE (3)

- Take two, three or all five. Union's story is just beginning as he was one of the top selling and popular bulls in Topp Herefords bull sale.
- He's as good as his photo and we are anxious to see his first calves.
- We know what Diamond Vaca 0103 brings to the table and think this is an exciting mating.

- These embryos are part of a flush purchased from Churchill Cattle Co. and there were multiple eggs, so we decided to share!
