## HEREFORD SALE

### WELCOME

Welcome to the 5th annual Cattlemen's Delight Female Focus Sale. The Jackson County Fairgrounds location and facility work well for our group, and the consignor families have put together an even better offering this year. The sale will feature top female prospects from the heart of each breeding program. Our herds vary in size, but all 5 of the consigning families set out to bring you their best. There are many high quality spring born heifer calves, including several show heifer prospects. We also dug deep in our replacement heifer pens, to bring you high quality females that represent the heart of our breeding programs. Many of the bred females will be confirmed bred to AI dates, to industry leading sires. Several heifers will carry natural service, to high caliber herd sires. We are offering a variety of calving due dates on the bred heifers, to help fit your desired calving windows. This year's sale also features a few handpicked show steer prospects.

As cattlemen, we have seen prices of feeder cattle, fed cattle, and even market cows, reach new highs in 2025, and the next several years look very bright for cattle producers. Little evidence of national cow herd expansion, provides tremendous opportunity to those who own the cow factory over the next few years. If you want to capitalize, it's time to own the cows, and build herds. The Hereford breed continues to see tremendous demand for top end females, and Herefords are being shown by young cattlemen and women at unprecedented levels! Lots of families love raising and showing Hereford cattle! The Hereford Jr. Nationals, will once again be back in Madison, WI in July of 2026!

Today's Hereford cattle are also doing well in the pasture, in the feed yard, and on the rail. Hereford females are fertile, maternal in every way, with built in longevity and feed efficiency. Hereford breeders have paid attention to genomic data, and have made decisions to improve the final product immensely. If you are raising cattle for commercial use, use Hereford genetics with confidence.

You will observe diversity in the pedigrees offered, as each herd operates with different goals and resources. We believe this is an advantage for the prospective buyers, and we look forward to helping you find the cattle in the offering that will help move your herd forward. Feel free to call on any of the Cattlemen's Delight consignors with questions. More information, including individual animal videos, will be made available prior to the sale on Facebook and Instagram. Some additional genomic profiles and pregnancy check information will also be made available during late September.

We invite you to an informal social and viewing on Friday, October 3rd from 5-8 P.M. If you would like to view particular lots prior to October 3rd please arrange that with the owner. Each consignor would be happy to show you the cattle ahead of the sale, upon appointment. Obviously, we want you to be able to bid and buy with confidence, so please feel free to reach out with any requests.

Thank you for your interest in our breeding programs and we look forward to seeing you at the 5th annual Cattlemen's Delight sale.

*The Cattlemen's Delight Group, including the Boettcher, Starck, Steinhoff, Freidrich, and Reed families*

#### **TERMS and CONDITIONS:**

**TERMS:** Cash or check. Each animal sold to the highest bidder. The auctioneer shall settle any disputes as to bids. All cattle are to be paid for by purchasers during or immediately after the sale and will not be released until settlement has been made, unless other arrangements have been made in advance. No cattle will be transferred until paid for in full.

**GUARANTEE:** All cattle will sell under the terms and guarantees recommended by the American Hereford Association.

**LIABILITY:** Each animal will be at the purchaser's risk immediately after the animal is sold. They will be cared for, free of charge, for a reasonable length of time after the sale, but at the purchaser's risk.

**ANNOUNCEMENTS:** Sale day announcements take precedence over printed matter in the book. The consignors reserve the right to withdraw any sale lot not meeting our specifications prior to sale time. EPDs in the book were current at press time.

**REGISTRATION CERTIFICATES:** Registration Certificates will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the clerk his proper name and address for making transfers. All calves born before the sale will be registered by the sellers. Information will be provided by the seller for the buyer to register unborn calves. Certificates for calves born to bred cattle purchased are the responsibility of the buyer.

Tomah Large Animal Vet Clinic  
Dr. Gina Zastoupil, DVM ..... 608-372-2698

### Photo / Video Credits:

Leeza Marie Photography (715-563-7525) ..... Lots 1-17  
Sixth Avenue Creations (608-343-9052) ..... Lots 18-19  
Bollum Ranch Productions (507-244-0833) ..... Lots 20-46  
Jane Adolph (815-297-5456) ..... Catalog cover design

### Sale Videos & Photos:

All sale videos and pictures can be viewed on Facebook and Instagram and will be available on [www.liveauctionstv.com](http://www.liveauctionstv.com)

### Accident/Illness:

The sale management, the consignors and the owner of the grounds will not be responsible in any case for the condition of the grounds, the behavior of the animals or illness and disclaim any liability in the event of personal accident, sickness, or property loss.

### HERE'S HOW IT WORKS

Go to [www.LiveAuctions.tv](http://www.LiveAuctions.tv). Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click

"Register" in the top right corner of the home page and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the home page and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message in to the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.

If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at [TechSupport@LiveAuctions.tv](mailto:TechSupport@LiveAuctions.tv).

89	1.30	1.40	74	0.004	0.41	0.08	396	478	113

- Maraschino 03M was selected as our Lot 1 offering as she represents the focus of our program, "Performance cattle with eye appeal."
- She is a thick, big ribbed daughter of the well proven BR Duncan 4142 and out of a Dam of Distinction carrying a 110.3 average weaning ratio.
- Her dam, Honey 17H, is the ideal Hereford cow with an udder as good as you can make them.
- A maternal sister to 03M was our high selling bred heifer at the 2023 sale, with another full sister born this spring, we decided to continue to share this cow family.
- Now, to put a ribbon on this package, she is due to calve Jan. 27, 2026 with a heifer calf by one of the breed's hottest calving ease and EPD sires, KCF Bennett Monument J338.
- Halter broke. OCV. Free of all known genetic defects by pedigree.

- Marty 63M is a very fancy TH 523F 738C Sleep On 163H daughter that has been a pasture favorite since she was a calf.
- She descends from one of the most predictably productive cow families in our herd. She has the phenotype and ability to add that productivity and consistency to any program.
- OCV. Free of all known genetic defects by pedigree.
- Pasture exposed from July 12 to Sept. 10, 2025 to Brookview 21G Logistic 54L. Observed bred July 14. Will be vet checked.

- Marigold 107M is backed by well proven Brookview cow families on both sides of her pedigree. Take this heifer home to use as a breeding tool to add calving ease, longevity and maternal productivity to your herd.
- Her eleven year old dam is still in production here and will be calving again in 2026.
- OCV. Free of all known genetic defects by pedigree.
- Pasture exposed from May 5 to July 10, 2025 to Brookview 0036 Lancelot 81L. Vet checked safe and due to calve March 8, 2026.

- Naomi 63N is a dark red, pigmented, long bodied, bold ribbed and stout boned heifer.
- It is hard to find a better balanced set of EPDs considering her BW to YW spread, teat and udder scores and CHBS index.
- This heifer is backed by a cow family that has produced countless herd bulls and foundation females and that makes these kind hard to sell.
- Halter broke. OCV. Free of all known genetic defects by pedigree.

- Missy is a dark red, double goggle-eyed, horned fall heifer.
- She was shown at the 2025 WI State Fair Open Beef Show and was second in her competitive class. The judge commended her on her smooth, free-flowing stride, noting that she tracks straight and true.
- She is calm demeanored and would make an excellent youth project.
- Twin to a heifer from a productive cow family.
- Free from all genetic defects. Homozygous horned. OCV.

- Macey is a dark red, single goggle-eyed, polled fall heifer.
- Like her twin from a productive cow family, she is a smooth strided and well balanced heifer.
- Would make a great youth project prospect.
- DNA results show she is free from all genetic defects. Heterozygous polled. OCV.

- Fancy show steer prospect, sired by our JRR 801F Miles Ahead 116J bull.
- 116J makes calves that have outstanding muscle expression, with a long spined, deep ribbed stature.
- 545N's dam is a moderate framed deep ribbed cow, with extra bone and foot size.
- We think this guy could be competitive and Hereford Jr. Nationals are in Madison, WI in July 2026 this year!
